REBELLION IN STOMACH

"Pape's Diapepsin" at once ends Indigestion and Sour, Acid Stomach

Lumps of undigested food cause pain. If your stomach is in a revolt; if sick, gassy and upset, and what you just ate has fermented and turned sour, head dizzy and aches; belch gases and acids and eructate undigested food just take a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the pain, acidity, indigestion and distress. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless stomach antacid is Pape's Diapepsin, which costs so little at drug stores.

MEDFORD TO SEE WALKER WHITESIDE BEFORE NEW YORK

Walker Whiteside and his fine company of 15 persons, will arrive in Medford next Sunday evening, coming over the Southern Pacific directly from San Francisco, en route to Portland. One performance of Robert Louis Stevenson's thrilling romance, "The Master of Ballantrae," will be given at the Page theater on Monday night, January 20th. Owing to the massiveness of the scenes used in Mr. Whiteside's play, the entire day before the performance will be devoted to the assembling of the sets, the adjusting of the intricate lights, and the rehearsal of the changes of the heavy platforms, balustrades and carved Jacobean furniture.

"The Master of Ballantrae" will be presented at the Page theater in Medford, precisely as it was shown in the east, Chicago, Denver and San Francisco. The cast includes those players which have scored big hits and includes such celebrities as Hubert Bruce, the fine old English actor; Frederick Roland, the best of the young leading men; dashing Will Sullivan; suave Maurice Barrett, pretty Sylvine Shields, lovely May Bucklev, handsome Virginia Duman, masterly Harry Durnton, and amusing Carl Vose.

This coterie of artists was assembled by Mr. Whiteside expressly for his New York run, which will begin the latter part of next month, at the Maxine Elliott theater on Broadway. After the Gotham run, Mr. Whiteside purposes accepting an offer to appear in London in "The Master of Ballantrae." This American star is as much at home in the British capital as he is in any city in these United States, and the Queen's theater in London is his for the asking at any time.

NAME BILL STEERS CAPTAIN FOR 1920

EUGENE, Ore., Jan. 20.—"Bill" Steers, star quarterback of the famous 1919 University of Oregon football team, was elected captain of the 1920 team last night.

The new Captain Steers was one of the shining lights in the great game with Harvard at Pasadena on New Year's day, kicking one of the field goals scored by Oregon.

W. L. Hayward, famous athletic trainer at the university for the past sixteen years, announced last night at the banquet that he would remain at the university. Hayward said his salary had been increased to \$4000 a year, and that he had turned down the two outside propositions that were offered him.

SURE HOLLAND WON'T GIVE UP KAISER

PARIS, Jan. 20.—Belief that the efforts of the allies to get former Emperor William out of Holland would prove unsuccessful was expressed today by Baron Kurt von Lersner, German's chief representative here.

"I am absolutely sure the Dutch government will never surrender the former German emperor for trial on charges that are not provided for in any constitution, any laws, or any treaties regarding extraditions," he said.

He Feels Like a New Man
Rheumatic pains, backache, pains in sides, sore muscles, stiff joints or an "always tired" feeling are usually symptoms of disordered kidneys. W. W. Wells, Toquim, Mich., writes: "I am on my feet most of the time and get tired. But after taking Foley Kidney Pills I feel like a new man. I recommend them to my customers and have never heard of any case where they did not give satisfaction." Prompt in action to relieve kidney troubles and bladder ailments. For sale by Medford Pharmacy.

BOSTON COMMON YIELDS AT LAST TO BIG BUSINESS

BOSTON, Jan. 20.—Boston is preparing to alter some of its most cherished historic features to meet the demands of modern conditions. Small strips are to be sliced from the Boston Common, training ground for troops in Revolutionary days, and opening of the tower of the Old South Meeting House, where the famous "tea party" was hatched, is contemplated. Traffic problems, acute in this city of narrow "cow lane" streets, in each case are responsible.

The portion of the common on two sides of its 43-acre area has been sanctioned only after the overcoming of long standing opposition by those who hold that no considerations of modern development should disturb this revolutionary landmark and present day breathing space in the city's center. Several years ago the voters turned down a proposal to shrink the Common in order to widen the streets. But in the recent city election the voters in all but two wards declared in favor of widening the streets from Common lands. The two wards which opposed the plan are in Charlestown, seat of another historic shrine, Bunker Hill Monument.

Under the plan, which is a compromise arranged between the street commissioners and the Boston Common society, Tremont and Boylston streets, which bound the Common on two of its sides, will be widened to a maximum of 43 feet instead of 50 to 60 feet as first proposed. This will be accomplished without sacrifice of greensward or trees, as the cuts will be made from the broad malls of the Common. The compromise carried with it an agreement that no further invasion of the Common would be made.

Boston Common was bought in 1634 by Governor Winthrop and others as a common cow pasture and training ground, and was one of several such tracts of communal lands and planting grounds. Today it is the sole remainder of these ancient commons, other holdings having passed into private hands.

It was on Boston Common that revolutionary soldiers drilled; from its limits at Park Square, then the Back bay in fact as well as in name and now "made land," the British started for Lexington on April 19, 1775. On the Common the British mustered their forces to attack Bunker Hill and British artillerymen set their guns on Flagstaff Hill during the siege of Boston. Colonial expeditions set out against Louisburg and Quebec from the old Common, and Massachusetts regiments assembled there prior to going to the front in the Civil war.

BAD BLOOD

Pacific Coast Folks Testify

Sandlake, Oregon.—"I want to write a testimonial telling what Dr. Pierce's medicine has done for me. I was bothered with an ulcer on my right shin for a year. I went to a doctor here but his medicine did me no good. The sore got worse, right along, so I tried a Chinese Doctor and his medicine did me good for a while, then the sore seemed to be getting worse so I tried Dr. Pierce's medicine. I took two and a half bottles of Dr. Pierce's Golden Medical Discovery and used Dr. Pierce's All-Healing Salve and the ulcer was all well before I had the medicine all used, and I recommend these medicines to other sufferers." —MISS BERTHA HAYES.

"For Over 40 Years" Tonic and Blood Builder

Chelalis, Wash.—"I have used Dr. Pierce's medicines in my family for over 40 years and have always found them just as represented. I think Dr. Pierce's Pleasant Pellets have no equal for constipation; and the Golden Medical Discovery as a tonic and blood builder cannot be beat. In fact, I can heartily recommend any and all of Dr. Pierce's remedies. "My daughter had chronic constipation from infancy and doctors could not cure her. Dr. Pierce's Pleasant Pellets is the only thing that ever helped her." —MRS. JENNIE K. SWOFFORD, 1329 Alfred St.
