E. O. Teague sold his fine bungalow home at 757 West Jackson street yesterday to O. O. Alendorfer, and within a week or two with his wife and son and daughter will return to Boston, Mass., where he will again enter the shoe manufacturing business with one of the largest shoe manufacturing concerns in the United States. He will retain his Gold Crest ranch near Gold Hill. The family came to the valley about two years ago after Mr. Teague had sold out his shoe manufacturing business and retired. Recently Mr. Teague decided he was too young a man to retire, and took advantage of an offered connection with the big shoe manufacturer. The family have made many friends in the city and valley who regret their return east.

How Meat Eating Hurts the Kidneys

Eating too much meat is apt to create too much uric acid, and it overworks and weakens the kidneys. Uric acid secretions should cut down the meat diet and help the kidneys with Dean's Kidney Pills.

M. S. Hiden, shoe repairer, 21 S. Central Ave., Medford, says: "I suffered from what the doctor said was rheumatism, caused by an excess of uric acid in my blood. It showed itself by severe pains, especially in my back. My kidneys were out of order, too, and these troubles caused me to run down in health. I couldn't sleep without getting dizzy. Dean's Kidney Pills did just what they were represented to do and soon the pain began to leave me and my kidneys acted more regularly. By the time I had finished these boxes, I was without any of the signs of the trouble."

OVER EIGHT YEARS LATER Mr. Hiden said: "It has been some time since I have had any occasion to take Dean's Kidney Pills, but my opinion of them hasn't changed in any way since I first endorsed them. Today I am enjoying first-class health."

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like calomel—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 10c and 25c.

SIX MONTHS I COULD NOT WORK

Lydia E. Pinkham's Vegetable Compound Made Me Strong and Able to Work—I Recommend It To All My Friends.

Bayonne, N. J.—"I had pains in back and legs so that I could not stand caused by female trouble. I felt so tired all the time, had bad headaches, and for six months I could not work. I was treated by a physician and took other remedies but got no relief. A friend told me about Lydia E. Pinkham's Vegetable Compound and it has helped me very much. I am well and strong and now able to do my work. I cannot thank you enough and I recommend your medicine to my friends who are sick."—Mrs. SUSIE SACATANSKY, 25 East 17th St., Bayonne, N. J.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for over forty years, and today hold a record for such wonderful success as does Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.
