

100 QUARTS BOOZE ARRIVE WITH CAR OF CHEVROLETS

A new whisky smuggling wrinkle developed in Medford yesterday afternoon when two Southern Pacific inspectors and Roy Pruitt with several workmen examined a freight car of Chevrolet autos consigned to the Pruitt, Hiltson company of Medford by the Chevrolet factory in Oakland, Calif. and discovered therein seven gunny sacks filled with 100 quart bottles of whisky.

The car load of six automobiles arrived in the city some time during the night before and the seal of the door was found broken open. It is presumed that the whisky smugglers after the car was closed and sealed in Oakland broke it open enroute and put the whisky consignment in and closed the door again, expecting to pick up the whisky when the car stopped in Oregon. Speculation as to how the booze came into the car has been rife in town ever since it was discovered, but the solution is yet a mystery.

Anyhow Mr. Pruitt promptly called in Chief of Police Timothy and turned over the 100 quarts of whisky to the authorities, thereby incurring the everlasting enmity of the drinking fraternity of Medford. Some of our most ardent and persistent boozers are now trying to raise money to purchase a carload of Chevrolets, having no real use for the cars but a good use to put the stuff that is delivered with this make of auto, according to their way of reasoning.

PHOENIX SCHOOL NOTES

The school activities are over and the boys and girls have gone to the fields and orchards to help gather in the crops.

Nothing but good things are said about the school and its results. The people of Phoenix are sure loyal to the school. They made the play and the operetta a success by lending their presence and giving their money. Not one complaint has come during the school year.

The graduating exercises, Thursday evening, were rendered to a large audience. Students receiving diplomas were Leta Stevens, Lois Rice, Norman Anderson, Ruth Martin, Ester Miller and Janita Furry. Supt. Briscoe of Ashland made a splendid address; he showed by government statistics that it pays to get an education; he also spoke of the new education soon to be taken up by the schools throughout the United States.

Prof. Milam took this opportunity to present certificates to the eighth grade, who promised to be in the high school next year, after which he presented the diplomas to the senior class, stating that he hoped that they would all attend college next year.

Friday morning, Mr. Milam called the pupils together for memorial exercises. Mr. Milam spoke on the greater importance of memorial observance because of our boys who have given their lives on the fields of foreign lands; he spoke of the love of our land and flag; of the great responsibility of the public school teacher who must plant the seed of patriotism in the hearts of the foreign children and keep the fire burning in lives of all rising generations. The pupils had prepared reading and songs, which filled out the program. At the close a rising vote was extended to Mrs. Oliver, who had been in the school so long and was now leaving, for her great work among the pupils.

The alumni gave the senior class a reception Saturday evening. The invitation was clever and when the seniors were finally received into the alumni as full-fledged members they sure gave a sigh of relief.

Mr. Milam and Miss Homes, the high school teachers, were present and enjoyed the fun.

After a good social time and refreshments, the seniors went off as members of the alumni.

ONE MEASURE FAILS

(Continued from page one.)

voted; in Antioch there are 111 and 13 voted. The proportion varied from 15 to 30 percent.

The total votes in Medford and Ashland follow:

	Medford.	Ashland.
	Yes. No.	Yes. No.
6 percent Tax	287 139	131 153
Hospital	251 169	117 162
Irrigation	273 152	135 133
Bond amend't	247 178	118 162
Lieut. governor	212 211	119 154
Roosevelt high'y	292 157	173 124
Bond bill	234 189	108 180
Soldiers bill	297 137	200 111
Market roads	285 83	152 124

Country Districts Opposed

As will be seen in the above table Ashland voted against every measure excepting irrigation, Roosevelt highway, soldiers and sailors education and market roads.

The striking feature of the election in addition to the small vote cast was the strong anti sentiment in the distant country districts. In all these districts the measures were snowed under while in the more densely populated parts of the valley the affirmative vote was heavier. Outside of Medford and Ashland, however, the sentiment was generally against the entire program.

SALVATION ARMY LASSIES SAVED LIVES WITH "LEMO"

When the wiping out of the Soissons salient becomes a mere incident in the growing list of German victories that might have been there will probably be no more item better remembered by men who were wounded while on that little job than the item of lemonade.

One division in particular will thank the Salvation Army with pocket-books open for the carload of July yellow Italian fruit that happened to be near enough to Soissons and to Chateau-Thierry wounded available in the thick of things.

The Salvation Army had been looking forward to hot weather, drive or no drive, and they were getting ready to substitute real lemonade, with rinds and everything, for the old reliable chocolate or the doubtful pinard. The water supply was none too good and when a man is hot he wants something to drink as soon as he can get it.

So when the doughboys and the artillery and the signal corps began sending representatives back to visit the dressing-stations the Salvation Army came to the fore with those Italian lemons, beaucoup sugar and barrels of clean, cold water, which they brought up on a Ford delivery truck. Every Yank who got within range of that lemonade threw away his cigarette and made a dive for his tin cup.

The doctors say that a good many who couldn't walk and who couldn't make a dive for their share, are going to live and go back to the states because they got a drink that killed their fever when they needed it most. Lemonade is a lifesaver to wound-fevered men, and this particular lot turned some good tricks for the surgeons.

Another thing that was imported for use in the emergency was mosquito netting. When the need for protection against fleas was apparent at the evacuation hospitals and dressing stations the Salvation Army lassies sent to Paris and got all they could.

Then, too, the doughnut batteries more than scored on this latest strategic retreat of Fritz. Two little Salvation lassies fed twenty-eight lost, hungry doughboys in a bunch less than six hours after first starting their refreshment station. Battle smoke could not blot out the cheerful smell of frying, nor shell fire drive away the allure of the unctuous sinker.—Stars and Stripes.

KLAMATH FALLS MAN PRESIDENT GROUP 4 BANKS

Group Four of the Southern Oregon Bankers association at its annual meeting held here yesterday afternoon elected the following officers: Chairman, Leslie Rogers, cashier of the First National bank of Klamath Falls; vice president, George Lundberg, cashier of the First National bank of Grants Pass; secretary and treasurer, A. P. Apperson, assistant cashier of the First State and Savings bank of Klamath Falls.

About twenty bankers attended the meeting from Josephine, Klamath and Jackson counties. There were no representatives from Lane and Curry counties. Among those present in addition to the Medford bankers were Frank C. Bramwell and I. A. Roble of Grants Pass; George G. Eubank, J. W. McCoy, V. O. N. Smith, F. S. Engle and E. V. Carter of Ashland, J. O. Isaacson of Central Point and H. L. Devaney of Eagle Point.

ELECT OLD OFFICERS HOME TELEPHONE CO.

No changes were made in the directorate and officers at the annual meeting of the Home Telephone and Telegraph company of Southern Oregon held here yesterday. The following directors were re-elected: W. H. Gore, Medford, Oregon; W. J. Phillips, Portland, Ore.; C. P. Van Houtte, Eugene, Ore.; R. B. Hammond, Medford, Ore.; E. T. Charlton, San Francisco, Cal.

The re-elected officers are as follows: President, W. H. Gore. Vice-President, C. W. Van Houtte. Secretary-treasurer, R. B. Hammond. Manager, R. B. Hammond.

AN ENEMY OF WOMANHOOD

The completion, digestion and almost the complete personality of woman are dependent upon health. Woman's ill is her great enemy, as they cause bad complexion, dark circles under the eyes, headache, backache, nervousness, sleeplessness, dragging-down pains and the blues, and often totally unfit her for a companion. The great American remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which has been restoring three generations of ailing women to health, and may be relied upon with perfect confidence.—Adv.

SX MEN HAVE A NARROW ESCAPE AUTO SMASH-UP

One of most peculiar auto accidents that ever happened in this county and certainly a miraculous one in that no one was killed or seriously injured occurred last night on the Pacific highway in Phoenix.

Early in the evening Ross Small who had just purchased the second hand Buick six car formerly owned by Ed Lamport from the A. W. Walker company started away in the car with three other Ashland men including a Mr. Nixon, owner of the Star garage in the city, for Ashland. As they were speeding thru Phoenix Al Clements and Buster McClellan in the former's Hup bug came along the side road and turned into the highway when the big Buick car, which some claim was going at 50 miles an hour was upon them. The Buick struck the bug squarely amidships and climbed on it a-straddle. The force of the impact hurled both cars to one side of the road against the small frame building used as the city hall of Phoenix. The two Ashland men in the front seat of the Buick were hurled thru the windshield. It is certainly a miracle that the two men in the bug were not killed, but both escaped with minor cuts and bruises as did the men in the other car. They are residents of Eagle Point.

The spectacle of the telescoped cars, with the Buick astride the bug, was viewed and commented on with astonishment by the many people who were passing by in autos in both directions last night.

The bug was a complete wreck and the larger car was badly damaged.

A MEDFORD MAN'S EXPERIENCE

Can you doubt the evidence of this Medford citizen?

You can verify Medford endorsement.

Read this: Edwin J. White, farmer-dairyman, at 322 East Main street, says: "I was nearly laid up with an attack of lumbago. It came on without any warning and I thought my back was broken. I couldn't straighten up and went about all bent over. A friend advised me to take Doan's Kidney Pills, which I did, and soon I was able to get about. It required only one box to fix me up in fine shape and since then I have never had any trouble with my back and kidneys."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. White had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. —Adv.

DIED

AIKEN — Word was received at Prospect late yesterday of the death of Stanley Aiken, well known young man of Jackson county, and son of Mr. and Mrs. S. S. Aiken of Prospect and member of the 9th company

coast artillery, who died in the army hospital at Camp Fremont on July 3, from an illness contracted while in the camp. Further particulars are at present lacking.

Mr. Aiken was one of the first young men to enlist for the war in the Prospect district. He was 30 years old and had lived all his life in this county. The body will be shipped to Medford and will be met at the depot by an escort of soldiers and sailors. Funeral announcement later.

VIVIAN MARTIN, PEARL WHITE AT LIBERTY

Have you ever gone forth in an automobile with adog, a cat, and a shotgun, looking for a grandmother? That is what the heroine of "You Never Saw Such a Girl," a new Paramount photoplay, coming to the Liberty theatre today, undertakes to do. Vivian Martin has the leading role and really, it is said to be one of the most delightful and whimsical stories ever transferred to the screen.

Pearl White in 9th episode of The Lightning Raider is also shown.

"Surest Thing You Know," says the Good Judge

It's a cinch to get a real quality chew and save part of your tobacco money at the same time.

A small chew of this good tobacco gives real lasting satisfaction.
