LEADING MERCHANTS OF MEDFORD ENDORSE "TRIB" ADVERTISING

"The year 1919 was by far the best we have had since the M. M. Company was organized seven years ago," said Clarence Meeker, in talking with a representative of this paper. "Despite the fact that merchandise is higher and scarcer, yet the people have the money to pay for the same and want the better class of goods. We find it necessary to increase stocks in all lines of merchandise to meet our increasing business. Our clean up sale this January has been a hummer and shows the people appreciate the bargains offered."

Now that republican leaders are shaping the issues to be put before the people in the coming campaign, they must take note of Herbert Hoover's platform. Democratic leaders and near leaders may safely ignore him, for he will not be the democratic candidate, and he will have no voice in the councils of the party. Here is Hoover's platform: "The paramount business of every American today is this business of finding a solution to these issues (industrial and economic), but this solution must be found by Americans, in a practical American way, based upon American ideals, an American philosophy of life. "Again I wish to repeat the observation of these forces in Europe has reinforced my Americanism during these last ten months of intimate contact with them. It has revealed to me the distance of our departure from the political, social and economic ideals of Europe. There has grown in the United States a higher sense of justice, of neighborly service, of self sacrifice, and, above all, a willingness to abide by the will of the majority in every section of this country. "How do you interpret this platform? To be sure, it enters generalities. It deals with the problems

URIC ACID IN MEAT BRINGS RHEUMATISM Says a Little Salts in water may save you from dread attack. Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat; but drink plenty of good water. Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism. At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities. Jad Salts is inexpensive, harmless and made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which helps overcome uric acid and is beneficial to your kidneys as well.
