### Yellow Mustard For Rheumatism

A good hot mustard plaster or poultice is pretty sure to overcome most rheumatic pains and even sciatica and gout but it's a messy affair and generally distasteful.

Heat is absolutely necessary if you want permanent relief. Begy's Mustardine made of true yellow mustard with other pain relieving ingredients added is just as hot, is cheaper, cleaner and more effective than the old fashioned poultice or plaster and cannot blister.

Besides rheumatic pains and swellings Begy's Mustardine is speedily effective for lumbago, backache, neuritis, pleurisy, bronchitis, sore throat, chest colds and all aches and pains because heat causes pain—30 and 60 cents.
