

### PAINS NEARLY DOUBLED ME UP

Nothing Helped Me Until I Took Lydia E. Pinkham's Vegetable Compound.

Wyandotte, Mich.—"For the last four years I have doctored off and on without help. I have had pains every month so bad that I would nearly double up. Sometimes I could not sweep a room without stopping to rest, and everything I ate upset my stomach. Three years ago I lost a child and suffered so badly that I was out of my head at times. My bowels did not move for days and I could not eat without suffering. The doctor could not help me and one day I told my husband that I could not stand the pain any longer and sent him to the drug-store to get me a bottle of Lydia E. Pinkham's Vegetable Compound and threw the doctor's medicine away. After taking three bottles of Vegetable Compound and using two bottles of Lydia E. Pinkham's Sanative Wash I could do my own housework. If it had not been for your medicine I don't know where I would be today and I am never without a bottle of it in the house. You may publish this if you like that it may help some other woman."—MRS. MARY STENDES, 120 Orange St., Wyandotte, Mich.

S. C. The school pupils of Medford were delightfully entertained and instructed in 100 per cent Americanism by Smith Stimmel of Fargo, N. D., who was a member of the body guard of President Lincoln, who related interesting personal reminiscences of the great president at three separate meetings yesterday afternoon. He first addressed the high school student body. Next he addressed the grades of Lincoln school and the 4th, 5th and 6th grades of Roosevelt school at the Lincoln building. The third address was given before all the grades of Washington school and the 4th, 5th and 6th grades of the Jackson school at the Washington building.

J. F. Robinson of Lewistown, Mont. and F. E. Young of Los Angeles, were visitors who registered at the Commercial Club Friday. Among Oregonians registered at the Medford are Z. M. Zellar and E. M. Harvey of Corvallis; Mr. and Mrs. F. E. Powell of Roseburg; C. J. Smith of Eugene; Chas. Horton of Klamath Falls; Merle Rosecrans of Salem; and Captain D. I. Piper, Max Herwitz, C. W. Hill, H. D. Carter and Mr. and Mrs. Henchey of Portland. L. D. Summerfield of Alameda and D. P. Matthews of Los Angeles are California visitors at the same hotel. ### HUMAN JUSTICE AND CHARITY IS AMERICAN NEED

WASHINGTON, Feb. 14.—For the first time in thirty-five years the American Catholic archbishops and bishops are issuing a pastoral letter to their clergy and the laity. The letter will be read in every Catholic church in the United States Sunday, February 22. It was prepared by Cardinals Gibbons and O'Connell and Rector Thomas J. Shahan, of the Catholic university.

Cardinal Gibbons is the sole survivor of the seventy-six bishops who signed the joint pastoral letter issued to the seven million Catholics of the United States after the third plenary council in Baltimore held in 1884. There now are one hundred not counting auxiliary bishops, and bishops without a see, appointed to do special work, addressing in the pastoral letter more than twenty millions of the laity.

The pastoral letter views the world situation and insists that reconstruction shall proceed, on sound principles, and not along lines of expediency. It emphasizes the need of justice and charity. The letter will discuss problems of marriage and divorce, industrial relations, national conditions, and international affairs. It lays stress on education as a means

of re-construction and exhibits the power of Christianity as an absolute necessity for human welfare. The active co-operation of American Catholics with the country during the war is briefly related, and the letter explains the organization effected by the hierarchy of all Catholic agencies through the national Catholic war council, and shows how the organization is to be perpetuated in the National Catholic Welfare council.

Coughed Night and Day John Vognue, Elberton, Ga., writes: "Last fall, when my neighbors were down with influenza, I took a severe cold and before I was aware of my condition I was down sick in bed. I coughed night and day and my throat was raw and sore. I got a bottle of Foley's Honey and Tar Compound and took eight small doses in two hours. My condition began to improve and in a few days I was as well as ever. In my opinion Foley's is the best cough medicine made." For sale by Medford Pharmacy.

THREADED Rubber Doesn't protect a battery against abuse any more than a check book protects you against the high cost of living. But it unfailingly guards against need for re-insulation during the battery's life, and that is a thing that never can be truthfully said about ordinary insulation.
