

GETTING FIGHT FANS TO ARENA A BIG PROBLEM

TOLEDO, O., June 30.—To carry 60,000 impatient fight fans from the heart of Toledo to Tex Rickard's 150,000 arena four miles away in five hours is the problem which will face traction officials and taxicab companies when Jess Willard and Jack Dempsey meet in their championship contest here July 4.

The chief medium of transportation to Bay View park, the site of the arena, will be street cars. Fortunately the city has a double track from the heart of the city to the park, and, by running cars out on one track and returning on the other, can move approximately 15,000 persons an hour. To accomplish this, it will be necessary to tap other city lines for additional equipment.

Automobiles of various sorts will give street cars a close race in moving the crowds. In addition to the regular taxicab service, every automobile truck will go into service for the day, and hundreds of solid citizens will hang a "For Rent" sign on the family car.

Prices for the trips to and from the arena have not been established, but it is assured there will be no seats in automobiles bringing less than one dollar for the one way ride.

Those coming to the contest in special trains will be within walking distance of their seats. Railroad officials have arranged to park hundreds of sleeping cars in the switch yards along the Maumee river, only a few minutes walk from Bay View park. This will relieve the transportation problem by several thousands.

The gates of the huge arena will be thrown open at 9 o'clock on the morning of the contest, but Willard and Dempsey will not climb into the ring until 2 o'clock that afternoon. It is safe to say that approximately half the crowd will be seated early as the first preliminaries will be started at 10 o'clock and the more eager of the fans will demand to be in the monster wooden structure to see the first gloves fly.

Toledo itself doubtless will send from 10,000 to 20,000 citizens to the arena, and, if the day is not too hot, these will cover the distance on foot, provided they have no automobiles. For Burning Eczema

Greasy salves and ointments should not be applied if good clean skin is wanted. From any druggist for 35c, or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clear, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

Serbs and Italians Clash

PARIS, June 30.—Serbian and Italian troops have clashed near Dizza, according to unofficial reports received here today.

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of incalculable material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels.

From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, indigestion, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quart of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

At our recent school election Dick Straus was elected director in S. B. Stoner's place and H. J. Pelton was re-elected clerk. Consolidation carried unanimously; it also carried in the Chaparral district but lost by one vote in Pankey.

Nate Milkowski who was employed thinning fruit for O. T. Wilson, happened to a serious accident Friday when he fell from a ladder and fractured the large bone of his left forearm. He was hastily conveyed to Dr. Chisholm who set his arm and made him much more comfortable.

W. A. Tresham is being visited by his old boyhood friends, Mr. and Mrs. England of eastern Nebraska. Mr. England may make his future home in this valley.

A baby girl was born Tuesday morning to Mr. and Mrs. O. V. Fair at the McKinnis home.

Will Monogue who recently returned from France visited Monday and Tuesday with his cousin, Mrs. D. C. Wilson, being enroute from Portland to Weed, Cal.

Miss Gladys Pelton, who has been attending school from the Nau home in Portland recently returned home accompanied by her friend, Miss Herline Nau who will spend her vacation at the Pelton.

Mrs. Jesse Tresham who has been quite ill is improving rapidly.

Mrs. W. C. Kenney visited Wednesday and Thursday in Central Point and Medford.

The young Milkowski who was recently killed with his friend in an airplane in Portland, was a nephew of Mr. Milkowski of this place.

Mrs. C. E. Wilhite who underwent an operation in the Dow hospital is recovering nicely.

Wm. Bigham and wife are now located in the Strathern home.

An interesting stereoscopic Bible show was given at the Wilhite hall Saturday evening by Mr. Griffin, our union Sunday school missionary.

While Mr. Griffin was with our Sunday school Sunday a group gathering was planned for some time in the future.
