## WAR SERVICE FOR WOMEN REQUIRES HEALTH AND STRENGTH

When was there ever a time when women were doing so much for mankind—and when the health and strength of our women more vital to the very existence of our country. We can safely say Never. Their sacrifices, their industry, their courage, their patriotism is beautiful beyond words of description. But what of the poor one who wants to help but cannot because she is oppressed by some feminine disorder. To such we recommend with utmost confidence our successful old remedy and insert following a letter from one who proved its value.

**Lydia E. Pinkham's Vegetable Compound**

The reason this famous root and herb remedy was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition.
