MEDFORD'S OVER SUBSCRIPTION IS 17,000 DOLLARS

With a $10,000 subscription today from Zach Cameron and a $7000 subscription yesterday from the California-Oregon Power company, Medford increased her total subscription to the Victory Loan to approximately $280,000, $17,000 over her quota. With Ashland announcing she will be over today the entire county is as usual 100 per cent loyal and then some. There seems to be no way of checking the popularity of the final big war loan and when the campaign closes tomorrow Jackson county will probably be oversubscribed from $25,000 to $30,000.

The complete list of subscribers as announced to date by the local committee follows:

SOLDIERS WANT 2.75 BEER AND WINE

ST. LOUIS, Mo., May 9.—Feeling between advocates of the national guard and the regular army today was brought to the front at the second day's session of the national caucus of the American Legion, composed of men and women who were in the military or naval service during the war.

Major Hamilton Fish of New York presented a resolution urging that congress place the national guard and the regular army on an equal footing and charges were freely made that national guard officers in France had been discriminated against in favor of regulars.

A prohibition resolution adopted by the resolutions committee urges that the sale of beer and light wines be contined until the members of the American expeditionary forces can voice their opinion.

LONDON, May 9.—The captain of a German submarine arrived in London from Spain today and was placed in the tower. The Star understands that he was the commander of a U-boat which sank several hospital ships.
