BAD AUTO SMASH; DRIVER ARRESTED

As the result of an auto smashup this noon in which no one was hurt, but two cars were badly wrecked, a man who caused the accident and whose name was not known at the time of going to press was arrested by Chief of Police Timothy, and after having been questioned by County Prosecutor Roberts, was locked up on the charge of driving an automobile while intoxicated.

The accident occurred in West Sixth street, beside the Hotel Holland. A Maxwell car belonging to Mrs. Manning of Central Point was standing at the curb when the unknown in an Overland car came east on Sixth street at a fair rate of speed, and something went wrong with the steering gear of his car, as the machine lurched to one side and struck the Mrs. Manning's car.

While Chief Timothy was searching the man's car the driver sneaked a bottle of liquor from his pocket and laid it on the pavement. He was to have had his hearing late this afternoon before Judge Taylor.

KUBLI'S FAMOUS SWAT WON J'VILLE GAME

Mr. and Mrs. C. C. Kubli of Jacksonville were Portland visitors yesterday. Mr. Kubli is engaged in the stock business and is the third generation to reside on the original Kubli farm, says the Portland Journal of Sunday. "When his attention was called to this fact, he incidentally remarked that there was another generation growing up on the same place. He has three children. Mr. Kubli is a nephew of State Representative Kubli of Portland, who many years ago made a place for himself in the Jackson county hall of fame by breaking the tie score in the last half of the ninth inning when there were three men on bases and two men out by walloping a home run, thereby making the Jacksonville ball team victorious over the visiting Ashland nine. Those were the days when county seat fights entered into ball games as well as into politics. Both factions were well represented that particular day and excitement ran high. Incidentally it might be mentioned that there was a slight wager of \$900 up on the game. The celebration following this mighty swat is still talked about in Jacksonville, according to the visiting Mr. Kubli.

AMERICAN PASTOR JAILED BY JAPS FOR TRIVIAL CRIME

YUEN YANG, Korea, April 24. (Correspondence of the Associated Press.)—The full text of the indictment recently passed by the Yuen Yang district court on the Rev. E. M. Mowry, an American Presbyterian missionary, of Mansfield, Ohio, has been made public. Mr. Mowry was sentenced to six months penal servitude for sheltering Korean agitators. The indictment says:

"The accused, a pastor of the American Presbyterian mission and professor of the Soitsu college of Pvenk Yang, established by the Presbyterian mission, became friends of, and associated with, three Korean students of the said college and two other Korean students of the Soitsu middle school, also belonging to the American Presbyterian mission.

"On March 1, 1919, the above mentioned five students, in conspiracy with the Korean members of the Presbyterian church at Pvenk Yang supported the movement aiming at the independence of Korea, started by Heiki and his compatriots, who held a meeting of many Koreans, Christian believers and Korean students on the ground of the Soitsu school on March 1.

"They read a declaration of the independence of Korea and distributed among the assemblage old flags of the former Korean empire and copies of the said declaration. Moreover, they made speeches explaining the object of their movement, advocating the independence of Korea and they waved former Korean flags, shouting 'Mumsei' (Long live Korea).

"Then they proceeded through the streets of Pvenk Yang. The five students above mentioned who were being searched for by the police went to the house of the accused, Rev. Mowry, and requested him to give them a shelter at his house in the hope that there they would not be arrested by the police. The accused, knowing the fact that the students were being traced on account of their participation in the independence movement and the mob disturbance, complied with their request and gave shelter to them during March 5 and April 4, thus violating the law."

Mr. Mowry has appealed to higher courts and has retained the services of a well known Japanese lawyer.

LIGHT VOTE EXPECTED TUESDAY'S ELECTION

For tomorrow's state election the polls will be open from 8 a. m. until 8 p. m. Indications are for a light vote because of the little general interest because the rural voters are so busy now. According to County Clerk Florey, complete returns on the ballotting in this county should be in by 10 p. m., inasmuch as the ballot is a short one.

Mr. Florey has been encountering much trouble in filling vacancies on the election boards of the various precincts of the county, as every man asked to serve is so busy, and there may be trouble tomorrow because of incomplete election boards. However, Mr. Florey says it is to be hoped that every man appointed will realize his duty as a citizen and serve in his election precinct.

The Voting places are as follows: North Main, Smith's hall, N. Grane; South Main, 209 West Main; North Central, City Hall; South Central, Nash Grill; North Riverside, Lincoln school; Newtown, Washington school; Park, corner Orange and Main; North Medford, North Betty street; N. The Wonderful Call When Baby Comes

Like the Blast of Heavenly Trumpet When Call of Motherhood is Felt.

Of all the most vital times in a woman's life the coming of baby is fraught with the greatest meaning. Care should be exercised to insure that the crisis is passed in safety. An apprehension is avoided by the timely use of Mother's Friend, a preparation of penetrating oils and medicinal ingredients which renders the muscles, cords, tendons and ligaments pliable, and thus tension is avoided. The usual nervousness, nausea, bearing-down and stretching pains are counteracted and the period is one of calm repose.

The broad, flat abdominal muscles relax with ease, and when baby comes the time at the crisis is less and pain and danger is avoided.

Thousands of women for half a century have used this penetrating external application, prepared especially for expectant mothers, and every woman awaiting the crisis should give nature a helping hand. Write the Bristol Respiator Company, Dept. F, Lamar Building, Atlanta, Georgia, for their Motherhood Book, of great value to all women. It contains a bottle of Mother's Friend from the druggist and begins its application regularly night and morning.
