Excess of hydrochloric acid sours the food and forms

gases. Undigested food delayed in the stomach decays, or rathor, ferments the sametas food left in the open air, says a noted authority. He also tells us that Indigestion is caused by Hyper-acidity, maning, there is an excess of hydro chloric acid in the stomach which prevent chloric acid in the stomach which prevents complete digestion and starts food fer-mentation. Thus everything caten sours in the stomach much like garbage sours in a can, forming acried fluide and gases which inflate the stomach like a toy balloon. Then we feel a heavy, lumpy misery in the chest, we beloh up gas, we eructate sour food or have heart-hum fluidence weterbrach or source we eructate sour food or have heart-burn, flatulence, water-brash or nausea. He tells us to lay aside all digestive als and instead, get from any pharmacy four onnees of Jad Salts and take a tablespoonful in a glass of water before breakiast and drink while it is effer-vetting and furthermore, to continue this for a week. While relief follows the first dose, it is important to neutral-ue the acidity, remove the gas-making mass, start the liver, stimulate the kid-réty and thus promote a free flow of mass, start the liver, stimulate the kid-rety and thus promote a free flow of pute digestive juices. Idd Salts is inexpensive and is made from the acid of grapes and hemon juice, combined with lithia and sodium phos-plate. This harmless salts is used by mounands of people for stomach trouble with excellent results.
