

KOREAN GIRLS OF HAWAII ASK AID TO SAVE NATION

HONOLULU, T. H.—(By Mail.)—Declaring that the life of a nation and Christianity in Korea are at stake, the Korean Girls' League of Hawaii has addressed hundreds of letters to women's societies in the United States, England and France, asking for sympathy and praying for support in obtaining the liberation of Korea from Japan.

One of the letters, sent to Mrs. Woodrow Wilson at Paris, was written and signed by Miss Soomee Choy, 19-year-old school girl and president of the Korean Girls' League. This letter declared that Korea, a nation with a history covering 43 centuries, is now facing a critical situation, having declared its independence, which has been denied by Japan. Charges were made that Japanese officials have forced Koreans to worship the picture of the Japanese emperor and Buddha, while the Koreans are struggling toward the light of Christianity.

The brutalities of the Germans and the massacres of the Armenians by the Turks were no worse, than the measures taken by the Japanese against the Koreans, Miss Choy told Mrs. Wilson.

"Soldiers have cut off the hands of school girls for holding up manifestos, women have been stripped, beaten in the streets and then imprisoned and further tortured," the letter declared. "Bible students in Peveng Yang have been forced to carry crosses as their Master did, and have been stripped and dragged through the streets and highways."

"Like Germany, Japan believes that might makes right." Will not the peace conference in France free this oppressed nation from the Prussians of the Orient? Oh God! sympathize with the helpless and innocent nation of twenty million souls, who stand firmly for Christianity and freedom, although many have already been massacred in cold blood."

The letters addressed to women of England closed with an appeal to write to members of parliament to intercede for Korea.

EAGLE POINT EAGLETS

By A. C. Howlett

Saturday evening after I had written my letter for the Mail Tribune, Corbett Smith of Butte Falls, arrived in our town on business with Roy Ashpole. The same evening there was a dance at Trail and quite a number of our young men and ladies took advantage of the opportunity and went up and the next morning when I had got thru noting who was here I found that William Welch of Talent and Miss Hilda Abbott of Butte Falls, had just come in for breakfast and that Wm. Coy, Frank Hazelton, Jap Pitzer and Mrs. Wm. Hazelton had come in for beds and breakfast. They reported that they had a very pleasant time at the dance and that there was a good attendance.

Our Sunday school and C. E. society was not as well attended Sunday morning and evening was not as well attended as they have been. Last Sunday, owing to several causes the principal one being a lack of interest on the part of the parents, and a desire on the part of the young folks between the ages of 15 and 20 years especially, if they can, take a ride out in the country or go to some pleasure resort. But we are hoping that as the summer advances toward fall and the weather becomes cooler that the interest will revive and our classes will be filled again.

Among the guests at the Sunny-side Sunday were Mr. and Mrs. Geo. A. Bohner and daughter, and E. W. Gebhart of Jacksonville, Mrs. W. H. Coombs of Yukon, Alaska, Mrs. Emma Cook, Miss Violet Cook of Medford, Albert Clements, Miss Emma McCaslin, Eagle Point, Mr. E. Britt, Jacksonville, and his friends, F. E. Edwards, San Francisco, Col. W. H. Hamilton, Mrs. R. G. Brown, Mr. and Mrs. E. N. Vilas and daughter Miss Eugenia, Mr. and Mrs. J. H. Jacobs of Medford, Walter C. Clements and wife, J. H. McGee and three sons, Raymon, Vernon and Everett, Mrs. H. E. McGee and Mrs. S. C. Wing of Medford, Mr. and Mrs. Geo. Launspach, Misses Margaret and Ruth Launspach of Jacksonville, Clarence Robinson and Miss Fay Perry, W. S. Chappell, the man who has opened up a shoe repairing shop in our town, Mr. and Mrs. C. E. Gates, Miss Gardie Gates, Miss Laura Gates, J. W. Judy and Carlton Martin of Medford.

Monday morning Mrs. Fred Owens of San Diego, came out on the stage and took the Persist stage for the that place where she will visit Mrs. A. V. Moore who is living up there with her two sons, Mrs. Anna Corum and two daughters and Lew Smith, all of Butte Falls, were also on the Butte Falls stage.

While talking with Mr. Smith about the prospects of the P. & E., starting up he seemed to be quite optimistic as he said that there was a gang of men at Butte Falls who were cutting wood for the Medford and valley market and that it was the calculation when he left home Saturday to have the men commence cutting sawlogs Monday morning. "Saws tell which way the wind blows."

Lee Farlow of Lake Creek, and

Dick Bessie, the veteran stage driver of Jackson county, passed thru our town Monday on their way up to the Lake Creek country.

Ben Brophy, wife and her mother, Mrs. T. E. Nichols, motored to Medford Monday.

There have been some changes in real estate in this neighborhood since my last report. Wig Jack has sold his farm to a man but I did not learn his name. I understand that he is a brother-in-law of Ed Condon. Consideration right around \$12,000, and that Wig has bought the F. M. Stewart property here in town; also a twenty-one acre tract of orchard land in the northern part of our town of W. Hart Hamilton.

Bert Clarno and one of the Bergsman boys passed thru here Monday with a second-hand hay baler that Mr. Clarno had bought over in the valley. He has more hay than he can store away so is going to bale up about ten tons.

Harry Clingade and wife of Sacramento, Cal., son of our townsman David Clingade, arrived here Sunday and was smiling on his friends Monday in our town. He is here visiting his parents, Mr. and Mrs. Clingade, and brothers Thomas and Charles.

The family of our new banker, H. J. Devaney, arrived last Monday and they have gone to housekeeping in the home he purchased of J. V. McIntyre, and his friends are congratulating them on their arrival.

Mrs. W. G. Knighton who has been in one of the hospitals in Medford for the past week or more, returned home Monday to remain for a few days.

Wm. Beale of Butte Falls, was a passenger on Tuesday's stage.

Mrs. Wm. Holman of Lake Creek, was here Tuesday morning on business.

Mrs. Hart was transacting business here Tuesday and so was W. C. Butler.

Mr. and Mrs. Silas, Mrs. W. W. Parker, Rev. and Mrs. Day of Butte Falls, were here Tuesday morning on their way to Medford. Rev. Day tells me that the young man of whom I made mention a short time ago as coming out from the east to take charge of the work for the Presbyterians in Butte Falls, has arrived and taken charge of the work.

J. C. Brown, manager of the Earl Fruit company of Medford, was here for dinner Tuesday and so was F. S. Elliott, vice president of the S. P. railway and A. J. Witchel, chief engineer of S. P. & S. railway and George W. Neilson and Charles Vaughn, head section foreman of the P. & E. railroad, of Medford, and the four men had been riding over the road on an inspection tour. Mrs. Thomas Jones of Portland, was also here and remained over night taking the Butte Falls stage for Butte Falls to visit her sister, Mrs. Carl Cobleigh, Frank Hazelton and his sister-in-law, Mrs. Ethel Hazelton, Al Clements, Thomas Farlow and Wm. Nickel of Lake Creek, and Jack Florey, were also here for dinner Tuesday.

Joe Hoskins passed thru here Tuesday with a team on his way to Applegate to take another load of his mill up to Indian creek.

A. J. Florey, our veteran postmaster, who has been confined to his home the most of the time for months, has gone to Jacksonville to visit his son, Chauncey, our county clerk.

Mrs. Wm. Von der Hellen went to Union creek where her husband is helping to "boss" the job of clearing and grading the Crater Lake highway Monday night, returning Tuesday morning.

Miss Katie Johnson who went to Butte Falls a few days ago, returned Tuesday to Medford.

J. S. Quackenbush who owns a farm on the north edge of Big Stickey, was in town Tuesday and so was Geo. Givens, one of our hustling farmers and stockmen.

W. H. Mar is the superintendent of the gang of men who are distributing squirrel poison, called Tuesday evening at 7:45 for supper and then had to go to Rogue River (town) that night.

John Griever, the pioneer road builder of Prospect, came this Wednesday morning on the Butte Falls stage and so did H. E. Weed of Derby.

Joyce Von der Hellen, daughter of our hardware merchant, has a fawn that was caught by some of the men on the Crater Lake highway works.

Mr. and Mrs. L. P. Chandler of Grants Pass, passed thru here this morning on their way to the McAllister soda springs above here. They had a trailer attached to the buggy arranged so that they could eat, drink and sleep in it—a nice arrangement.

H. M. Henderson of Oshkosh, Wis., J. J. Skinner, the electric light man of the Cal.-Ore. power company, Claud Gaines of Medford, and Mr. Ottoman, also of Medford, were here for dinner today.

Sees Her First Well Day in 22 Years, She Says

"I am so grateful for the good Tanlac has done me I consider it a privilege to make a public statement so that other sufferers may learn how I was relieved of nearly a lifetime of suffering," said Mrs. J. D. Altenburg, wife of a well-known stone finisher, 4213 Simpson street, Dallas, Texas, recently.

"When you consider that I have been a sick woman these twenty-two years," she continued, "it seems hard to believe that I have been relieved in less than three months, and any medicine that would do that should be praised the world over. Twenty-two years ago, when I was a sixteen year old girl, I had a severe attack of typhoid fever that left me with a serious stomach trouble that has made life miserable ever since. My food lay in my stomach like lead and wouldn't digest. I suffered from terrible headaches and had a feeling of weakness—a sort of sinking away hard to describe. My nerves were shattered and at times I couldn't bear to have anybody in my sight, anyone speaking to me or just moving about the room would irritate me so I'd almost break down and cry. Not a single week passed in all that time that I wasn't sick in bed and often I was totally unfit to do a thing. I fell off until I was dreadfully thin, and about the first of this year I was so weak and run-down my condition was truly pitiable and I could look forward to nothing but a life time of misery and disappointment. I was forever trying all sorts of medicines in the hope of finding one that would give me the blessing of health, but nothing did me any good till I started on Tanlac.

"It was about the first of April that I began taking Tanlac, and in a little while I felt I was getting better, I gained in strength and weight, and my friends could see it in my face and soon they began to tell me how much better I was looking, and, really, I haven't felt so well as I do now in fifteen years. I have felt no discomfort since I began taking Tanlac and very seldom have a headache, my stomach has toned up and I digest my food with ease and I have gained all of eight pounds. I am getting stronger all the time and I can now do many kinds of work that I haven't been able to do in years. My improvement has been the talk of the neighborhood and I believe that Tanlac is one of the greatest blessings I ever had, for I feel that I am going to be a well woman for the first time in more than twenty years."

Tanlac is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Bowers, in Central Point by Miss M. A. Mae, in Ashland by East Side Pharmacy, in Eagle Point by Von der Hellen.
