

BARNES CIRCUS TO ARRIVE IN CITY EARLY TOMORROW

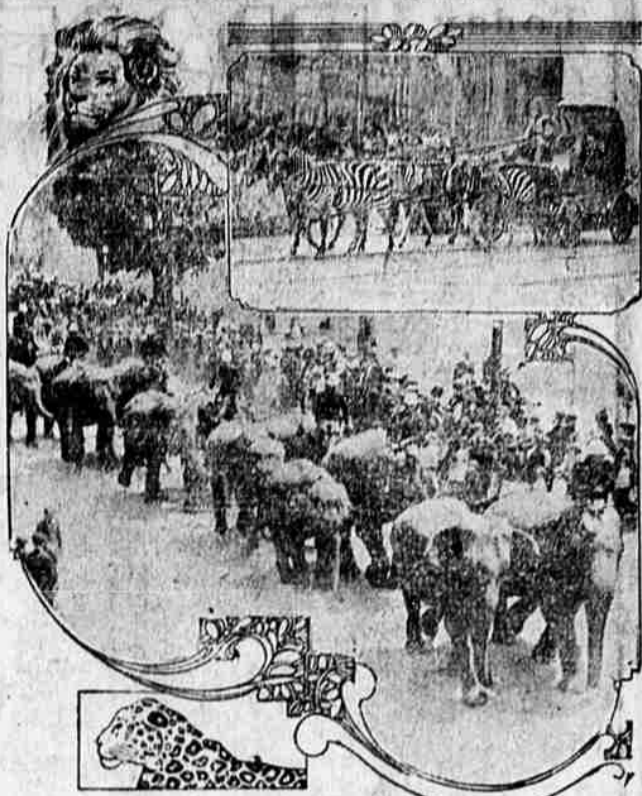

The Al G. Barnes big four ring wild animal circus is due to arrive here early tomorrow morning, traveling in two sections of 52 cars. The small boy will be in his own, as the untolding of a large circus is rather interesting according to Thomas F. Henry, representative of the circus.

There is a new and gorgeous aquatic entitled "Alice in Wonderland," in which nearly 6000 people and 1200 animals appear in magnificent costumes. Practically the entire program of the 110 feature acts offered by the Barnes show is given by educated animals. 1200 in number, the largest assemblage of educated animals ever presented. "The show that's different," is a term given by many prominent critics to the Al G. Barnes animal circus.

Just why the show is different can be understood when it is known that the program presented completely unsets the conventional in circuses, for the reason that the entire entertainment is given by highly educated animals of the rarest specie.

Unusual indeed are the wild animal acts. Tom, Jerry and Mac, horse riding African lions, are a remarkable example of wild animal education. Sampson, the largest lion in the famous challenge group of 30 African bred lions—twice this magnificent specimen of the king of beasts soared to the top of the tent, surrounded by shooting fire works. Seal and sea lions in marvelous feats of juggling, spritely women dancing in the den of lions, and putting ferocious leopards, jaguars and others of the cat tribe through astounding leaping, hoop jumping and horse-riding acts. Bears of many species and amusing circus acts, monkeys by the half hundred in trapeze and aerial work. Riding and driving ostriches, boxing kangaroos and by no means least monster pachyderms that move with pretty girls and act with tiny Shetland ponies. For the first time in the history of animal training, the public can see zebras, camels and llamas performing with rare skill.

Scenes From Barnes' Circus Parade

mother's farm, was here for a short time on business Wednesday and so was M. E. Shutt and John Meyers of several.

L. C. Charley and Gus Nichols, two of the prominent stock men of the Lake Creek country, motored thru our town headed for Jacksonville.

Carl F. Young of Portland, came out on the Eagle Point-Perist auto truck Thursday and took dinner at the Sunnyside, taking the 3:30 p. m. mail auto for Medford. He had been up to visit relatives. He had returned recently from service in France and was on his way to his old home in Portland where he was engaged in business when he enlisted.

Died, May 6th, 1919, at his home on Indian creek, near the Free Ferry, John Fisher, aged almost 83 years lacking from May 6 to May 19. He leaves two sons and a daughter to mourn his loss. Mr. Fisher was one of the veterans of the Civil war and has been living in the same section for several years. The remains were interred in the Trail cemetery on Thursday.

Mrs. H. D. McDonald of Trail, came out on the Medford-Eagle Point stage Friday morning and went on up home on the Eagle Point-Perist auto truck.

Miss Frances McCaslin of the A. Corbin orchard, was transacting business with our merchants Friday morning.

George Stevens, one of our sterling farmers and orchardists of the Wellen section, Thomas Stanley of Butte Falls, and W. C. Daley of Lake Creek were discussing the general interests of their respective communities Friday. They are three of our seeing and thinking citizens.

While here in talking over the different irrigation projects Mr. Daley referred to the work that has just been done on the new flume across Lake creek. It is 700 feet in length and the original flume was seven feet wide and four feet deep with an incline of a little over six feet, and in speaking of the new flume said that it is built of galvanized sheet steel and it has a crescent-shaped bottom and put together in such a way that the edges interlock and are pressed together so as to make them watertight, and has saved a fall of three feet in the seven hundred feet and now the water rushes thru like a mill race, thereby saving in the wastage on the old flume of enough water to

claim that that is better than taking medicine. They seem to think that they have the beauty spot of Jackson county.

W. J. Austin of Wellen, who has a farm on Antelope creek and is engaged in the goat business, came in from Medford this Saturday morning on the Harnish mail auto to take the auto stage for his home.

John Allen, wife and son Walter and Mr. Marlan of Derby, drove in this morning on their way to Medford. Mr. Allen is one of the pioneer stock men of the Big Butte country, having lived there since his boyhood days.

Charley A. Newstrom, wife and son were here for dinner today.

J. E. Reed of Wellen, was also a business caller today.

ANTIOCH ITEMS

Miss Mary Mee of Central Point, was out in Antioch Sunday and visited Mr. and Mrs. John Bigham.

Mr. and Mrs. T. Jones of Antioch motored to Medford Tuesday.

Mr. and Mrs. Frank Myers gave a party in honor of Miss Holmes, the Antioch school teacher, Tuesday night.

Mr. and Mrs. George Stacey and Mr. and Mrs. Henry Morgan of Beagle motored to Medford Wednesday.

Mr. Barber and son of Salem, and Mr. Boggs of Medford, were out in Antioch Tuesday and Wednesday looking after their property interests.

Mr. Pollard and P. Myers hauled their wool to market this week.

Mrs. Case is reported quite sick and Mrs. Oia Chapman is staying there this week.

Mrs. H. Shook and baby are staying at the Modoc ranch a few days this week to visit with her sister, Miss Taylor.

Miss Holmes, teacher of the Antioch school and Miss Johnson of the Mountain school closed their term of school Friday with a picnic at Antioch.

A number of families of Antioch and Beagle motored to Medford Saturday evening to attend the big doings there Saturday night.

Mr. and Mrs. Morrison, Mr. Bert Chapman and family and several families of Medford held a picnic on the river Sunday.

SAGE TEA DARKENS HAIR TO ANY SHADE

Don't Stay Gray! Here's an Old-time Recipe that Anybody can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Weyth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Weyth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Two Best Bargains in Southern Oregon

402 Acres—About 9 miles from Medford. About 250 acres in cultivation; fenced and cross fenced; two sets buildings, water piped in house from spring, about 120 acres in grain and hay; good school close, good out range for stock, all but about 50 acres good plow land. 1919 crop should bring around \$2500.
