SCHUMAN-HEINK CONCERT TONIGHT ONE OF A SERIES

ASHLAND, June 18.—Schumann-Heink tonight at Chautauqua auditorium. This concert will be the premier musical event which ever visited Ashland, and its financial success, already assured, is the harbinger of high grade musical attractions to follow. Already are the names of Galli-Curci, John McCormack and others being mentioned as prospective visitors here. Especially do people long to hear McCormack's ballads and patriotic songs of the war era. The Schumann-Heink company will appear locally under an absolute guaranty made weeks ago, and paid admissions indicate that the guaranty limit will be more than amply maintained, any excess being for the benefit of the chautauqua assembly, consequently there is no private speculation being made in the great singer's appearance here. Reserved seats are $1.00 and $1.50, plus the war tax. Doors open at 7:30, and concert begins promptly at 8:15. For good and sufficient reasons, children under four years of age will not be admitted.

On Monday night a company of intimate friends rushed with one accord into the parish house of Trinity Episcopal church and greeted Mr. and Mrs. Joseph Poor, newlyweds, the reception event being an unusually cordial one. Joe is one of the veteran locomotive engineers of the Southern Pacific, and for years has been located at these terminal headquarters. His disposition is as genial as his presence is familiar. Mrs. Poor is a sister-in-law of Mrs. Frank Foltz. In addition to the many friends who have personally extended congratulations, a host of others residing elsewhere will learn with pleasure of this marriage event and wish the participants many years of happiness and mutual helpfulness.

Earl, son of J. M. Ross of this city, who enlisted in the army service at Denver, Colo., has returned from France, having landed at an eastern port recently on his way homewards.

Mrs. J. Edw. Thornton has been elected secretary of the local Red Cross succeeding Miss Winifred Watson who has filled the office most acceptably since organization was perfected here.

Miss Mildred Lennart of Seattle, is a prospective visitor here with her grandmother, Mrs. Jennie Goodyear, and other relatives.

F. J. Shinn, who leaves the Commercial club secretaryship for the position of accountant with the Huber Construction Co., employed on Pacific Highway work, will have offices in the city hall block upstairs.

Preliminary to chautauqua, a Christian conference will be held in the parks, beginning July 14. Girls over 15 will be eligible to enrollment. The summer camp will be along lines of those established thruout the east. The course of study will include scripture research, missions, and Sunday school work, all on an interdenominational basis. "Tenting on the old camp grounds" will constitute the outing feature connected with the educational privileges afforded.

Teachers are reminded that the regular examination of applicants for state certificates will be held at Jacksonville, from June 25 to 28 inclusive.

Mrs. Jeff Howard of this city has a Plymouth Rock pullet which was hatched Feb. 7, 1919, and began laying on June 10, when a trifle over four months old. The eggs of this hatching were secured from Mrs. Elizabeth Yockey, who specializes in hardy poultry, and this chicken story might be continued by stating that during the past year Mrs. Yockey has cleared a net profit of $3.75 on each laying hen.

P. A. Getz, identified with the Ashland public schools, was in this city early in the week, accompanied by his wife, on the way from the family home in Portland to San Francisco to visit relatives. While here a reception was tendered in their honor by a number of mutual acquaintances of the olden days.

Mr. and Mrs. E. H. Bush have returned from Portland.

Z. A. Moody of this city, has received word of the death of his brother W. H. Moody, of Shaniko, June 15. Deceased was 59 years of age, and a son of the late Governor Z. F. Moody.

Mrs. Tower, of Klamath county in the vicinity of Keno, is staying awhile hereabouts for a period of rest. She is accompanied by a young daughter, stopping at the Potter rooming house. The bereaved mother mourns the loss of a son, who died in the military service some time since at Camp Lewis.

Karl Rose has sold his neat bungalow property, on upper Granite street, to Sam Holdt, a newcomer from Missouri. A coincidence relative to this transaction is that both buyer and seller are confirmed bachelors. In the meantime, however, the Beaver Realty Co., which made the transfer, will execute matrimonial warranty deeds in behalf of both parties, supplementary to usual papers.

H. O. Anderson, recently removed from Coquille to this vicinity, has purchased the Richard Beswick home place on Manzanita street, possession to be given immediately. The seller is also disposing of other Ashland property, and contemplates going to California.

Raymond Badger is home from O. A. C. at Corvallis for the summer vacation. Raymond's name should appear on the military honor roll at the Presbyterian church, inasmuch as he had enlisted and was under waiting orders when news of the armistice arrived.

Miss Minnie Poley has a clerical position as secretary to the superintendent of the Agricultural college of Oregon.

J. W. McCoy and V. O. N. Smith, of the First National and Citizens banks respectively, have returned from attendance at the convention of the Oregon State Bankers in Portland. The former returns as an official of the organization, having been elected its treasurer.

Mr. and Mrs. H. Elhart are visiting during the vacation season in the northern part of the state, with Portland as a center of attraction.

Charley Gillette, following in the footsteps of G. F. McConnell, his near neighbor, is making substantial improvements to his residence on High street.

Mrs. Jillson has relinquished the rental of the Vendome, her successor being Mrs. Dr. Webster.

T. H. May of the Wagner creek neighborhood, died in a Medford hospital on Monday. His remains are at Stock's undertaking rooms here awaiting funeral arrangements.

H. C. Sparr, having returned from Jacksonville, is now located on Hargadine street.

H. S. Palmerlee, of the Citizens bank, is on the summer list of vacationists.

PLOT TO ESTABLISH SOVIET IN CANADA

WINNIPEG, Man., June 18.—Officials examining the documents seized yesterday at the Winnipeg labor temple, after the arrest of ten strike leaders, announced today that a strike committee had been investigating the advisability of attempting to shut off all electrical power in Winnipeg.

Gedeon Robertso, the federal minister of labor, announced that other documents showed the strike leaders had acknowledged receipt of funds from persons alleged to be closely connected with a plot to establish a soviet government in Canada.

Mme. Schuman-Heink, Worlds Best Singer in Concert, Ashland Tonight

Mme. Schumann-Heink is shown above sewing American flag used by U. S. Marines in war.

The ever new Schumann-Heink is again touring the country filling auditoriums to capacity and delighting old admirers and winning thousands of new ones. The great diva has ever something new to offer. It is that wonderful quality that has of course made possible such a remarkable career. She is the marvel among singers and the acknowledged idol of all the people. Casting about in the scores of great artists who have visited America one is at a loss to name an equally great personage, and the reason is not difficult to define. It rests upon manifold gifts of Schumann-Heink. Gifts any one of which might easily win fame for whoever possessed it, are hers. There appears to be no predominant feature that has made the woman what she is; it is rather the combination of many rare and highly developed talents. Her operatic career, for instance, overshadowed that of any contralto in history; no voice has ever matched her own in the numberless shades and colors of expression; interpretation such as she gives to her songs is the standard by which most other singers are judged; the graces, wholesomeness and her entire stage demeanor have always challenged the admiration of the world. In short, she seems to star for the acme of each and everything that is finest in the art of song.

The noted singer appears in concert at Ashland tonight.

KEROSENE MEANS LESS WORK FOR THE HOUSEWIFE

No woman likes to be a household drudge. She wants time for ever so many other things than cooking and cleaning. By using kerosene instead of coal or wood much of the old time work and dirt is eliminated.

A clean, pure kerosene like the Standard Oil company's Pearl oil, assures the housewife a cool, clean kitchen the year round. All the drudgery of handling the heavy coal and ashes is done away with and there is no dust nor dirt nor odor. Unlike coal or wood, kerosene lights at the touch of a match, so that there is no waiting for the fire to come up.

Pearl oil is economical and can be readily procured everywhere. It is always the same high quality whether it is bought in 5-gallon cans or in bulk, although there is a saving by buying in bulk. It is easy to handle and gives all the convenience of gas. Being refined and re-refined by a special process the impurities have been removed and it burns up clean without smoke or odor.
