Medford has seen the last of its ersatz retail army stores, which was only in existence for three days two weeks ago when it was closed because of the stock all being sold. T. Tingley, the manager, announced last week that the store would probably reopen this week with a new stock of supplies, but today Mr. Tingley, who was in the city from Grants Pass, stated that the local store was a thing of the past because he had been unable to procure from the quarters master's department of the army a sufficient variety of supplies, shoes, food and goods to enable him to reopen the store. He can get plenty of bacon and blanks, but little else.

More marriages were seen at one time in Medford today than ever before, and the sight of the familiar dress uniform of the soldiers was a welcome one to the public. The street parade and band concert by the "Rogue River Marines" this afternoon was much enjoyed. Tonight's free concert, vaudeville, moving picture and boxing entertainment for the marines begins at 8 o'clock, and indications are that the theater can not build all the great crowd expected. The seventy marines arrived here last night in their special cars from Sacramento and will leave for Eugene Friday night. They will probably give a concert at Ashland tomorrow afternoon.

The St. Patrick's party which was held at the Medford natatorium last night was a big success. The large hall was crowded with dancers and spectators from 9 p. m. till after midnight. Eminent guests, St. Patrick's favorite color, was much in evidence even the imperial cybersia being arrayed in green sweaters. Special features in keeping with the day caused a pleasing diversion, among them being several prize dances. A selection by the marine quartet was much enjoyed as were several Irish songs by Herbert Alford. The next natatorium dancing party will be given Saturday, March 20th.

BLISS NATIVE HERB TABLETS

The pain from Rheumatism is usually the result of the failure of the KIDNEYS to remove the uric acid crystals, and also because you are CONSTIPATED. BLISS NATIVE HERB TABLETS are the product of Roots, Herbs, and Berries that act on the bowels and kidneys, removing the waste product that poisons the blood. One BLISS NATIVE HERB TABLET at night will relieve you the same as 100 grains of L. Kells, Sars., Va., who says: "For one winter I suffered with muscular rheumatism. I tried all the remedies I heard of without gaining relief, and I can't tell you how I suffered. A physician prescribed for me, and I also tried electricity, but nothing relieved me permanently until I used BLISS NATIVE HERBS as directed. Thanks to DOCTOR A. O. BLISS, I shall always praise BLISS NATIVE HERBS. Each box contains a GUARANTEED coupon, and is sealed with a blue seal bearing signature of ALONZO O. BLISS. For sale by all leading druggists in boxes containing 200 doses for \$1.00 and a smaller size for \$1.50. Made by A. O. BLISS, WASHINGTON, D. C. ADV.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

Guaranteed to Put on Flesh, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Weak, thin people—men or women—are nearly always nervous wreck. This conclusively proves that thinness, weakness, ability and muscularity are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.

Eminent specialists state that the best nerve food is an organic phosphate known among druggists as Bitro-Phosphate, a precious tablet of which should be taken with each meal. Being a genuine nerve building and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the result follows: Weak, tired people regain strength and vigor, thinness and angularity give way to plumpness and curves; sleep returns to the sleepless; confidence and cheerfulness replace debility and gloom; dull eyes become bright; and pale, sunken cheeks regain the pink glow of health. Bitro-Phosphate, the use of which is inexpensive, also wonderfully promotes the assimilation of food, so much so that many people report marked gains of weight in a few weeks.

CAUTION—Although Bitro-Phosphate is incorporated for relieving nervousness, sleeplessness and general weakness, it should not, owing to its remarkable flesh-growing properties, be used by anyone who does not desire to put on flesh. Adv.

Who Makes the Tractor?

Before you buy any tractor you ought to know something about the organization behind the machine. The country is full of "orphan" tractors. For lack of capital or for some other reason the makers of these "orphan" tractors have quit the field and their owners are unable to get service and are left to shift as they may.

If you are wise you will buy a tractor made by some well-known and solidly established company that will stand lack of your machine as long as it lasts.

We will be glad to have you investigate the standing, reliability and scope of the Cleveland Tractor Company, makers of the CLETRAC.

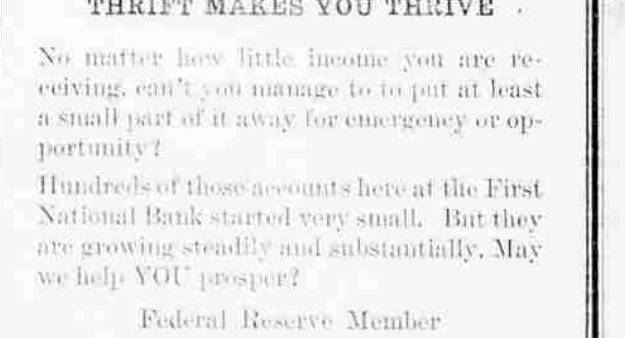

This Company is the largest manufacturer of tank-type tractors in the world.

It owns one of the most modern manufacturing plants in Cleveland, Ohio, located on 105 acres of its own land. The CLETRAC was designed and the Cleveland Tractor Co., was organized by Rollin H. White who is one of America's best known automotive engineers. Mr. White is the President of the Company and with him are associated some of the most successful industrial leaders of Northern Ohio, and the Cletrac Manufacturing, Engineering and Marketing organization includes a group of picked men who are widely and favorably known in the farm machinery, automobile and truck field.
