

COMPANY "D" TO ORGANIZE NEW ATHLETIC CLUB

Last evening company D, National Guards of Medford, at the close of regular drill, held a business meeting and voted to organize a club, the aim and business of which would be to maintain the athletic and social department for the young men connected with the local company of National Guards.

The name of the new organization is the "Hustlers Club" and membership in this club is restricted to members of the local National Guard organization. The following persons were elected officers of the new club: Sgt. John R. Tyrri, secretary, Sgt. George R. Chapman, Jacksonville; treasurer, Pvt. Chas. Krios, Medford; athletic manager and property man, Joseph V. Vincent, Central Point.

Company D is made up of a fine lot of young men of this city and vicinity, banded together for three years, being the period of their enlistment, and it is the purpose of this new organization to provide for the social welfare of all the members and to stimulate the proper spirit in good clean sports for the young men of this vicinity, who now, and hereafter will become members of the organization, and to bring more closely together the social interests of these young men and all of which will make for better manhood and better citizenship.

The club has a basketball team, and is organizing an indoor baseball team, a bowling team and expect soon to be ready to meet other teams of the city and county. Boxing and wrestling will also be a part of the sports under competent management and instruction. A baseball team will also be organized at once to be ready for business as soon as the weather permits arrangements will be worked out at once for keeping open the armory at least evenings so the members can at all times have access to the billiard tables and other sports.

This club will extend further the social, and the athletic and physical

TAKE OUT DOG LICENSE BEFORE FEBRUARY 1 ST

The owners of dogs in Jackson county who have not yet taken out state licenses to adorn their animals are warned to do so by Feb. 1st, after which date it devolves upon the sheriff and other peace officers to kill all dogs not wearing the proper license and collar.

It is estimated that there are 1600 dogs in Jackson county and County Recorder Flory reports that only 800 dog owners have so far taken out licenses, leaving about 800 more proprietors of dogs who have this duty yet to perform.

Now that in the test case of this dog license law brought in circuit court at Portland it was decided yesterday by Judge McCourt upholding the state act to require dogs to wear licenses as valid, it is expected that there will be a rush at once of dog owners to the county recorder's office to get their collars and licenses. The state licenses which are riveted to a small leather collar, sell at \$1 for male dogs and \$2 for female dogs.

AIRPLANE PUTS LIGHT INTO DARKEST AFRICA

LONDON, Jan. 14.—Cairo and Cape Town, representing the extremes of the African continent, have at last been linked up by an air service. The British air ministry has announced that the air route is finally ready for traffic. This means that the time heretofore required to traverse the continent, from 10 to 12 weeks, has now been cut down to about one week and that heretofore scheduled sections of Africa will be opened up to the world.

training of its men, than could be done from a strictly military organization. Considerable funds were raised last evening to supply some of the equipment.

MAJOR ANDRUS IS REPORTED DEAD

A telephone message was received this forenoon from Roseburg stating that Major Dwight R. Andrus of this city had died there this morning. No other particulars were given, nor was it stated how Mr. Andrus came to be in Roseburg, but it is presumed that he was there on a visit.

Dwight R. Andrus had been a well known resident of this city for years during all of which time he was prominent and active in local G. A. R. circles as well as in G. A. R. affairs of southern Oregon. At the annual convention of the Southern Oregon Soldiers and Sailors association last fall Major Andrus was elected commanding officer of that organization. Mrs. Andrus is presumed to have been with him at Roseburg, as an effort to communicate by telephone today with the Andrus home on South Fir street was met with the information that the phone there had recently been disconnected.

JAP SUGAR WORKERS IN HONOLULU-STRIKE

HONOLULU, T. H., Jan. 22.—(By Associated Press.) All Japanese sugar plantation workers on one plantation have struck and some on two other plantations on the island of Oahu have joined the Filipino strikers, according to the planters association. Nippu Jiji, a Japanese newspaper here, editorially states that the situation is critical. It asserts that 3300 workers, including all nationalities, have walked out. No disorders have occurred. Special deputies have been sworn in and sent to police the plantations.

King Albert in Paris. PARIS, Jan. 22.—(Havas.)—King Albert of Belgium came to Paris incognito yesterday and conferred for a long time with President Poincaré.

CLUB DEBT PAID OFF

(Continued from Page One) reported by a live board of directors, whom you will elect at this time. It is up to you to select men who will enter earnestly into the work and give to it the same care and thought they would to their own business. Early in the year we assisted in the organization of an excellent brass band and providing ways and means for its permanent operation, and it has justified our expectation by making itself a credit to the city of Medford.

Editorial Association Visit. In the midst of the year we pulled off successfully the greatest advertising stunt ever attempted by any city of this class, in which we were ably supported by Ashland and Grants Pass, and it must be said to the everlasting credit of southern Oregon that it was done without a slip and to the astonishment of the National Editorial association, whose papers are still coming, and tell of the glories of Crater Lake and the wonderful work of this community.

Late in the year our secretary attended the annual meeting of the National Parks Highway association in Spokane, where he found a movement on foot to change that highway from the Willamette valley and south to the Columbia Highway and thru Central Oregon, thus leaving Medford off the map. This element was eliminated from the Oregon management and a Medford man substituted. Not only that, but the organization was committed to the work of marking the highway from Seattle to Crater Lake by way of Medford. It has already been marked from Chicago to Seattle.

On the initiative of this club, the Portland Business Men's excursion to southern Oregon was undertaken and carried out with such glowing success as to justify the expression, "unique" in the history of commercial Oregon. On that occasion many misunderstandings were adjusted and a better feeling established that will forever stand for better conditions.

As to 1920. During the closing period of the year a movement was started to secure from the general government a gift to the city of Medford of 500 acres of land on Rosy Ann, including all the summit, for park purposes. Senator McNary informs us that the

INDIGESTION CAN'T STAY

Stomach Pain, Sourness, Gases, and Acidity ended with "Pape's Diapepsin"

Out-of-order stomachs feel fine at once! When meals don't fit and you belch gas, acids and undigested food. When you feel indigestion—pain, lumps of distress in stomach, heartburn or headache. Here is instant relief.

Just as soon as you eat a tablet or two of Pape's Diapepsin all the dyspepsia, indigestion and stomach distress caused by acidity will end. These pleasant, harmless tablets of Pape's Diapepsin always put sick, upset, acid stomachs in order at once and they cost so little at drug stores.

matter is now under investigation by the interior department, who will doubtless report favorably, when a bill will be introduced and there is no doubt but that it will be favorably considered by congress. So much for the year that is gone. What of 1920? It is up to you. The possibilities are beyond comprehension, but to realize on them it is necessary for us to broaden the scope of this institution. More men in this community must be interested in its work. The membership must be very materially increased, but above all, more individual interest must be established in the members. It is not enough to pay your dues. Let us bring the members closer together in some manner. We can do it.

OLCOTT KILLS MORE BILLS

(Continued from Page One)

S. B. 57, by Baldwin—Creating a post road in Klamath county. S. B. 58, by committee on roads and highways—Designating certain roads in Clatsop and Tillamook counties as part of the state system of highways.

S. B. 59, by Patterson—Creating post roads in Polk and Yamhill counties. S. B. 60, by Laehmund—Designating certain roads in Marion county as part of the state highway system.

S. B. 61, by Banks—Creating a post road in Columbia county. H. B. 70, by Wright—Creating a post road in Sherman county.

In his message to the house and senate returning the 11 road bills Governor O'Leary declares that "former legislatures have provided by law for a state highway commission." "This commission," he continues, "is armed with machinery to properly investigate and determine where state highways should be located, without regard to the merits of the various bills in question I deem the method of determining the location of state highways as followed in these bills is ill advised and founded on wrong principle."

Other bills vetoed include S. B. 22, by Howell, S. B. 6, by committee on drainage, H. B. 22 by Thrift, county meat inspector; H. B. 51, by Gallagher, drainage districts.

ASPIRIN FOR COLDS

Name "Bayer" is on Genuine Aspirin—say Bayer

Insist on "Bayer Tablets of Aspirin" in a "Bayer package," containing proper directions for Colds, Pain, Headache, Neuralgia, Lumbago, and Rheumatism. Name "Bayer" means genuine Aspirin prescribed by physicians for nineteen years. Handy tin boxes of 12 tablets cost few cents. Aspirin is trade mark of Bayer Manufacturing of Monacopolitacidester of Salicylicacid.

Hot Waffles or Biscuit for Breakfast????

Delicious, appetizing but a lot of trouble unless you use double-acting

Crescent Baking Powder

You may mix your batter or dough the evening before—it will be ready for baking for early breakfast and you'll have the lightest, flakiest biscuits, or the sweetest crisp brown waffles without a fear of failure.

Costs no more in 1920 than in 1914.
