EAGLE POINT EAGLETS

By A. C. Howlett.

D. J. Steiner and Wm. Smith who are living on the Medford-Central Point road and R. J. Steikel of Portland, were here for late dinner Wednesday afternoon. Mr. Steihl was on his way up on the headwaters of Reese creek to look at a place that is for sale. John Seller, formerly of Butte Falls but now of Medford, and Thomas F. Nichols and Ed Hensley were also here and took supper and Ed Hensley commenced boarding here again.

January 1st was one of those lovely days such as we often have in southern Oregon, and almost every one either went to Medford or stayed at home and enjoyed New Year's dinner at home altho J. B. Jackson and wife and Harry Young and wife came in and took dinner at the Sunnyside.

Chauncey Florey, our popular county clerk and family and his brother-in-law, Mr. Raymond Reter and family came out and took dinner with his father, A. J. Florey, Sr.

Carl Childreth, a son of Henry Childreth of Ashland, Lester Abbott and wife, Mr. Vernon Jones and Miss Bernice Edmondson of Butte Falls, came in and spent the night and all went on to Medford the next morning.

M. Heckenberg and Charles Chrear came out on the Butte Falls stage. Mr. Heckenberg went out to Hamilton Watkins' and Mr. Chrear went on up to Trail on the stage. And Wm. Chambers' little girl, a little tot, came out on the stage and went on up to her home at Butte Falls. Wm. Heckathorn also went up to Trail on the Persist stage.

There was a meeting of the directors of the First State bank of Eagle Point here on December 21st, when all of the directors of the bank were present except two and held their annual election, re-electing all of the old officers and elected Miss Hazel Brown as assistant cashier. Miss Hazel has been acting in that capacity for some time past, but only by appointment, but now is the regular elected assistant.

On account of her mother's condition, just recovering from the effects of an operation, Miss Hazel is staying at home, caring for her mother at present, and S. B. Holmes is acting as assistant cashier in her place.

All of the directors of the bank, at the annual meeting expressed themselves as in favor of increasing the capital stock on account of the increase in business and the future prospect. There has been a very material increase in the business in the bank as under the management of J. V. McIntyre one person did about all the work, whereas now under the management of Mr. H. J. Devaney the present cashier, the business has increased to such an extent that it requires an assistant cashier.

Miss Elizabeth Devaney, a sister of our banker, who is teaching in the high school of Cottage Grove, has been here visiting her brother, H. J. Devaney during the holidays, left on New Year's day for Cottage Grove.

A. C. Spence, the efficient road supervisor of the Brownsboro road district, was doing business here Friday.

Hamilton Watkins and wife came in Friday morning. Mrs. Watkins is engaged taking the census in this neighborhood.

Robert Merritt and his sister, Miss Maud, were among the business callers Friday.

Mrs. W. E. Hammel and her sister, Mrs. Sam Courtney called at the Sunnyside Friday afternoon and took the stage for Medford.

Mrs. R. Hollo also made a business call Friday, settling up her business preparatory to starting for Idaho to visit her father who said said to be in poor health. She thinks of remaining there and caring for him for an indefinite length of time.

James Riley, formerly of this neighborhood, but more recently of Talent, was a guest at the Sunnyside Friday night.

J. R. Clark of Butte Falls, Walter Bradshaw of Brewster, Wash., one of the fruitmen of that section, W. E. Walker of Standard Oil Co., Medford, and Ernest Peachy of Ashland, one of the timber cruisers, and two strangers were here for dinner Saturday, and later in the day H. H. Williams of Medford at present but formerly of Idaho, and Wm. C. Pierce, machinist for Hubbard Bros., of Medford, called for dinner.

Eli Dahack, one of the principal advocates and boosters for the project to bring water from Big Butte into the valley, was in town Saturday. There seems to be some considerable trouble over the project as there appears to be considerable misunderstanding as to the question of the elimination of the land unfit for irrigation or inaccessible to the water, and then there is an element among the farmers who seem to want the water brought in but are fearful of the title to the water right, and I would suggest that some one who is versed on the subject write a concise statement of the facts with regard to the claim of the O. & C. Power company's right to the water in Rogue river, and its tributaries as it is claimed by a number that the aforesaid company holds a title to all of the water in said river and its tributaries and if the company hold that title to the water, etc., it is a matter of record and if the title has been tested in the courts that also is a matter of record. In order to enable the voters to vote intelligently on the subject if some one would write an article covering these points and publish it in the Mail Tribune, the most of the voters would understand how to vote on the subject a week from next Saturday, Jan. 17, 1920.

Owing to Thursday being a holiday the creamery men laid off and took a rest and did not come here until Saturday for the cream.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box

LADIES! SECRET TO DARKEN GRAY HAIR

Bring Back its Color and Lustre with Grandma's Sage Tea Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

DRINK MORE WATER IF KIDNEYS BOTHER

Eat less meat and take Salts for Backache or Bladder trouble—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
