Mrs. E. H. Porter of Medford, who has been living at Worcester, Mass., for the past year and a half due to the illness and death of her mother, and the settlement of the latter's estate, is in a serious condition there, according to a telegram received this morning by Dr. E. H. Porter, summoning him to come to Worcester at once. Mrs. Porter and children were just about to start for Medford to rejoin Dr. Porter two weeks ago and had written the doctor to meet them in Portland last Sunday when Mrs. Porter in an accidental fall broke her right hip. Then came this morning's alarming telegram. Dr. Porter will start east as soon as he can obtain railroad transportation, travel to the east congesting the railroads now and causing delays of a day or so in the selling of thru tickets.

and it wasn't his crime

Justice sometimes goes wrong. Men are often punished for crimes they do not commit. And when we thoughtlessly take purgatives and cathartics to relieve stagnant bowels, we are committing a similar injustice.

When the system is unable to remove food waste at regular intervals, it is the food waste, and not the system, that needs correction.

Every other form of treatment either irritates or forces the system. Nujol works on the waste matter instead of on the system. By this entirely new principle Nujol will keep the poisonous waste moving out of the body.

Nujol prevents constipation by keeping the food waste soft, thus helping Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

It is absolutely harmless and pleasant to take—try it. Nujol is sold by all druggists in bottles only, bearing the Nujol trade-mark. Write: Home Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger."
