NO APOLOGY FOR SUPPORT SAYS HOOVER

"It Was My Duty to Support the President During the War," the President of the American Red Cross, Charles G. Dawes, today said in a letter to the President of the American Red Cross, Charles G. Dawes, that he had "no reason to be ashamed of the work done by the American Red Cross during the war." "I was proud to serve in the war," Dawes said, "and I am proud to continue to serve in the work of the American Red Cross." The letter was written in response to a request from the President of the American Red Cross, Charles G. Dawes, for an explanation of the reason for his resignation from the American Red Cross, Charles G. Dawes.

PORTERVILLE GARAGE TANK EXPLODES, TWO KILLED, MANY INJURED

Washington, D.C. — A tank explosion at the garage of the Porterville Block Company in Porterville, Cal., killed two men and injured several others today. The explosion occurred while the men were working on the tank, which was being used to store fuel oil. The cause of the explosion is under investigation.

U.S. REPORT ON ARMENIA SENT TO THE SENATE

President Wilson transmitted to the Senate today a report on the conditions in Armenia, which has been prepared by a commission appointed by him. The report states that the Armenians are suffering from great difficulties due to the war, but that they are making every effort to overcome them. The report also states that the American Red Cross, Charles G. Dawes, is doing excellent work in Armenia, and that it is doing everything that can be done to assist the people of that country.

BUY LIBERTY BONDS DON'T SELL THEM, PLEA GOVERNOR STEPHENS

Toledo, Ohio — Governor Stephens, of Ohio, today issued a plea to the people of Ohio to buy Liberty Bonds and not to sell them. He said that the sale of Liberty Bonds would be a serious loss to the country, and that the people of Ohio should do all they can to help the war effort.

EXPECT WATER IN VALLEY BY SPRING 1921

A report of the Secretary of Agriculture, William C. Plummer, indicates that water will be available in the arsenic valley by spring 1921. The report states that the construction of a dam on the Ohio River will provide water for the valley at that time.

ATTORNEY GENERAL PALMER STARTS DRIVE ON SOFT COAL PROFITEERS

Washington, D.C. — Attorney General Palmer, of the United States, today started a drive on soft coal profiteers. He said that these profiteers were charging exorbitant prices for coal, and that he intended to take legal action against them.

1920 POPULATION RETURNS SHOW BIG INCREASE IN EAST

Washington, D.C. — The 1920 population returns show a big increase in the eastern United States. The population of the United States as a whole increased by 15 per cent, but the increase in the eastern states was much greater. The population of New York, for example, increased by 25 per cent.
