

NAME MOUNTAIN IN BLACK HILLS TO HONOR TEDDY

NEW YORK, June 24.—Announcement was made today by the Roosevelt Memorial association that on July 4 the Black Hills Pioneers would honor the memory of the dead president by naming for him the highest peak in the Black Hills. Timed to take place during Homecoming Week for Deadwood and other Black Hills communities, this ceremony will be a manifestation of the affection which all the residents of that section of the country felt for Colonel Roosevelt.

"On that day," Captain Seth Bullock wrote to the Roosevelt Memorial association, "throughout the entire northwest the people will carry in their minds a thought of what the colonel was and what he represented in the life of this country."

The peak which is to be known as Mount Theodore Roosevelt is now known as Sheep Mountain or Round Top. It is a detached eminence with an elevation of 6000 feet, three miles from Deadwood, fifteen miles from Wyoming and thirty-five miles from the Montana state line. It is on the Black Hills Forest Reserve, and will be the center of a bird and game refuge also dedicated to the memory of the ex-president.

All that section of the country has been intimately associated with various periods in the life of Colonel Roosevelt. The peak which is to bear his name overlooks the foothills and valleys of the northern Black Hills where the colonel hunted buffalo. In sight from its summit are his cattle range and his trail to Deadwood, as well as sections of Wyoming and Montana where he trailed cattle in his cowboy days. Glimpses of the Belle Fourche, the Redwater and other streams flowing down the valleys attract the spectator. The peak and the territory around it are now embraced in the Belle Fourche irrigation project which Colonel Roosevelt advocated when president. This is making an arid prairie over into fertile farming country.

IRISH PIG EATS MSS. THEN TALKS

DUBLIN, June 12.—Dr. Douglas Hyde, professor of Irish in the National University of Ireland, has been delivering a series of lectures on Irish folk-lore at Alexandra college, Dublin, and has made many interesting new discoveries of literature dedicated to famous animals.

He showed that the ancient Irish were familiar with the transmigration of souls and that even in the last century some traces of the belief remained. In County Roscommon a poem was written a century or a century and a half ago telling of a pig which, having eaten an Irish manuscript, spoke and told the owner how he had been a great sinner among the Turks, fought at Auhrim against the Irish and been a hackler in France.

GERMAN OFFICERS ASK PROTECTION OF KAISER

LONDON, June 24.—News of the German government's agreement to sign the peace terms resulted in patriotic demonstrations throughout Germany, the Exchange Telegraph's Copenhagen correspondent reports.

In Berlin, Munich and other large cities processions formed and marched along the principal streets, the participants singing war songs and cheering the generals of the old empire.

The officers' association has asked the Dutch government not to deliver the former German emperor to the allies. A telegram from the association said: "We can protect the kaiser with our bodies, but we rely upon the generosity of the Dutch people."

CLAIM DIETZ WAS SUBSTITUTE BABY OF WHITE WOMAN

SPOKANE, Wash., June 24.—Testimony of alleged efforts of William H. (Lone Star) Dietz to convince government witnesses of the genuineness of his claim that he is "One Star," a Sioux Indian, was introduced by the government in closing its case in United States district court here today, in which Dietz is charged with false registration for the draft and with falsifying his questionnaire.

Sally Eaglehorse, who testified yesterday that she is the sister of "One Star" and denied that Dietz is her brother, denied on the witness stand today that she admitted to the defendant, after the close of yesterday's session of court, that he is her brother.

William White Brown, a Sioux Indian, testified on an attempt Dietz made after the adjournment of court yesterday to engage him in conversation in the Sioux tongue. He declared Dietz had been able to speak only one word of Sioux, that meaning "friend."

William Garnet, a half breed Sioux who is acting as interpreter for the government testified "One Star" left the Pine Ridge Indian reservation in 1886, at the age of 16, and that he never had seen Dietz there. Dietz was born, according to evidence introduced by the government, in 1884.

In his preliminary statement at the opening of the defense testimony today, Attorney Alex Winston of defense counsel, declared he would attempt to show that Dietz, an Indian baby only a few days old, had been substituted for the child born to Mrs. Leanna Howard Lewis, first wife of William Wallace Dietz, when her own child died at birth. Mrs. Lewis, who is in the city, was expected to be called as a witness for the defense later in the day.

EXPECT GERMANS TO SIGN TREATY 2 P. M. FRIDAY

PARIS, June 24.—The German delegation which will sign the peace treaty will arrive at Versailles Friday morning, the French foreign office has been informed. It is thought probable in French circles that the signing of the treaty will take place at 2 o'clock Friday afternoon.

COBLENZ Monday, June 23.—Marshal Foch, the allied commander-in-chief, heard the news of the vote adopted by the German national assembly Sunday in favor of accepting the peace terms at his advanced headquarters at Kreuznach, in the French area of occupation. The marshal visited Mayence Sunday and conferred with his generals regarding final plans for the march into Germany.

FOREST FIRE THREATENS TO DESTROY CANADIAN CITY

FERNIE, B. C., June 24.—Word reached here today that most of the residents of Natal, B. C., were taken from the town in a special train of box cars early Sunday when threatening forest fires appeared about to sweep the place. A volunteer fire crew, which remained in town, extinguished the blaze until the fire in the immediate vicinity had spent itself. The residents of Natal spent all day Saturday fighting the fires.

ST. SOPHIA FAMOUS TURK MOSQUE TO BECOME CHRISTIAN

CONSTANTINOPLE, June 10.—(By Mail.)—The faithful Turk does not visit the great Mosque of St. Sophia as frequently as he used to for he considers it a foregone conclusion that St. Sophia will become a Christian church as it was in the fifth and sixth centuries. One can always have an argument in Constantinople over the question whether the church will revert to the Greek orthodox or Roman Catholic communion.

Christian architects already have visited the mosque and are making their plans for the transformation of the church when it is taken from the Turks. The faint mosaic of Christ above the Mirab, which has been almost invisible for centuries, will be renewed and the mosaics of the apostles under the small dome in the north end of the church also will be restored. Turkish inscriptions of all sorts will be torn down and replaced by Christian symbols.

The devil's face in the marble facings under the big dome and the alleged impression in stone of the hand of "Memet, the Conqueror," also will be retained as a reminder of the tenth of May, 1453, when Memet climbed upon a heap of Christian corpses in the church Constantine built and smote the wall with his hand still bloody from the bodies of the Christian slain.

An aged Englishman who has lived in Constantinople for 30 years predicts trouble when the Christians take over St. Sophia.

"I am going to stay at home that day," he says. "Dozens of people will be suffocated in the crush and then, you know, the Turks have not been disarmed since the armistice. There will be bloodshed that day."

There is a possibility that the conversion of St. Sophia for Christian worship may meet with some opposition from Great Britain. At present there are many Indian troops in Constantinople and if St. Sophia should be taken from the Moslems it is feared that dissatisfaction among them might eventually have its echo in India and other parts of Islam.

ALLIES WORRIED ABOUT RETURN OF SIBERIAN ARMY

PARIS, June 23.—(By Associated Press.) The transfer of 60,000 to 70,000 Czech-Slovak troops to their homes from Siberia is now becoming a pressing problem for the entente. These soldiers, exhausted by years of fighting, are so eager to return to their newly-formed republic that their usefulness in Siberia is questionable. Some of their regiments have become infected with Bolshevism and a general spread of red ideas is feared if the men are kept from their homes another winter.

The problem of transporting the Czechs via Vladivostok and the Mediterranean is a difficult one. It has been suggested that they might be sent westward over the trans-Siberian line and given an opportunity to fight their way thru the Bolsheviks in Russia. Military experts on allied staffs are apparently confident the Czechs could cross Russia if provided with supplies and given permission to make their way westward to their homeland.

SERBIA IS FLOODED WITH GERMANS AND FRIENDLY TO THEM

BELGRADE, June 10.—(By Mail.)—The German and Austrian peaceful infiltration of Serbia has begun. The hotels of this city harbor guests whose identity is revealed by their heavy Teutonic cast of features. They talk in German and laugh loudly over their beer. Indeed if one does not speak German in Belgrade one sometimes finds himself misunderstood. The waiters do not know English or French in the majority of cases.

"My friends in Basle told me I would be mobbed in Belgrade if I spoke German there," declared a self styled Swiss salesman. "However, I found that when I spoke Italian I was treated with disrespect, that when I spoke French I was ignored and when I spoke English I was smilingly but politely told, in German, that I could be best served by speaking the tongue I know best."

Serbia from one end of the country to the other has been flooded with cheap Austrian and German goods. How they got in one cannot learn but every shop window in the villages from Uskub to Semendria contains cheap mirrors, toilet articles, knives and gimcracks of every description "Made in Austria." Many of the articles are backed with colored pictures under celluloid of the former Austrian and German emperors in all their regalia. There seems to be little Austrian goods among the peasants and village dwellers of Serbia.

The Serbian hates the Bulgarian as venomously as ever but he does not sing a morning hymn of hate against Germany or Austria. The country is flooded with pictures of atrocities committed by Bulgarians upon Serbians. The former Emperor Charles' picture still adorns the local police headquarters.
