

HOMING PIGEONS IN CASCADES TO REPORT ON FIRES

EUGENE, Ore., May 14.—Six pairs of homing pigeons were taken to each of the ranger stations in the Cascade national forest Sunday and will be trained to carry messages from the men who go out to fight fires to the different stations to which they are attached. The birds were taken to Oak Ridge, McKenzie bridge and Reserve, where the stations are located. The plan is to use these pigeons when a call for help to extinguish forest fires is urgent. The "fire chasers" will take them along in cages when looking for fires and if it is found that any of the fires needs a larger force of men to combat them the pigeons will be liberated with a message telling just how many men and what equipment is needed.

GLASS OF SALTS IF YOUR KIDNEYS HURT

But less meat if you feel Backsachy or have Bladder trouble—Salts fine for Kidneys.
Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then not fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

ANGLERS CLUB ASKS COMMISSION PROBE

PORTLAND, May 14.—Seven indictments against the state fish and game commission were contained in a resolution, passed today by the executive committee of the Multnomah Anglers' club, petitioning Governor Olcott to make an immediate probe of the administration of the commission. Generally, the resolution alleged, the affairs of the commission are in a state of "demoralization," and the reason given for asking an immediate investigation is that they are seriously impairing "the protection and development of one of the greatest resources of the state."
