

CENTRAL POINT YOUTHS FINED FOR DRUNKENNESS

Two young men from the Central Point district, J. D. Pritchard and Ray R. Keniston, who figured in a drunken auto smash-up Sunday night were fined \$10 and costs each for intoxication in the city police court yesterday by Judge Taylor. For a time it looked as tho state charges for intoxication and running an auto without a license and lights would be preferred, but the culprits came thru and told County Prosecutor Roberts where they obtained their liquor. A raid was made on the designated place later, but no intoxicants could be found.

Pritchard and Keniston were arrested on the streets here early Sunday evening by Night Policemen Adams and Sheriff Terrill, and after they had been locked up for a while were released to go home after putting up a bond for their appearance in court Monday, and were warned not to drive home in their auto bus.

Disregarding this warning they started home in the auto about 9 p. m. and ran into the curb on North Riverside near Jackson, badly damaging the car, and were at once re-arrested and locked up in the city prison.

ANNUAL ELECTION MEDFORD LEGION TONIGHT 8 P. M.

All members of the American Legion are requested to be present at the regular monthly meeting and annual election of Medford post to be held in the Moose hall tonight at 8 o'clock. Nominations of officers for 1920 will take place at this time. The matter of election of officers for the next year, has caused quite a stir in local legion circles, and a hotly contested election is anticipated.

Another important matter to come before the legion Tuesday night, is the subject of a bonus, or adjusted compensation for ex-service men and women. National headquarters has requested that all posts vote on the matter and send their recommendations in, and also communicate direct with their representatives in congress what action has been taken. Word from national headquarters indicates that some action will be taken by congress in the next sixty days.

Another interesting feature of the meeting will be a brief address by Mrs. Gene Morris Ellis. Mrs. Ellis is a vocational expert of many years experience, and is making a tour in the interests of the ex-service men and women. She will explain briefly her mission which is to suggest the vocation for which the person interviewed is best fitted. After this Mrs. Ellis will make appointments for the following day with anyone who wishes to take advantage of the opportunity. Mrs. Ellis is working under direction of the Y. M. C. A., and all interviews and advice given will be free of charge.

PALMER FORMALLY PROCLAIMS HE'S A CANDIDATE, 1920

WASHINGTON, Mar. 2.—Attorney General Palmer has declared himself as a democratic presidential candidate leading the list of aspirants for the democratic nomination in formally coming out in the open. In a telegram to Hiram L. Gardner, secretary of the Georgia state democratic committee, Mr. Palmer declared that "at the democrats of Georgia see fit to select me as their choice, I shall receive the honor with deep appreciation," holding it to be highly important that an opportunity be given in the primary "to directly pass upon the record made by the present administration."

Mr. Palmer's announcement, it was believed, will open the way for other democrats to announce their candidacies. Although the republican campaign has been on for some time, Mr. Palmer is the first democrat to declare himself. Other candidates who are being talked of among the political state makers include William G. McAdoo, William Jennings Bryan, Governor Cox of Ohio, James W. Gerard, former ambassador to Germany; Herbert Hoover, Governor Edwards of New Jersey; Senator Robert L. Owen, of Oklahoma, and Representative Champ Clark of Missouri.

The mayor is in receipt of a letter from the governor in which the latter stated that he had referred his request to Attorney General Brown for an opinion, and that that official had advised that neither the governor nor any other state official had authority to grant such a request, therefore he must refuse.

Mayor Gates had offered to give bond and assume personal responsibility for the careful distribution of the liquor. He received a number of requests from physicians and relatives of patients seriously ill during the flu epidemic, for alcoholic stimulants.

I. W. W. WITNESS ARRESTED.

(Continued from Page One)

Gilder had replied that it was Warren O. Grimm.

Looking Like Grimm

Jumping to the day of the parade, Bray testified that he saw Van Gilder and a man whom he thought was Grimm, marching at the head of the Centralia contingent as the parade counter-marched south on Tower avenue. He stood eighty feet north of the I. W. W. hall when the parade passed, he said. When the marchers halted, Bray testified, he saw two men break ranks and rush the I. W. W. hall. He heard one shot, then many shots.

He saw a large man run into the street, wounded. Whether the man he saw fall was Grimm the witness refused to say on oath. He testified that he saw Van Gilder near the entrance to the hall at the time the men were rushing toward it.

Bray, on cross-examination, said the man he thought was Grimm, was wounded while his back was toward the hall.

"He was facing northeast," Bray said.

"You are not certain that it was Grimm who was shot?" asked Special Prosecutor W. H. Abel.

Won't Swear to It

"I said I wouldn't swear it was Grimm," Bray replied.

"You were told later that it was Grimm?" asked Abel.

"Yes," Bray answered. He testified that he did not see the man make any move toward the hall before he was shot.

Bray was placed on the stand replacing Elmer Smith, one of the defendants, temporarily, when objection was made to certain testimony of Smith. It was declared that Smith could not testify as to any conversations he testified he had had with Grimm relative to alleged threats to raid the I. W. W. hall.

Court sustained the objection.

"We are going to show that Grimm did have something to do with it," Vanderveer declared, asking Smith to step down and calling for Bray.

MISS BOWLER TO GIVE LECTURE AT LIBRARY MAR. 3

Miss Bowler, the Social Service worker from the northwestern division headquarters, who is conducting a class in Extended Home Service work for the local Red Cross, will give a lecture on Wednesday evening, March 3, at 7:30 p. m., in the public library at Medford.

Miss Bowler worked with the American Red Cross among the refugees of Northern France and also went with the first Red Cross commission after the signing of the armistice, into the Balkans. She

worked for a number of months with a commission consisting of 50 Red Cross workers in Romania.

Come and hear her tell the story of the wonderful work done among the women and children of these war stricken countries.

This is the first time that any one has come to us, who worked in this line of work. We have listened to many accounts of battles and to stories of the Red Cross as a part of the military organization, but never to a story such as Miss Bowler has for us.

This lecture is free and all are most welcome.

Will that Boy of Yours 'Make Good'?

That boy of yours has great possibilities. The chief factor in his success is good health. The chief factor in good health is cleanliness inside.

Nujol prevents constipation by keeping the food waste soft, thus helping Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

It is absolutely harmless and pleasant to take—try it.

A New Method of Treating an Old Complaint

When you get Indigestion

A few tablets of "Pape's Diapepsin" bring relief almost as soon as they reach the stomach.

"Pape's Diapepsin" by neutralizing the acidity of the stomach, instantly relieves the food souring and fermentation which causes the misery making gases, heartburn, flatulence, fullness, or pain in stomach and intestines.

"Pape's Diapepsin" helps regulate disordered stomachs so favorite foods can be eaten without causing distress. Costs so little at drug stores.
