REESE CREEK RIPELTS

REESE CREEK, June 3. — S. H. Courtney, the painter, has painted Mr. Lewis's store in Eagle Point. The Misses Mina and Myrtle Minter are thinning fruit at the Willey orchard. Mr. and Mrs. Isbell have moved into their new house near the school. Mrs. Isbell is in poor health. J. Bertrand and A. Lancher have returned from San Francisco to their homestead. They had been in the city during the tailoring season working at the trade. Jim and Will Merritt have gone to Prospect to work on the highway. E. N. Deardorff and family visited at H. Watkins last week before going to their new home near Los Angeles. Mr. Deardorff was principal of the Eagle Point schools the past winter. They will be greatly missed.

EAGLE POINT EAGLETS

J. M. Schaffer of Prospect came in Wednesday evening and spent the night with us. He was on his way up home. Frank S. Glover of Portland was here Thursday visiting one of his old schoolmates, H. J. Devaney, oil-banker. Mr. Glover is one of the traveling insurance agents, having charge of quite a number of agencies, and Mr. Devaney is one of the sub-agents. He was expecting to meet his family in Medford Friday morning, so took a run down here from Portland to meet his wife and also meet an old time friend. When they began to talk about dinner Mr. Devaney brought him to the Shunyside. John Chambers of the F. L. D. company ranch and Fred Dunlap of Derby were also diners here Sunday. Robert Halla and Thomas Vestal of Reese creek and O. E. Johnson, who has been employed on the Willey orchard, were also here on business Thursday. Our school closed Wednesday afternoon and on Thursday they had a regular old time school and community picnic under the auspices of the Eagle Point Industrial club. There was the usual sports and the offering of prizes for the best performances. Among the exercises was foot racing, jumping, basket ball throwing, nail driving by the ladies, three-legged race, wheelbarrow race, pie eating contest, best club article and best club exhibit. There was quite a number of prizes offered. There was also some good speaking by visitors, among whom was our county school superintendent, G. W. Ager, Mr. Henderson of Central Point, and Mr. Hopson, who seems to be directly interested in the club work of the state. About noon they adjourned for dinner, and everyone who ever attended a picnic on Butte creek and partook of one of the picnic dinners such as the ladies of this section put up, knows it was fully up to date. The speaking was generally along the line of club work and some fine ideas were presented. The picnic was held in a grove near the W. B. Butter place on Little Butte creek and although the day was not so warm and pleasant as might be desired, still all hands seemed to enjoy themselves very much. It is with deep regret that we have to bid adieu to our two teachers, Professor Deardorff, the principal, and Miss Tina Benedict, our primary teacher, for while their work in the school has not been what they and the patrons of the school desired, still considering the difficulties under which they labored on account of the "flu," as they had to close the school twice on that account, and then right in the middle of the term had to change teachers Miss Florence Lonsley and installing a new teacher in the intermediate department, Miss Yosta Pennington of Albany, taking all this into the account we think that our school ac-

eraged up as well as most of the country schools. I am requested to tender the thanks of the teachers for the liberal donations offered in the way of prizes and the other assistance rendered, especially to those who furnished the autos to convey the children and teachers to and from the picnic grounds.

In speaking of the removal of our teachers, especially Professor Deardorff and Miss Benedict, they will not only be missed from the educational and social circles, but more especially from the Sunday school and Christian Endeavor society and Christian Endeavor society work, for while they have been a great help in the social life they have been very active in the Sunday school and Christian Endeavor society work.

Shorff Charles Terrell and Israel Patten of Butte Falls passed through here Friday morning on their way to Butte Falls with the Derby and Butte Falls ballot boxes. Charley Wheeden, one of the men on the Willey orchard, came in Friday morning to have his horse shod and found that it was Memorial day and that the blacksmith shop was closed.

Sam Courtney has finished putting on two coats of paint on the front of Frank Lewis's confectionery shop, greatly improving its appearance. I see that "Bill" Lewis, our jitney driver, has commenced to run to and from Medford twice a day, leaving here at 8:30 a. m. and 2:30 p. m., and that Mr. Haralsh, the mail carrier from here to Medford, has cut the price of passengers from \$1 for the round trip to 75 cents.

Friday we had Mr. and Mrs. Hamilton Watkins, Prof. and Mrs. Deardorff and son Frank, a stranger whose name I did not learn, Miss Myrtle Minter, Mr. and Mrs. J. H. McGee and three boys, Mrs. Wing and Mrs. H. E. McGee of Ashland here for dinner.

Mr. and Mrs. Joseph Goppert and his son, Horace, his daughter, Mrs. Leroy Casey and her two boys, and two younger brothers came out from their home near Butte Falls Friday morning and called at the Sunnyside and took in another member of the family, Miss Zula Goppert, and went to Jacksonville to take part in the Memorial exercises. On their return Miss Zula and Mrs. Casey and two boys remained at the Sunnyside and are still here this Saturday afternoon.

There was a general turnout of our citizens on Friday, some going to Medford, some to Central Point, and others to the Antelope cemetery to visit and decorate the graves of departed loved ones.

This Saturday morning, by special request, your correspondent went to Medford, and while going went on to Jacksonville, where the prospective groom, Robert E. Haralsh, and his father, Sam H. Haralsh, had gone to procure a license to unite in marriage the aforesaid Robert E. Haralsh and Miss Beattie Nichols. Returning shortly before noon to the Holland hotel, Medford, we met Mr. Clarence Robertson and Miss Fay Perry and the prospective bride, and at high noon your correspondent pronounced the words that united them as man and wife "until death do them part." While riding over the country I could not but notice the bountiful crops of grain and hay all along the route. I had heard so much complaining of the lack of moisture and how the crops were suffering for want of rain that I was agreeably

disappointed to see such a fine prospect for grain, especially wheat and corn; and so far as the alfalfa was concerned, the crop that has been cut is fully up to the standard. After dinner I visited or met quite a number of old time friends, and paid my respects to the Medford Mail Tribune office, where I had the pleasure of once more meeting our old editor, George Putnam. Shortly afterwards I met two of our neighbors, Mr. and Mrs. Fuller, and they invited me to ride home with them, which invitation I gladly accepted, and now am finishing up my Saturday letter to the Mail Tribune.

EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts before breakfast if your back hurts or bladder bothers you.

The American man and woman must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissue, log and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
