EAGLE POINT EAGLETS

By A. C. Howlett

Last Saturday night, May 3rd, the losing side in the Sunday school contest, had a weinny roast. It was agreed that the Sunday school was to be divided equally and have a contest to see which side could bring in the greatest number of new scholars in a given length of time and the losing side was to treat the school to a treat of some kind. They were designated by a bow of ribbon pinned on the coat or dress waist: one side had a pink and the other a blue ribbon, and the result was that the blue lost out by a very small margin, and then it was decided that the treat was to be a weinny roast on the bank of our lovely little Butte creek. So according to arrangements we were to meet at the church on Saturday evening and march to a place near the Soda Spring just above the Sunny Side Hotel. There was as near as I could count, about 40 assembled at the place designated and soon a large bon fire was started and while the preliminaries were attended to the young folk spent the time in various ways and its older children, you know we are all children, some older than others, sat on the rocks and visited. But soon the fun began. The children had brought long sticks to use in roasting the weinies, and there seemed to be as much fun in roasting as in eating, and for me to say that we all enjoyed the feast hugely would hardly express that, especially the younger members of the company, Miss Pina Benedict, our primary teacher acted as mistress of ceremonies.

There was not the usual number of guests came to the Sunny Side Sunday morning for dinner, but there was a perfect string of autos and Fords dashing through town. Some going up Rogue river and some up Little Butte creek, bent on having a good time fishing and picnicking or both, although we had quite a few who either stopped here for dinner and then went on, or stopped for dinner and after dinner took rides over our country to see the sights and enjoy the ride. Among those whose names I secured as diners were Miss Verta Grover, Guy Pruitt, Gus, the Taylor of Medford, and wife; Graddon Childreth, Miss Ella Gempert, Mr. and Mrs. L. V. Luce, Medford, Mr. and Mrs. Herman Meyers and Mrs. Charles of Lake Creek, Albert Clements and Miss Emma McCaslin, Mrs. George H. Wamsley, Miss Pina Benedict, G. P. Mims, our Medford postmaster and Miss Florence Lowing, Medford; Mr. and Mrs. R. G. Brown, Frank Hamilton, Mr. and Mrs. C. M. Sreck and son, Glen Halev, Nick Young, our food supervisor, John Foster, Lake Creek, and Jack O'Conner of Phoenix, later in the day, about 10:30 p. m. Mr. and Mrs. Henry Croiset, Mr. and Mrs. Alvin Williams, M. C. Clement, Benton Reed, Andy Treasby and William Crossland in and called for

supper and beds, and notwithstanding the intensity of the hour Mrs. Howlett got up, built a fire in the stove and prepared supper for them. They had been a little unfortunate that day as they had started from Butte Falls with three logging trucks and an auto and before they had gone very far had a break in one of the trucks and were detained some time and as a result, instead of reaching here about sundown, did not reach Derby until dark, and then they had to come that sticky road that is such an evanescent to all travelers in the winter and spring and just as they were about through with that sticky country the hind truck went down and stuck fast and the result was they were detained there for some time, thus causing them to be late for supper. The next morning three of the men went back in the Ford and with a wire cable managed to make the truck pull itself out so they were all here for dinner and then started for their destination, a point 25 miles south of Klamath Falls where they will be engaged in hauling saw logs for a mill. Mr. Croiset, one of the number, was taken with the pleurisy while on the road out and fell in Dr. Holl, and he remained until Tuesday afternoon.

Mr. Adamson, our mail carrier between here and Persim, moved from Wimpingham from here over onto Little Butte creek beyond Jacksonville Sunday. Speaking of the mail business, since Joe Mooman has treated his wife to a new Ford car, the arrangement is made so that now passengers going from Medford to Butte Falls or either way, can by taking the Medford-E. P. auto connect here with the Mooman (Derby) auto and go right on to Butte Falls the same day, as we no longer have a service clear through, the Derby stage, auto, reaching here in time to connect with the E. P. Medford stage at 3:30 p. m.

Mike Siddler, Sr., of Lake Creek, was in town Monday and took message on the E. P.-L. C. auto stage for home. M. C. Logan of Brownsboro was in town Monday and Tuesday getting his team shod up. He expects to start for Burns as soon as the roads are open via Ashland-Klamath Falls. Fred Danian, formerly of Derby, but now of Butte Falls, was here for dinner Monday on business with F. S. Davis, one of our gate men. Chief

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for cologne, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them. Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous cologne does without any of the bad after effects. All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice; among patients afflicted with bowels and liver complaint, with the attendant, bad breath. Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

ford Hanson spent the night with us Monday and Tuesday went to Medford. FINISH YOUR VICTORY

By investing in the best property in Jackson county for a high class stock ranch while the value is at the lowest ebb. Now listen—You, Mr. Stockman, who are looking for a money-making proposition in an ideal climate.

360 acres first class Rogue River bottom land of which 250 acres are in cultivation—all the very best land and only 10 miles from Medford—30 minutes drive on good highway. This land carries a paid up permanent water right for ample water to irrigate the full acreage and the land is easy to prepare—very little water being used at present as the land has been under lease. No better land anywhere for alfalfa, wheat, barley, corn, potatoes and all root crops and grasses. Two sets of reasonably good buildings, fences, electric power, telephone, daily mail, good roads, good school advantages, best fishing and hunting, one mile river frontage and a beautiful home place and scenic surroundings.

This is an ideal proposition for a high class alfalfa and stock farm—2500 acres range land adjoining and nearby can be leased for a term of years; thus making ideal conditions for a combination stock ranch. Nothing in Jackson county like it.

The Price? Just a minute—\$80 acres with a permanent water right with an annual upkeep of about .50 per acre—\$132 per acre—\$47,500—and in a climate which only Southern Oregon possesses—Can you beat it?

Baby Coming To Your Home?

The Wonderful Event That Will Bring Much Gladness.

Are you looking forward, dear prospective mother, to the wonderful, glorious time when you shall hold in your arms the little mite, which is of your flesh and blood, with feelings of mingling? Now is the time to get in condition to meet the crisis, and three generations of women have found in the time-honored preparation, Mother's Friend, a reliable, restful remedy to prepare their systems to withstand the shock. The action of this famous remedy is to relieve tension on drawn nerves, cramps, tendons and ligaments, to relieve strain and discomforts, such as nausea, nervousness, head-aches and stretching pains. By regular use during the period the muscles expand easily when baby is born; pain and danger at the crisis is naturally less and the hours are fewer. Do not neglect the use of Mother's Friend. It is for external application only, is absolutely safe and wonderfully effective. Write the Bradford-Regulator Company, Dept. N, Lamar Building, Atlanta, Georgia, for their Mother's Friend, and obtain a bottle of Mother's Friend from the drug store. It is just as standard as anything you can think of.
