

DRY-LAW DESTROYS MEN'S HIP POCKETS

NEW YORK, Jan. 9.—Prohibition will sweep hip pockets in men's trousers into innocuous desuetude, according to a prediction by experts of the International Association of Clothing Designers who today issued an edict:

"Make them smaller and shallower this season."

Commenting on the attitude of the designers, George W. Hermann, a member of the organization, said: "It's illegal to tote a gun, it's unhandy to carry your handkerchief and you can't buy anything but wood alcohol to put in your flask. So the pocket just naturally will shrink away."

The Screen

Chas Ray at Liberty
Charles Ray will pleasantly surprise even his most ardent admirers in his latest picture, "The Egg Crate Wallop," which opens at the Liberty theatre today for a two days engagement.

"The Egg Crate Wallop" has all the surpassing merits of a Charles Ray hit—and something more. Charles Ray shows a new and delightful versatility. Incidentally, he exhibits a wallop in his good right arm that would do credit to a professional. The climax of the story is in the prize ring—an honest-to-goodness ring, with resined canvas, preliminary bouts between regular pugilists, and five hundred frenzied fans in the bleachers. Here Ray goes five furious rounds to a knock-out with an experienced opponent. For faithfulness of reproduction and excitement, this scene is one of the best ever screened. And the fight is a whake! No fakery for athletic Charles Ray, even the he does get the worst of it for four rounds—and then, whake! and see what happens.

Mitchell Lewis at Rhode
Lovers of those appealing stories of the rugged north will find a pleasant treat in the forthcoming picture attraction, "Faith of the Strong," which comes to the Rhode theater today. The star of the story is Mitchell Lewis, that virile actor whose many years of life in the north country have made him one of the few men who can accurately portray the emotions of those who live in the frozen wastes.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have
Says Dr. Edwards, a Well-Known Ohio Physician
Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-joy feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

NEGLECTING THAT COLD OR COUGH?

Why, when Dr. King's New Discovery so promptly checks it

IT'S natural you don't want to be careless and let that old cold or cough drag on, that new attack develop seriously. Not when you can get such a proved successful remedy as Dr. King's New Discovery.

Cold, cough, grippe, croup does not resist this standard reliever very long. Its quality is as high today as it always has been—and it's been growing steadily in popularity for more than fifty years. 60c. and \$1.20 a bottle at all druggists. Give it a trial.

Tardy Bowels, Inert Liver

They just won't let you put "pep" into your work or play. Sick headache comes from retaining waste matter and impurities in the body. Feel lively for anything—make the liver lively, the bowels function regularly, with Dr. King's New Life Pills. Smoothly yet positively they produce results that cleanse the system and make the liver and bowels respond to the demands of a strong, healthy body. Still 25c.—at all druggists. Try them tonight.
