

WILSON DECLARES 14 POINTS HAVEN'T BEEN DISREGARDED

PARIS, June 6.—(Havas.)—"I am convinced that our treaty project violates none of my principles."

PARIS, Wednesday, June 4.—(By Associated Press.)—Bessarabia, with a population of nearly 3,000,000 and an area larger than that of Denmark or Belgium, is making a vigorous effort to avoid absorption into Roumania and to secure the determination of its own future through a plebiscite.

PARIS, June 6.—An answer from Admiral Kolchak, head of the All-Russian government at Omsk, to the allied proposals has been received by the French foreign office.

PARIS, June 6.—When the council of four met this morning, Premier Orlando of Italy was absent. This led to the belief that the Adriatic question was again under consideration.

ST. GERMAIN, June 6.—Dr. Karl Renner, chancellor of German-Austria and head of that country's peace delegation, who with five colleagues has been at Verdun for a conference with Dr. Otto Bauer, the German-Austrian foreign minister, is expected to arrive here tomorrow.

GERMAN DELEGATES SUFFERING FROM ACHEs AND PAINS

BERLIN, May 23.—(Correspondence of Associated Press.)—Fearful nervousness and depression which manifest themselves in toothache, rheumatism, various other ailments and in sleeplessness are afflicting German delegates at Versailles, according to the correspondent of the Berlin Gazette, and which he whimsically terms "tropical madness."

The first to be affected was a surgeon who fell ill with a raging toothache and intense nervousness. Then a councillor attached to the delegation caught the strange malady and insisted on having a gramophone play during conferences he attended.

Many members of the delegation began to suffer pains in the back and joints, others from colic and the majority from headaches and sleeplessness. "The food," the correspondent says, "is getting on every one's nerves. They all feel like geese in a cage before being slaughtered. It is the wire enclosure that makes every one wild."

NEW GIANT COMBINE OF U. S. PACKERS

CHICAGO, June 6.—Full details of the merger of eight independent packing companies, announced in New York last night, will be given out about June 12, according to John A. Hawkins, who has resigned as a vice president of Wilson and company in order to head the new corporation.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If your Back is aching or Bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine.

Jad Salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active.

Price \$7.50. Reasonable terms if desired.
