

JAPAN TO RESUME TRADE RELATIONS WITH SOVIET GOVT.

HONOLULU, T. H., Mar. 9.—The Japanese foreign office intimates an early resumption of commercial relations with the soviet government of Russia, preliminary to a formal recognition of the soviet as a de facto government, according to a Tokyo cable dispatch to the Japanese newspaper NIPPON Jiji here.

MOSCOW, Mar. 7.—All co-operative societies thru which soviet Russia will do business with the outside world will be represented on the commission appointed to go to London by Vladimir Kinechov, first chairman of the workers co-operative organization. M. Kinechov is a man of remarkable personality and is little known outside of Russia. He was formerly a menshevik and until recently was an opponent of communism. He played a part in the revolution of 1905 and spent twelve years in exile in Siberia.

"It is no secret to the extent that our economic position is bad," M. Kinechov said, "but it is not helpless. In spite of four years of war against Germany and two years of civil war we have fed the people somehow and the co-operative societies have been the source of provisions for the civilian population. They are now operating as a government activity thru the central union of co-operative societies.

"We do not want charity from western Europe but desire trade on a basis of exchange which can be established in a comparatively short time. A return to normal conditions of supply and demand will result in an enormously increased business."

Just Yellow Mustard for Backache, Lumbago

Grandmother's old mussy mustard plaster or poultice generally brought relief all right even in the severest cases, but it burned and blistered like blazes. "Heat causes pain" reduces the inflammation and scatters congestion, but you'll find that while Begy's Mustard made of true yellow mustard and other pain destroyers is just as hot as the old fashioned plaster it is much quicker, cleaner and more effective and cannot blister. It's a great external remedy—just rub it on wherever aches, pains, inflammation, congestion or swelling exists and in a very few minutes the relief you have longed for surely arrives because "Heat eases pain." 30 and 60 cents at druggists or by mail S. DANDRUFF SOON GETS YOUR HAIR

Let "Danderine" check nasty scurf and stop hair falling out
To stop falling hair at once and rid the scalp of every particle of dandruff, get a small bottle of "Danderine" at any drug or toilet counter for a few cents, pour a little in your hand and rub it into the scalp. After several applications the hair usually stops coming out and you can't find any dandruff. Soon every hair on your scalp shows new life, vigor, brightness, thickness and more color.
