In some unaccountable manner a rumor was started several days ago, which is fast spreading and caused much apprehension to the members of his church and his many friends and acquaintances generally, that Rev. L. Myron Booser had resigned or was going to resign his pastorate of the Presbyterian church, and locate elsewhere. Mr. Booser who knows nothing whatever of the origin of the rumor, said today that it was wholly without foundation, as he had not resigned nor was he going to, and that he would continue to reside here.

The public generally is urged to come out tonight and see the fish school break the hoodoo that has long hung over its athletic activities by attending the basket ball game at the Natatorium which begins at 7:30 between the Medford and Ashland H. teams. Ashland was again the victor in a well played and exciting game last night in that city by the score of 25 to 15. Opinion seems to be unanimous that the game Medford team encountered some very tough luck on the small playing floor with which its members were not familiar. A great game is looked for tonight on the large home floor.
