

EASTER

Silverware

For the Easter Bride

Appreciated beyond adequate expression by the bride is the gift of table silverware. It is a pleasure and a treasure today—tomorrow—for all time.

The Lansdowne has excellent proportion and balance and though a fancy design, has just enough decoration to give it distinction.

Also showing the famous Etruscan and other exclusive patterns in both flat and hollow ware.

Handsome silver tea services to match many of our various patterns.

Diamond engagement rings, in all the latest designs \$10.00 to \$3,000.00.

REPUBLICANS WILL FORM HOOVER CLUB SATURDAY APRIL 3

A Hoover Republican club will be formed in Medford Saturday noon. Welborn Beeson of Ashland, state committeeman representing Jackson county, made this announcement today and all republicans, men and women, who are for Hoover, are urged to attend a luncheon at the Hotel Medford.

The state committee has no funds. Therefore each guest will pay for his own luncheon to the amount of fifty cents. There will be no long winded speeches and no formality. Hoover republicans are merely asked to meet together, discuss the situation and form the nucleus of a Jackson County Hoover organization.

All men and women who can attend the luncheon are requested to call the Mail Tribune 75, before 4 p. m. Friday so it may be definitely known for how many to provide.

Mr. Hoover is now a candidate for the presidency, and it is believed that if the desire of the people is made sufficiently manifest he will be nominated. At any rate there are a large number of people who want to see his name on the primary ballot and that is primarily the object of this meeting. Hoover petitions will be presented and signatures secured. It is not believed the meeting will take over an hour.

Don't forget the time, Saturday noon, April 3d, at the Hotel Medford.

WILL YOU AID IN THE WAR AGAINST HUNGER IN EAST?

Have you pondered the full meaning of the slogan of the committee for Near East relief? "Hunger Known No Armistice!" Let its meaning sink in! There is no armistice in the pitiless war which hunger is waging on the 250,000 orphans, and over 800,000 destitute adults in the Near East. It is a war to the death! The only ammunition these sufferers can obtain to carry on the bitter fight against cold and starvation, are the supplies which the warm and generous heart of American is furnishing, and will continue to furnish until the next harvest can make these people self-supporting. They are not beggars,—wherever it is possible to open up local industries, they work early and late to make themselves self-supporting, over 87,000 of them being so employed at present under the direction of the Near East Relief. But the Turks utterly destroyed every house and industrial plant possible when they drove the people from their homes to die.

Hunger knows no armistice! Have you ever been so hungry that you were starving, and knew there was no hope to obtain any food? Few of us have. But picture how you would feel in such a situation, and out of thankfulness that such a situation has not confronted you, if for no other reason, give liberally to the Near East Relief campaign which is now on.

WALTER FRASER BROWN IS NAMED DIRECTOR

Walter Fraser Brown will be the campaign director for Jackson county in the united campaign of the great inter-church World Movement of North America. Mr. Brown recently received notice of his appointment from Orion E. Goodman of Portland, who is campaign director for Oregon. Mr. Brown while not yet in possession of the exact details understands that the campaign will be on in the last week of April and the first week of May. The campaign is for a great cooperative movement of the churches of the various denominations to get non-members into the churches.
