REESE CREEK RIPLETS

The Easter service on Sunday was well attended. Sunday school in the forenoon the lesson on "The Risen Lord." All brought their dinners and ate it together. In the afternoon there was a "short program" after which Rev. J. Stille preached on "Our Home in Heaven." Mr. Britton expects to preach Sunday, April 27. Miss Marquerite Hammond closed a successful term of school Wednesday with a picnic. Also a nice program, each pupil taking part in some way. The months of the school year was retrogressed by eight pupils—September, a happy hardfoot boy with lunch pail, on his way to school; October by a girl in hallowe'en costume, November by a little Parisian girl, December by Santa Claus, January by Father Time, March by storm and rain attire, April by apple blossom girl. After the program Miss McCormick, the home demonstrator, gave a very interesting and profitable talk on her work. She expects to meet the ladies sometime in the near future at the home of Mrs. Bellows. After the picnic dinner, the afternoon was spent in a social time, quite a number of the friends and patrons were present. Fred Petticrew and family, who have been in Los Angeles for the past 18 months arrived home Tuesday evening. They drove through in a car and report a very pleasant trip except for a couple of days they were stranded in the mud.
