

# OREGON OVER TOP CLAIMS HONORS OF FIRST STATE

WASHINGTON, May 5.—A dispute between Oregon and other states which claim to have passed their Victory loan quota developed today. Edward Cookingham, state chairman of the Oregon campaign, telegraphed secretary Glass that Oregon had over-subscribed by popular subscription and he and other state managers said they understood Iowa and Michigan had made their records of over-subscription previously only because banks in those states guaranteed the quotas. Should this prove to be the case Oregon will claim the honor of being the first state to raise its quota solely from small popular subscriptions. Investigation will be ordered by the treasury to ascertain the facts under which Iowa and Michigan reached their goals.

Additional reports of subscriptions today raised the total of the loan to about \$1,700,000,000 with only one week remaining to push the total to the \$4,500,000,000 desired.

## Personal

There was a frost this morning, the minimum temperature of 32 degrees in Medford about sun-up meaning a temperature of about 28 or 29 in the neighborhood. There was some smudging. At County Agent Cate's office not much damage was anticipated because of the dryness of the atmosphere and the fact that the minimum was reached just before sun-up, and it was said the effect of the cold would not be known until late afternoon. The minimum temperature of 33 Sunday morning also caused several orchards to smudge.

At the Commercial club luncheon at the Hotel Holland tomorrow noon A. G. Clark of Portland, who is general manager for the Associated Industries of Oregon, will be the chief speaker. All business men are invited to hear him.

Portland men at the hotels, most of whom arrived Sunday, are G. R. Hemis, M. Stennett, W. M. McConnell, C. H. Young, F. Garfield Connolly, Geo. H. Smith, C. B. Lipschultz, Geo. H. Whitman, J. A. Coon, F. W. Welton, Ray P. Miller, O. K. Jefferson, Al Ness, M. C. Hutton and W. A. Kenny.

The government crew in charge of aqueduct poisoning in the railroad and patent lands of the county began their active campaign of extermination Monday morning starting in at Trail and will work along both sides of the river to Eagle Point. It had been the intention to commence the campaign in the Table Rock district but this plan was given up because a place could not be found in that section at which to board the government crew.

## PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a dark brown taste, a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look! 10c and 25c per box. All druggists.

## SET EMPLOYMENT STANDARDS FOR THEIR OWN SEX

MISS MARY VAN KLEECK (ABOVE) AND MISS MELINDA SCOTT.

Under the direction of the U. S. Department of Labor, two women, Miss Mary Van Kleec and Miss Melinda Scott, have formulated a program of labor standards for women in industry which will form the basis of private and public programs for the aid of the girl who works.

Miss Van Kleec is director of the women in industry service of the Department of Labor, and Miss Scott is attached to the women's division of the United States Employment Service.

## HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening, and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acids and gives you a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens, and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.
