WATCH LIVER AND BOWELS TO AVOID COLDS, FLU AND GRIP

Mothers Should Keep Children in Best Condition

Any physician will tell you that a very large percent of illness could be prevented if people would keep their livers, kidneys and bowels working. When these organs of excretion sluggish, your resistance against disease is lowered by the poison waste matter which should have been carried off.

You actually invite disease germs when you neglect yourself. Biliousness, headaches, sluggishness, are all danger signals. Do not ignore them especially at this time of the year. Get a package of Lincolin Tonic. Take a cup each night and you'll be surprised how quickly it will put you in tune and make you feel like new.

This famous old herb tea is unexcelled for chronic constipation, headaches, colds, gripes, influenza, rheumatism, etc. Acts gently and does not create the physic habit. Pleasant to take and inexpensive. Nothing better for the children. 35 cents at all druggists.—Lincolin Proprietary Co., Ft. Wayne, Ind.
