A Friend Recommends Them
A person often does more good than he realizes when he tells a suffering friend how to get well. J. N. Tohill, clerk Lottio Hotel, Evansville, Ind., writes: "For weeks I suffered constantly with pains in the muscles of my thigh. I was treated by the doctor for rheumatism but found no relief. Upon recommendation of a friend, I tried Foley Kidney Pills and began to get relief almost immediately." Good for backache, rheumatic pains, stiff joints. For sale by Medford Pharmacy.

Notice to Exterminate Ground Squirrels. Every person, firm, co-partnership, company or corporation residing on, owning, leasing, occupying, possessing or having charge of or dominion over any land, building, wharf or dock infested with digger ground squirrels in Jackson County, Oregon, is hereby notified to begin at once to effectively exterminate and destroy all such digger ground squirrels.

The following poison for mixing and instructions for use thereof is the method most expedient and effective to be used for the extermination and destruction of such ground squirrels and is hereby recommended, to-wit: Alkaloid strychnine used on either barley or wheat, barley preferred, mixed according to the following formula and manner, to-wit:

Barley, clean grain, 16 quarts. Strychnine (powdered alkaloid) 1 ounce. Carbamate of soda (baking soda) 1 ounce. Thin starch paste, 2-4 pint. Heavy corn syrup, 1-4 pint. Glycerine, 1 tablespoon. Saccharine, 1-10.

This material should be mixed as follows: Mix thoroughly 1 ounce of powdered strychnine (alkaloid) and 1 ounce of common baking soda. Sift this into one-half pint of thin starch paste and stir to a smooth creamy mass. (The starch paste is made by dissolving 1 heaping tablespoonful of dry gloss starch in a little cold water, which is then added to three-fourth pint of boiling water. Boil and stir constantly until a clear thin paste is formed.) Add one-fourth pint of heavy corn syrup and one tablespoonful of glycerine and stir thoroughly. Add 1-10 ounce of saccharine and stir thoroughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated.

One quart of the poisoned grain mixed as aforesaid is sufficient for 40 or 50 birds and this quantity scattered along squirrel trails or on clean hard places on the surface about the holes will not endanger stock. Strychnine in any form other than the powdered strychnine (alkaloid) is not effective in the above formula.

From the date hereof until May 1st is the most effective time to poison and destroy the digger squirrels, as they are just emerging from their hibernation. They are hungry and food is scarce.

The County Court of Jackson County, Oregon, has secured a large amount of strychnine and the other ingredients necessary for the mixture, and a quantity thereof has been mixed and is now on sale to the farmers or persons interested, at actual cost and may be had by applying to the undersigned at his office in the Liberty building, or at the following places: Ashland Fruit & Produce Association, Talent Mercantile Association, Phoenix Mercantile Co., Rogue River Fruit & Produce Association, Medford Fruit & Produce Association, Perfection Store, Applegate, Paxson Drug Store, Central Point, Brown Bros., Eagle Point, Kafer & Son, Brownsville, Tabik Rock Store, Table Rock, Bowers Drug Store, Gold Hill, Don Wilson's, Rogue River, A. H. Thompson, Lake Creek, C. E. White, Sams Valley.

If any person herein designated shall, within thirty days from the first publication of this notice, fail to begin in good faith to exterminate, eradicate and destroy, according to the method aforesaid, or by any other effective means said ground squirrels herein designated, the county court of Jackson County, Oregon, will appoint a person or persons to proceed with the extermination and eradication of such ground squirrels, and the cost thereof incurred will be assessed to such land, building, wharf or dock, and unless paid will become a lien against the same, for the extermination of said ground squirrels. This notice is published pursuant to the statute in such case made and provided and for two consecutive weeks or three issues, and all persons described therein are required to take notice thereof. Dated and first published this 24th day of March, 1920. CLAUDE C. CATE, County Agent for Jackson County.
