WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N.J.—"For three years I suffered with a severe female trouble; was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper, and tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound—that is what makes me feel well and look well. I recommended it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills."—Mrs. MARTHA STANISLAWSKI, 524 Penn St., Perth Amboy, N.J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.
