

### Local Briefs

It is hard to get away from titles and customs of long usage, but Medford folks are warned that the commercial club is no longer known as such, following last night's change in name, and now the only proper form is to speak of it as the Chamber of Commerce.

This office will take subscriptions for the Portland Telegram. Bargain rate of \$3.95 a year by mail. Subscriptions to be sent in before February 10.

U. S. Mail school tablets 10c. Medford Book Store.

No further arrests were made by the police yesterday and up to this noon in Chief Timothy's crusade to strictly enforce the law against the cigarette smoking youth of the city, because the boys and young men have taken alarm and are now very careful where they smoke cigarettes and to all intents are "teetotalers." It's tuff on the high school smoking continent. An odd feature about this state's cigarette smoking law is that any youth under 21 years of age can smoke any old pipe or cigar today, and can even borrow a match from a policeman to light the same without any fear.

Machine needles, bobbins and shuttles for all makes of sewing machines. Handicraft Shop.

Every car or motor truck driver likes to feel **Power in reserve**—power that he can depend upon instantly when needed.

That is what ZENITH carburetion gives you—quick response to every demand—greater power, greater speed, ready acceleration. ZENITH means full engine energy without waste of fuel.

That is why ZENITH was used on the majority of fighting planes on the Allied Front; why it was used on the effective French Renault tanks; why it was used on all Liberty motors, including those of the NC-D; why Ralph DePalma's record breaking Packard "905" was ZENITH-EQUIPPED.
