REESE CREEK RIPIETS

G. C. Griffin and family and Mrs. Mee were at Reese Creek Sunday morning, and at Laurel Hill in the afternoon. Mr. Griffin gave a wonderfully inspiring talk on "The Foundation and Building of God," at Reese creek in the morning, and he talked on Prayer in the afternoon at Laurel Hill.

Mr. and Mrs. Crandall and children, also Mr. and Mrs. Watkins attended Sunday school and preaching at Laurel Hill in the afternoon. J. Stille will preach at Reese creek Sunday, June 22, and Mr. Brittain the 29th. All are invited.

Reese creek expects to observe Children's day, July 6, a month late but on account of the program being delayed in coming it will be an all day meeting. Bring your lunch and come. Mr. Stille will also preach.

The commissioners that were elected or appointed by the different Sunday schools in this group, namely Eagle Point, Brownsboro, Derby, Laurel Hill and Reese creek, will meet at H. Watkins' Thursday evening, June 26, to consult and make arrangements for the annual group gathering. It is hoped two commissioners from each school will be present.

The annual school meeting was held Monday with not many present. Mr. Green Matthews was elected director for three years, and W. N. Crandall, clerk for one year. They also employed Miss Marie Myers of Medford, to teach the coming winter.

Laurel Hill elected Mr. Bert Clarence as director and Mrs. Clarence clerk. They employed their teacher that day also, Miss Josephine Coppas of Medford.

Mrs. Isabel is some better than she was last week.

Mrs. Sam Courtney has been suffering with neuralgia.

The plasterer is at Mr. W. E. Hammel's this week.

The farmers are mostly busy haying now.

SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush kidneys and neutralize irritating acids—Splendid for system.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.
