WORTH ITS WEIGHT IN GOLD, ASSERTS HENRY S. HOWARD

"I've gained fourteen pounds in six weeks taking Taniae and now I'm a well man," said Henry S. Howard, a well-known farmer and stock raiser of King Hill, Idaho.

"I had suffered from rheumatism and indigestion twelve years," he continued, "and could hardly eat a thing because everything went against me and I had no appetite. Every joint in me was swollen with rheumatism and I was in such a bad fix I couldn't work and had to use a walking stick to get along. The first bottle of Taniae made a great change in my condition, my rheumatism soon left me and I threw my stick aside, for now I can walk as well as anybody."

"And eat—why, I just can't get enough and I feel like I could do as much work as I ever could. Taniae is worth its weight in gold, and I have convinced me that there's at least one medicine that will do what they say it will and I want to do my part in letting everybody know about it."

Taniae is sold in Medford by West Side Pharmacy, in Gold Hill by M. D. Ewers, in Central Point by Miss M. A. Mee, in Ashland by East Side Pharmacy, in Eagle Point by Van der Helton. Adv.

MAN LIVES WITH HEART REMOVED FROM HIS BODY

OMAHA, Neb., Jan. 9.—Some days ago surgeons at St. Joseph's hospital at Omaha took the heart out of Steve Zakich, an Austrian, who had shot himself, removed the bullet from the heart, where it was imbedded, replaced the organ in Zakich's body and sewed in the incision. Today Zakich ate solid food and is on the road to full recovery. He is practically out of danger.

The operation was performed last Saturday morning after the bullet had been in Zakich's heart nearly 30 hours. When surgeons arrived after Zakich fired the bullet into his heart they thought he would die in a few minutes. After he had survived 36 hours the operation was performed.

In performing the operation the surgeons cut through three ribs and exposed the heart. Dr. Simanek reached into the opening, took the pulsing heart in his hand, lifted it clear of the body and removed the bullet, after which he replaced the heart where it belonged.
