

Local Briefs

There was quite a variety of weather today but mostly of a disagreeable nature. Short periods of mild sunshine alternated with showers, or rather little sprinkles, and the air blown by a slight wind felt colder than for days past. Fires were welcome in homes and business places. Altogether the weather seemed very unsettled altho the San Francisco bureau predicted probable showers for tonight and Saturday. This morning's early minimum temperature was 38 1/2 but the thermometer seemingly dropped a number of degrees after that.

Paper hanging, paper cleaning. C. F. Monnich, R. F. D. 2. 52

DIED.
LANGWELL—Nathaniel Langwell, well known pioneer of Jackson county and former member of the legislature from this county, died at the home of his daughter, Mrs. W. C. Hale at Grants Pass, Thursday, May 15, at the age of 88 years, four months and nine days. Another daughter, Mrs. Chas. F. Moore, spent

the winter and spring with him at the Hale home, and two sons, Arthur and Harry Langwell were with him during his last illness. Mrs. Jessie B. Foster, formerly of Medford, but who resides in Arizona, was also a daughter of Mr. Langwell.

The funeral services will be held at Jacksonville on Saturday under Masonic auspices.

All Choked Up With Catarrh? Why Continue Makeshift Treatment? Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. B, Atlanta, Ga.

Before The Advent Of Woman's Gladness

Women Who Know Take Precautions Against Suffering.

Before the arrival of the Stork, women for over half a century have learned the wisdom of giving nature a helping hand. Nausea, nervousness, bearing-down and stretching pains in the abdomen and smothered cries are entirely avoided by the use of Mother's Friend, according to the testimony of thousands of mothers who have used this time-honored remedy.

Mother's Friend lubricates the fine network of nerves beneath the skin, and by regular use during the period the muscles are made and kept soft and elastic. They can then expand gently and easily when baby is born and pain and danger at the crisis is naturally avoided.

Mother's Friend is a preparation of penetrating oils and other medicinal agents prepared especially for expectant mothers. It is for external use, is absolutely safe and should be used regularly during the entire period before baby comes.

Write to the Bradford Regulator Company, Dept. A, Lamar Building, Atlanta, Georgia, for an interesting Mother's Friend book, and obtain a bottle of Mother's Friend from the druggist. You will find it the greatest kind of help.

The winter and spring with him at the Hale home, and two sons, Arthur and Harry Langwell were with him during his last illness. Mrs. Jessie B. Foster, formerly of Medford, but who resides in Arizona, was also a daughter of Mr. Langwell.

The funeral services will be held at Jacksonville on Saturday under Masonic auspices.
