BUTTE FALLS

The basketball team went out to Gold Hill Friday and won a victory, which made the boys feel pretty lively coming back. Those going out to play were Glenn and Ernest Albert, Ted Frederhaff, Wilson O'Brien, Aubrey Abbott, Herold Patton, and Prof. Jewett. Sam Hughes went along to coach for the rest.

Mrs. Nellie Wooley has been visiting her mother for a few days. Mark Koutz, left for Portland Tuesday where he expects to secure work. Mrs. Koutz is to follow soon. The Albert brothers have a dance was well attended and every one present had a good time as reported. The forest rangers, that are camped below town, were in and we hope to see them again to the entertainments if they remain in this vicinity. Jed Edsall brought in a load from Eagle Point but didn't learn any of their names, to the Saturday night dance. Gertrude and Edith Frederburg were shopping in town Saturday and visited at the Mahoney home over Sunday.

Rev. Travaday preached to a full house Thursday evening. There will be church next Sunday evening at 7.30. Mrs. M. A. Cleveland and Ecn Vradenburg went out to Medford Tuesday to meet the Gov. A. Duree was in town the first of the week, he and L. Patton seemed to have quite a jolly conversation over their operations which they are recovering from nicely.

The cruisers are back to the woods again, cruising timber for the Old company. I understand they have called off the basket ball games for the time being, as there is so much smallbox and flu in the valley. A. E. Hildreth, Jr., went out to Central Point, the first of the week to visit his parents. There seems to be some thing like a boom starting up in the valley with the new irrigation system in operation this spring, and the several oil wells in view there is great prospects for the future, we hope.

Mrs. Richardson went out to Jacksonville Monday. The little town of Talent is coming to the front, as well as the larger places. Several land sales is reported in and around town and the business houses as well as the dwellings are filling up. They will be ready to prospect for oil east of Phoenix in a short time now. Oh he with them.

Summons
In the Circuit Court of the State of Oregon, in and for Jackson County. Ola Sutton, Plaintiff, vs. Samuel Carpenter, and if he be deceased, the unknown heirs of Samuel Carpenter; also all other persons or parties unknown claiming any right, title, interest, lien or estate in the real estate described in the complaint herein. Defendants.

The use of Sazo and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sazo and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sazo and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
