C. OF C. QUARTET IN FIRST APPEARANCE

The Chamber of Commerce quartet made their initial appearance at the members forum meeting at the Holland Hotel yesterday noon and the several numbers were splendidly rendered and well received. The next appearance of this quartet will be at the Chamber of Commerce membership meeting at the assembly room of the library next Monday evening at which time the tellers will announce the final result of the election now going on.

Rev. D. E. Millard is the song leader of the Chamber and it was through his influence that the Chamber of Commerce quartet was obtained. A number of special community selections are to be arranged for which it will be up to the membership of the chamber to join in the chorus.

The personnel of the quartet is as follows: George E. Maddox, first tenor; Rev. D. E. Millard, second tenor; W. P. Bentley, first bass and John Kirkpatrick, second bass.

UNION DISPUTE SILVERTON MILL TO BE PROBED

SALEM, April 8.—The government has recognized the gravity of the situation and has ordered C. Y. Harry, of Portland, to Silvertown to investigate the controversy between the Silver Falls Lumber company and the United Timberworkers union, that has caused a strike in the company's mill there since Monday morning. It was stated in advices from there today. Mr. Harry, it is understood, has been called to Seattle, and it is not known whether a substitute will be directed to the scene of trouble by the federal labor bureau.

At a meeting last night, addressed by Clair Covert, president of the International Timberworkers union, of Seattle, he declared that unless the Silver Falls Lumber company agreed to take the members of the union back into their employ, the strike of timberworkers will spread in sympathy all over the northwest.

Seattle visitors in the city include W. A. Dunbar, F. M. Southwick and A. Slutzner.

Professor Says: "Internal Baths Give Best Results"

Horace T. Dodge, M.D., Professor of Materia Medica, 25 Jacobson Bldg., Denver, writes Tyrrell's Hygienic Institute of New York as follows:

"I can truthfully say that I have had the very best results in my experience with the 'J. B. L. Cascade.' You certainly have struck the keynote of many diseases."

"By means of the 'J. B. L. Cascade' simple warm water cleanses the lower intestine the entire length, removes all the poisonous waste therein and keeps it clean and pure, as Nature demands it shall be for perfect health."

You will be astonished at your feelings the morning after taking an internal bath with the 'J. B. L. Cascade.' You will feel bright, brisk, confident and as though everything is working right—and it is.

It absolutely removes constipation and prevents Auto-intoxication.

Health's and West Side Pharmacy will show and explain the 'J. B. L. Cascade' to you, and will also give you, free on request, a most interesting booklet, 'Why Man of To-day Is Only 50% Efficient,' by Dr. Chas. A. Tyrrell, of New York, for 25 years a specialist on internal bathing. Ask for it to-day. Adv.

IRISH PICKETS BRITISH ENVOY LAND IN JAIL

WASHINGTON, April 8.—Irish pickets appeared at the British embassy again today and were promptly arrested by the police on charges of violating a federal statute.

The pickets arrested were: Misses Mary Galvin, Philadelphia; Maura Quinn, Jamaica Plains, Mass.; and Katherine McKeon, Philadelphia. The women did not furnish bail

and were taken to the house of detention to await preliminary trial before United States Commissioner Richardson. They probably will be heard Monday along with the other four arrested earlier in the week.

BILL FARNUM FIGHT AT RIALTO TENSE

William Farnum followers—and their name is legion—are happy over another opportunity to see the "strong man of the films" in a new photoplay, "Wolves of the Night," shown for the first time at the Rialto theatre yesterday, for the rest of the week.

William Farnum puts one of the

most dramatic and intense fights ever staged into the thrilling ending of his new photoplay, "Wolves of the Night," a fight into which Farnum throws himself with the agility of an athlete and the skill of a champion. As the desperate man, resolved to win back wife, child and fortune, from devilish schemers, he locks himself in an office, attacks three who attempt to coerce him with a pistol, and there, in an stirring encounter as has ever been picturized, baffles them. This fight is just one of the many intense scenes in that compelling photoplay of love and finance.

LOUISVILLE, Ky., April 8.—A "Hoover for president" republican club, the first in Kentucky, is being formed in Louisville. Sixty-six persons, nine of whom are women, are identified with the club to date.

GERMANS TURN OVER WARSHIPS TO ALLIES

LONDON, April 8.—The German battleships Nassau and Ostrifriesland arrived at the Firth of Forth yesterday, this constituting the commencement of the surrender of the remainder of the German warships under the terms of the treaty of Versailles. Ultimately the Ostrifriesland will be turned over to the United States.

The battleship Ostrifriesland was placed in commission in September, 1919. Her normal displacement is 22,800 tons, her length 540 feet and her beam 93 feet. The complement is about 1,100 men.
