

PART TIME SCHOOL PROGRAM STARTED BY ASHLAND BOARD

ASHLAND, Feb. 2.—"Local part time," as applied to the city schools, is a new departure adopted by the board of education, which system was put into effect this date and continues for the remainder of the school year, February 2 to May 21, 1920. This part time school feature adopted under the Smith-Hughes federal vocational educational bill, supplemented by such state legislation as may be required. For instance, the Oregon enactment applies as follows:

"Every parent, guardian, or other person in the state of Oregon, having control of any child or children between the ages of 16 and 18 years, who have not already acquired the ordinary branches of learning taught in the first eight grades of the public schools, shall be required to send such child or children to a part time school or class whenever there shall have been such part time school or class established in the district where the child or children reside or to be employed."

In addition to the foregoing, the state industrial welfare commission has ruled that "no children under 16 years of age shall be given a permit for employment unless they have al-

ready acquired the ordinary branches of learning taught in the first eight years of the public schools." Consequently all children younger than 16, who have not finished the eight grades, not only should be, but must be in full time school; and all persons in school district No. 5, between the ages of 16 and 18, who have not graduated from the eighth grade, must attend this part time school, this obligation being especially emphasized, as the term "must" implies the duration of the school period as above outlined. The penalties for non-compliance are severe, and not only parents but guardians and other persons are liable for neglect in disobeying the plain letter of the statute. Locally the chief of police is trustee officer of school district No. 5, and the state authorities will have his assistance in carrying out the provisions of this act. Preliminary to any drastic measures, however, newspaper publicity will be given, supplemented by a circular letter which will be sent by the board of education to all persons known to be included within the regulations as prescribed.

All who care to attend may enjoy the privilege of this school, but attendance on the part of those in the Ashland district, who are between 16 and 18 years of age, and have not as yet completed eighth grade requirements, is compulsory. Those interested should pay strict attention to the law, which is plain enough to be readily understood. Locally, classes will meet in the senior high school building on Monday and Friday afternoons of each week, from 3:30 to 6 o'clock. Monday's class work will be devoted to vocational training and related subjects exclusively, the girls to be coached in housework arts and sciences, with Principal Forsythe and Miss Neal as instructors. Friday's session will incorporate English training, a wide range of instruction, which will also be under Principal Forsythe's oversight. The course of general instruction under this special arrangement relating to "part time" studies, implies additional educational facilities to the extent of five hours per week, which in view of the privileges afforded, is by no means excessive in the way of increased study schedules. Newton Van Dalsen, vocational director for the state of Oregon, was in the city last week in consultation with Superintendent Briscoe, adjusting local plans to harmonize with state requirements in connection with vocational training.

BOY SCOUT WEEK IS PROCLAIMED FEBRUARY 8-14

The people of Medford are asked to join hands in the celebration of the tenth anniversary of the Boy Scout movement beginning Sunday, February 8th to 14th inclusive. Every body is asked to adopt the Boy Scout obligation and habit of doing at least one good turn daily. The mayor's proclamation is as follows:

Mayor Gates' Proclamation

To the Public:

The Boy Scout organization is just rounding out their tenth year and the whole community should join them in celebrating their anniversary.

We should encourage and support an organization which has such a splendid record of progress and service as the Boy Scouts of America has to show for the 10 years of its existence. We should give them due recognition for the wonderful work among the boys of this community, period from February 8 to 14 be observed in this community as "Good Turn Week."

C. E. GATES, Mayor.
Supt. Davenport Approves

Superintendent of Schools Davenport has issued the following statement:

I heartily approve of the Boy Scout movement and the Universal Boy Scout week which encourages everybody to practice the "good turn" each day. We should all feel it an honor and privilege to work with the youth of our city and community in this great work.

With great interest during the past few months, I have watched the great progress made by the lads in this organization under the able and untiring leadership of Rev. Millard. Great credit is to be given to the boys and their leader for the splendid organization and work they are doing.

The Universal Boy Scout week should have the united support and cooperation of our city and community so that the week may be made a banner week in every respect for the youth. This is just another way of giving emphasis to this great movement which is of such vital importance to our boys in the formative period of their lives. Let us one and all, therefore, make this an enthusiastic, good time for the scouts by giving of our effort and time unflinchingly.

WILLIAM DAVENPORT,
Chairman of Local Council.
After six months' service as

HOW AND WHEN TO TAKE ASPIRIN

First see that tablets you take are marked with the "Bayer Cross."

To get quick relief follow carefully the safe and proper directions in each unbroken package of "Bayer Tablets of Aspirin." This package is plainly stamped with the safety "Bayer Cross."

The "Bayer Cross" means the genuine, world-famous Aspirin, prescribed by physicians for over eighteen years.

"Bayer Tablets of Aspirin" can be taken safely for Colds, Headache, Toothache, Earache, Neuralgia, Lumbago Rheumatism, Joint Pains, Neuritis, and Pain generally.

Handy tin boxes of 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylic acid.

scoutmaster for Troop 1 of Medford Boy Scouts I am prepared to say that I believe there is no organization for boys that does as much to make clean, honest and useful citizens as does the Boy Scouts' work. I am proud to be connected with the movement officially. Medford has a great troop, about 65 red blooded boys and still growing. I thoroughly enjoy working with these big hearted receptive lads. I believe every boy in Medford between 12 and 18 ought to belong. The organization is not militaristic but of great practical value to every boy. Medford can not do too much for her boys. This community should encourage the boys by getting behind this "good turn week" and boost. A fine program for each day of the week is being planned and you will learn of Boy Scout Work if you watch and attend the open meetings. Get the habit do a good turn daily.

D. E. MILLARD,
Scoutmaster.

A daughter was born to Mr. and Mrs. John Sellers of Cottage street on Sunday.

BROWN MOTOR CO. WILL HANDLE THE COLE AERO-EIGHT

The Brown Motor company, 36-10 North Front street, announces the addition to its popular line of Nash cars and trucks, of the Cole Aero-Eight and will have these cars on display at their show rooms in the near future. On a recent trip to southern California, Wesley Brown made a comparison of all the high grade cars, and after investigating all the popular makes decided that the Cole Aero-Eight was unquestionable leader. This car is very popular throughout California and also in the northwest. The Aero type body lines will be appreciated by local motor enthusiasts, as well as the wonderful performance of its perfected eight cylinder arrow type motor.

While in southern California, Mr. Brown was impressed by the adoption of the Cole speed wagon, by the inter-urban bus companies. This remarkable three-quarter ton truck furnishes the motive power for at least 60 per cent of the urban commuters, and its success is unquestioned by motor bus and stage line operators. In the very near future a fleet of these buses will be in operation between Medford and Klamath Falls. They will be equipped with comfortable 12-passenger bodies, and should prove to be a satisfactory means of reaching Klamath Falls by the most direct route, as well as affording an opportunity for visitors to appreciate the wonderful scenery of southern Oregon. The bus companies of southern California have standardized to a very large extent on Miller tires, reporting mileages as high as 25,000 miles. The Miller tire is distributed in Jackson county by the Brown Motor company.

MEDFORD OREGON

OUT O' LUCK

Never mind! Just take Cascarets if Bilious, Constipated

Everyone must occasionally give to the bowels some regular help or else suffer from constipation, bilious attacks, stomach disorders and sick headache. But do not whip the bowels into activity with harsh cathartics.

What the liver and bowels need is gentle and natural tonic, one that is constantly being used without harm, the gentlest liver and bowel tonic is Cascarets. They put the liver to work and cleanse the colon and bowels of all waste, toxins and poisons (without griping—they never sicken, inconvenience you like Calomel, Iltis, Oil, or Purgatives).

Twenty-five million boxes of Cascarets are sold each year. They work while you sleep. Cascarets cost no title too.

Flu Stops Whitney Trial

OAKLAND, Cal., Feb. 2.—On the showing that the chief counsel for the defense and one of the jurors are ill with influenza Judge James G. Quinn today postponed the criminal syndicalism trial of Miss Anita Whitney to Wednesday morning.

If You Believe---

- In making more money out of your fruit business
- In reducing speculation in fruit to the minimum
- In advertising Oregon fruit under an Oregon label
- In the value of direct representatives in the large markets
- In standardizing the grade and pack of Rogue River fruit
- In making the word Oregon a household word in every home
- In getting for your fruit all the market will allow
- In bringing to the Rogue River Valley some of California's prosperity

THEN---You Will Join the Oregon Growers' Co-operative Association

A state-wide marketing organization will stabilize your industry by stabilizing the price of your products, eliminating speculators and unreasonable fluctuations in price. Stabilizing the price of your products will stabilize the value of your land; stabilizing your land values will stabilize your credit; stabilize the price of your product, your land values, your credit and you stabilize your prosperity.

THIS WEEK IS THE ACID TEST

If the growers of fruit in the Rogue River Valley support the Oregon Growers' Co-operative Association by giving us the minimum acreage required, we will come into the valley; otherwise we stay out.

Mr. Fruit Grower, this is your opportunity—your opportunity to bring to this valley the most constructive movement in the development of the Oregon fruit industry. Get in touch with
