

'SLIM' CHAMBERLAIN FAMOUS GUN MAN TAKEN BY SHERIFF

"You'd a never gotten me if I'd been awake, for I've killed three men in my time and been shot myself," said Slim Chamberlain, well known Siskiyou county buckaroo and round-up performer, as he awakened late Tuesday afternoon at Siskiyou to find handcuffs on his hands, Sheriff Terrill smiling at him and Sheriff Calkins of Siskiyou county, Night Policeman Adams of Medford and Deputy Sheriff Glenn Terrill of Jackson county covering him with their revolvers. Slim was prepared for trouble for on searching him a Colt special automatic revolver was found on him.

Monday night Chamberlain and another man who is known as Ed, it is claimed broke into a saloon at Hornbrook and stole therefrom 10 cases of whiskey and a lot of canned goods. They hired a driver with an auto to haul the stolen plunder to the Oregon side of the Siskiyou, where they cached it near Cole station. They claimed to the driver that they had purchased the goods.

Next day when the driver heard of the burglary he tipped off to Sheriff Calkins about the two men having had him haul it away. The sheriff soon got track of the suspected burglars who had started for Oregon on horseback, and took up pursuit. He caught up with them after they had reached the Oregon side and passed them twice, but made no effort to arrest them, both because he lacked authority to do so in Oregon territory and as he did not think it wise to tackle them alone because of the reputation of Chamberlain as a bad man.

So he telephoned to Sheriff Terrill's office and the latter, his son Glen and Night Policeman Chas. Adams of Medford sped southward in an auto to apprehend the suspects. At Dollarhide they found the man known as Ed, who had come on with the two saddle horses, while Chamberlain had remained at Siskiyou station intending to board a train as he knew Sheriff Calkins was after him.

In the meantime Sheriff Calkins had joined the Oregon party of officials and they started at once for Siskiyou where after a cautious search in that vicinity they found Chamberlain lying beside a lumber pile fast asleep with one hand projecting in the air. While the others surrounded Chamberlain and pointed their guns at him Sheriff Terrill hurriedly slipped a pair of handcuffs on the sleeping man before he was fully awake. Sheriff Calkins then departed with his two prisoners for Yreka and the Oregon men returned home.

PRISCILLA DEAN AT PAGE TODAY ONLY

The entire Los Angeles police department aided Priscilla Dean in getting atmosphere for her role in "The Silk Lined Burglar," her newest crook melodrama, which comes to the Page theater today only.

The star entertained the police reporters of the Los Angeles dailies at dinner and they took her to the police station and city jail and gave her the benefit of their years of experience in writing of crime.

She was introduced to shop lifters, burglars and vagabonds and other offenders who were being detained for trial, but was disappointed not to find a real honest-to-goodness safe cracker in the bunch. There was none who could tell her exactly how nitro-glycerine "soun" was made, nor how long a fuse should be timed.

The play is based on Jack Bovie's story which appeared in the Red Book Magazine. In the supporting cast are Fred Kelsev, Sam Appel, Sam De Grasse, Lillian West, and Ashton.

A Lyon-Moran comedy and News completes the program.

LILA LEE in 'Puppy Love'
A Paramount Picture

LILA Lee's new photoplay, "Puppy Love," which is on view at the Liberty theater this week, is a delightfully sweet story, the development of which, recalls the days of youth, the springtime of love of most of us. Miss Lee has a charming role, which she portrays convincingly, and she is splendidly supported by

Charles Murray, the famous Irish comedian, and Harold Goodwin.

Don't fail to see the eleventh episode of the "Lightning Raider" with Pearl White.

Mr. Lew Matney, the master of strings, is the added attraction, in mandolin, guitar and banjo solos, also on the handsaw.

DR. WILLIAM A. CUSICK DIES AT SALEM HOME

SALEM, Ore., June 18.—Dr. William A. Cusick, pioneer Salem physician, died at his home here yesterday at the age of 82 years. He was a native of Illinois, coming to Oregon by immigrant train in 1853.

Dr. Cusick was a member of the legislature in 1885-86, and also was a member of the first faculty of the Willamette University medical school. He served for two years as an army surgeon and also served for a number of years as consulting physician at the state hospital. He was physician at the penitentiary for five years.

LEAGUE TO OUTLAW WAR (Continued from page one.)

ional law or under any agreement to demand that she refrain from that hellish purpose. We do not want this country or any other country to be again placed in such a position of impotency.

"The members of the league undertake to preserve the territorial integrity only against external aggression. A community of land owners, where there is no law to appeal to, may most properly unite to protect the land of each and every one against the avariciously inclined. It has been asserted and re-asserted in all the false attacks on this instrument that the United States would be compelled to help Great Britain preserve her domain against her own internal revolutions or rebellions. Nothing could be more false. It is only against external aggression that the league assures its protection.

"The members of the league agree to the reduction of national armaments. We have preached the reduction of armaments for years. Now, present to me, if you can, a better or a safer plan than that provided in this treaty, or else acknowledge

frankly that we never intended to conform our acts to our declarations."

Answering objections that Great Britain would have too many votes in the assembly, he continued:

"What would be the danger to us of having Canada, Australia and New Zealand, blood of our blood and bone of our bone, made members of the assembly? You gave black Haiti a vote, you give black Liberia a vote. But you deny the great, independent commonwealth of Canada the right to raise her voice."

Mr. McCumber also declared he personally would be opposed to leaving Germany out of the league fearing that action might lead to future divisions and jealousies.

Damp, Changing Weather Brings Its Toll of Sickness to Medford People.

Chilly, damp, changing weather is hard on the kidneys.

Even more irritating are colds, grip and pneumonia; They congest the kidneys; They bring backache and disordered kidney action.

For weak kidneys use a tested remedy. Medford people recommend Doan's Kidney Pills.

Mrs. J. H. Gustin, 521 S. Grape St., Medford, says: "I have been taking Doan's Kidney Pills whenever I have felt the need of a kidney medicine for several years and I have always received the most satisfactory results. My kidneys seem to be my weakest spot and every little cold or strain affects them and my back becomes weak and lame. After I have taken a couple of boxes of Doan's Kidney Pills, my kidneys become normal and in every way, I feel as well and strong as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gustin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.

VOTE ON SAME SCHOOL BUDGET TENTH OF JULY

The board of education met last night, reorganized, and unanimously decided to re-submit the same school tax budget, which was defeated at Monday's election, for approval of the voters of the district at a special election called on July 10th, from 2 to 7 p. m., at which time the members think the budget will be approved.

The urgent necessity of the adoption of this budget and the reasons for the increase over the budget of last year will be set forth fully to the voters between now and July 10 in a campaign of education to be conducted by the board. It will be shown that this budget cannot possibly be decreased without closing one or more of the school buildings. It was this lack of understanding of the public school situation, the board members say, that caused the defeat of the budget Monday.

H. C. Garnett, who was elected director of the board for the three years term at Monday's election, was sworn in last night and President W. E. Phipps, whose term expired, re-

tired as a member of the board. Dr. E. G. Riddell was elected as president of the board to succeed Mr. Phipps. The members of the board are as follows: H. C. Garnett, B. J. Palmer, Dr. E. H. Porter, E. H. Janney and Dr. Riddell.

Mr. Garnett whose large vote of Monday was chiefly due to his being given the support of the opponents of the budget, acted in unison with the other members last night and is heartily in favor of the adoption of the budget.

The Americans on this border have also changed their attitude toward the military authorities because of the expedition. At first the military was severely criticised.

When it became known that General Edwin had positive proof gathered by members of his staff that Villa men were deliberately shooting into El Paso, the criticism changed to commendation and many telegrams were sent to Washington praising the prompt action of the district commander.
