EAGLE POINT EAGLETS

By A. C. Howlett.

Last Saturday evening, May 17, Prof. Lincoln Savage, who has been the principal of the Butte Falls high school, and family came in to spend the night on their way to their home in Grants Pass.

There was a social dance here Saturday night and after the dance Mr. and Mrs. R. Reter of Medford and quite a number of our local young folk secured beds and breakfast at the Sunnyside.

Our Sunday school was fairly well attended and owing to unforeseen hindrances, in the way of attending regularly, Miss Winnifred Haak, our efficient superintendent tendered her resignation, but after talking her matter over she withdrew her application to be relieved of the duties of the office, and as Mrs. J. L. Robertson, who was recently elected as assistant superintendent finds it more convenient to attend the Reese creek Sunday school Mrs. John C. Robertson, her daughter-in-law, was elected in her place and now everything is going on nicely again.

By the time that I had reached home the guests began to arrive for dinner, among whom was George W. Nelson, wife and sons Donald and Herbert, Mrs. S. C. Ferguson and daughter, Miss Ferguson of Medford. Also Mr. and Mrs. C. E. Gates, Mr. and Mrs. George Gates, Misses Laura and Marie Gates, Wesley Judy, Carlton Martin and Margaret Mary Mann, Judge Wm. Colvig and son-in-law, W. J. Warner and family consisting of wife and three children. Gus the Tailor and wife of Medford, John W. Smith, wife and daughter of Wellen, Rob Harnish and Miss Bessie Nichols, Ray Harnish and wife, Orville Childreth and Zula Geppert and Mr. and Mrs. W. C. Clements.

Our Christian Endeavor society met at the usual hour with Mrs. Geo. Wamaley as leader, and at the close our president, Miss Pina Benedict, our primary teacher, gave us a very interesting lecture on the work of the Christian Endeavor society. She had been to Ashland on Friday afternoon and attended a lecture given by one of the members of the state Christian Endeavor society, and thereby gleaned quite a number of interesting facts. She spoke very encouragingly of the work of the society and of the bright prospects in the future. At the close of the lecture or talk she spoke of the time when her term of school will expire as the pleasant incidents during her stay among us and called attention to the fact that next Sunday will be the last Sunday that she expects to be with us, for some time at least, and specially requests that there will be a full attendance next Sunday night as at that time there will be an election to choose another person for president of the society.

Miss Olivia, you have the finest feet in the world. Percy you always were a jollier. That bird has taken a correspondence course in love making. Good night - I shall dream of your little toesies when I get home. Goodnight Percy, you old flatterer. He must have run out of chatter - suppose he'll go home and study some more on his correspondence lessons. What's comin' off here? I can't help it these new pumps are killing me!! You've been lettin' people kid you into believin' you've got small feet. Well maybe you think I haven't - I had those pumps on me for three hours, let's see you put 'em on for five minutes.

of the winter there. Mr. Wilkinson has such good health there and the high altitude seems to agree with him so well that he calls that his home, and he also can attend to their stock up there.

Mr. Steub, the mail carrier between here and Lake Creek, had a call to go to Medford Tuesday and Irvin Culbertson carried the mail in his stead.

Mrs. Cross, the Butte Falls hotel keeper, Mrs. Anna Corum and two daughters and Mrs. George Richardson, also of Butte Falls, came out Monday and went to Medford, returning the same day, stopped at the Sunnyside for supper and then went on up to their homes that night.

Sam Courtney was a business caller Tuesday on his way up the country to try to secure the job of painting a schoolhouse up the creek. Gus Nichols and wife were in town Tuesday and while here he was buying rope to make nets to use in hauling his hay. It takes a hundred feet of rope to a net using four nets to a load. He says that the best that he can do hauling hay on an ordinary hay rack and unloading it with a Jackson or harpoon fork is about eight loads a day, while with the nets he can haul sixteen loads a day and in addition to the speed there is no wastage as the nets take it clean from the wagon to the mow.

Mr. Marlon and family of Derby, were among the business callers Tuesday, and so was W. S. Chapman of Lake Creek. Also Sheriff Charles Terrill and his brother-in-law, Don Bradshaw. The last three took dinner at the Sunnyside.

J. H. Carlton and Mr. Welch of Wellen, were in town Tuesday, and Mr. Welch went on to Medford and so did Miss Allison Officer on the mail auto at 3:30 p. m.

Ed Morgan and family of Trail, were business callers the same day. Mr. and Mrs. Marsh Garrett of Lake Creek, passed thru here Tuesday on their way up to their present home on Lake creek. Mr. Garrett is one of our leading stockmen and in the fall he moves to Medford and then returns to his ranch in the spring.

Mrs. McCaslin whose husband is foreman on the A. Corbin orchard, went to Medford, returning Tuesday afternoon with Wm. Lewis, and he took her on up home that evening.

J. M. Willey, one of our big orchardists who went to California about two weeks ago, returned last week bringing his wife with him. They came in their auto that he left there last winter.

Ray Casey of Butte Falls came out Monday, went to Medford and Tuesday came out this far. He was looking for a job with a four-horse team. Mr. Homer Maris who is with a U. S. biological survey, has a crew of men out poisoning the digger squirrel on government land.

Dr. R. Patrick, W. L. Childreth, our blacksmith, Jeff Edler of Lake Creek, Mrs. Wm. Von der Hellen and her son Hugo (Boy), were diners at the Sunnyside today, Wednesday. Mrs. W. L. Childreth has gone to Salem to meet the grand lodge of the Rebekahs.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if kidneys feel like lead or bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torrid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

DOINGS OF THE DUFFS

Miss Olivia, you have the finest feet in the world. Percy you always were a jollier. That bird has taken a correspondence course in love making. Good night - I shall dream of your little toesies when I get home. Goodnight Percy, you old flatterer. He must have run out of chatter - suppose he'll go home and study some more on his correspondence lessons.

Salvation Army workers, who met a returning transport at St. John's, N. B., gave away hundreds of cans of tea, four barrels of biscuits and half a barrel of apples.

JOYFUL EATING
Unless your food is digested without the aftermath of painful acidity, the joy is taken out of both eating and living.
KI-MOIDS
are wonderful in their help to the stomach troubled with over-acidity. Pleasant to take—relief prompt and definite.
