**THIS WILL INTEREST STOMACH SUFFERERS**  
 Says Indigestion comes from an excess of hydrochloric acid.

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals soon like garbage in a can, forming acid fluids and gases which inflame the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, water-brash, or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Iod Salts and take a tablespoonful in a glass of water before breakfast while it is effervescing, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Iod Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with Ithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.

**BROWN & WHITE REALTORS**  
**MEDFORD, OREGON**  
 40 acres all fine free soil, 20 in alfalfa, 10 in grain, 5 acre wood lot, about 30 fruit trees, there are now 25 acres under the ditch and the balance will be: a fine house, all modern conveniences, a beautiful view of the valley, good barn and all necessary outbuildings, close to good schools and only 1/2 mile from paved highway. This will bear close investigation. Price \$19,900.

30 acres, all fine free soil, all in cultivation, 20 now under the ditch and being seeded to alfalfa, 7 acres best varieties pears 8 years old and in fine condition with a splendid crop set for this season, a fine large home with all modern conveniences; the improvements alone would cost you more than the price now asked. Let us show you this and explain why it can be bought at the price and the very liberal terms offered.

All we ask of any honest and sincere buyer is a chance to show what we believe to be some of the very best values ever offered in this valley whether a small cottage in town or an Orchard, Grain, Alfalfa or Stock ranch.

**JOYFUL EATING**  
 Unless your food is digested without the aftermath of painful acidity, the joy is taken out of both eating and living.

**KI-MOIDS**  
 are wonderful in their help to the stomach troubled with over-acidity. Pleasant to take—relief prompt and definite.
