

FUNERAL SERVICES. MRS. GEORGE GATES SUNDAY AFTERNOON

The funeral services for Mrs. George Gates who died early Saturday morning were held yesterday afternoon at the Presbyterian church being in charge of American Legion, of which the deceased was a member, and the Medford lodge of Elks. The services were simple, were unusually impressive and affecting. After a reading from the Psalms by Rev. L. Myron Boozer, Rev. J. Randolph Sargent of the Methodist Episcopal church delivered prayer followed by a most touching tribute to the deceased by the Presbyterian pastor. The pulpit of the church before which the casket was displayed, was a mass of beautiful flowers, floral offerings coming from Portland and other parts of the state as well as from relatives in Kansas. Two beautiful floral pieces were received from the Elks and Medford Legion. The following girl friends had charge of the flowers, Miss Louise Williamson, Miss Frances Kenny, Miss Catherine Deuel, Miss Hazel Brown, Mrs. Mildred Antle Schuchard, Mrs. Virgil Strang, assisted by Frank Hay and Horace Bromley. During the services Sam Leonard, Luther Deuel, Seely V. Hall and Harold Cochran, representing the army and navy acted as a guard of honor. The Presbyterian choir consisting of Wm. Vawter, F. C. Edmeades, Mrs. Edna Isaacs, Miss Ruth Warner, and Mrs. H. E. Marsh, organist, gave a beautiful rendition of "Lead Kindly Light" and "Abide With Me." Ushers from the American Legion were Commander George Coddling, Orville Barr and C. Y. Tenswald. Interment was in the Jacksonville cemetery.

JOHN B. WEIMER'S PLATFORM FOR SHERIFF

To the Voters and Taxpayers:
Basing my candidacy for sheriff on being thoroughly qualified to handle any part of the work of the office, I give here a few important matters to be considered by the taxpayers and voters, which I propose to do if nominated and elected sheriff of Jackson county.

My Platform
Continuous office hours from 8 a. m. to 5 p. m. each day, including the noon hour.
Establishment of more adequate methods of handling tax collections without additional expense.
Change of administration with reduction instead of extra cost to taxpayers.
Elimination of errors in tax collection matters by more efficient methods of handling same.
Reduction of expenses by proper organization of office force and adoption of methods needed therein.
Establishment of methods which will save the taxpayers from \$500 to \$1000 per year in matters of making up tax receipts.
An equitable enforcement of the laws incumbent on me to enforce without fear or favoritism.
My incumbency as City Recorder of Ashland, prior to resigning to enlist in the U. S. Army, shows by records recorded therein that I saved the city more than \$2,000.00 for the year 1917, and by careful study, was instrumental in reducing the 1918 city tax 2.8 mills on an assessed valuation of \$2,661,000.00, a saving of \$7,450.00 to the taxpayers for year 1918. I feel from my experience as chief deputy in tax collection department of sheriff's office last six months of 1919, that I can do as well in proportion for the taxpayers of Jackson county.
If you believe in and want that kind of an administration, which I feel any business man of Ashland, where I am better known, will vouch I am capable of giving you, then I earnestly solicit your support May 21 for "Office EFFICIENCY and law enforcement; for 100 per cent Americanism."
JOHN B. WEIMER,
Candidate for nomination for Sheriff, Republican ticket. Adv.

A. E. Kinney was in Medford today enroute to Jacksonville to file his declaration as a candidate for the republican nomination for county commissioner.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute
Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.
The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.
Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 10c and 25c.

WESTERLUND WON'T BE A CANDIDATE

At the next session of the Oregon legislature a familiar figure will be missing from the legislative halls, as John A. Westerlund, in response to many inquiries from friends, who have requested him to run for another term in the house announced today that he will not do so for business reasons.
Mr. Westerlund has been a republican member of the house of representatives for three terms since 1911, excepting the session of 1915-1917.
"I like to be a progressive citizen and serve my county and state," said Mr. Westerlund today, "but I can no longer give time to service in the legislature because my business interests require my entire time. I have done my part in the past at considerable sacrifice to my business."

FRED G. BUCHEL IS A CANDIDATE AGAIN

Sound business, aggressiveness and protection of the public, is the triple theme in the platform of Fred G. Buchtel, chairman of the public service commission, who has filed with the secretary of state his announcement as a candidate for renomination by the republican party.
Mr. Buchtel, as one of the three members of the commission, represents the western Oregon district, comprising the counties of Benton, Clackamas, Clatsop, Columbia, Coos, Curry, Douglas, Jackson, Josephine, Lane, Lincoln, Linn, Marion, Multnomah, Polk, Tillamook, Washington, and Yamhill.
Mr. Buchtel has fearlessly done what he considered his duty regardless of the results to himself, has been a friend of the people in his decisions in the telephone, telegraph and gas cases affecting this part of the state and at the same time giving the corporations a square deal.
Mr. Buchtel has a large number of friends in Medford and southern Oregon and will secure their support at the polls May 21.

at military headquarters that Col. Juan Escobar, until several days ago private secretary to General Calles, and who was Saturday designated to take command of all forces garrisoned in and around the Moctezuma district, has arrived at Altar to negotiate with the Yaqui Indians under command of Chief Anton, who is said to have about one thousand followers. According to reports, the Indians have signified their willingness to join the Calles forces in taking up arms against the federal government. It is stated at headquarters that in event the negotiations culminate satisfactorily the Indians will be sent to the Chihuahua state line to re-inforce state troops now stationed in that section.

U. S. TAKES HAND IN STRIKE.

At Akron, striking switchmen on the Erie, Baltimore and Ohio and Akron, Canton and Youngstown railroads voted at a mass meeting to return to work; 250 of the 300 strikers at Fort Wayne voted to return to the yards this morning and the remaining workers, employees of the New York Central, will meet today to decide their course.
At Saginaw 100 Pere Marquette switchmen decided to return to work today and volunteered to go to Detroit, Toledo, Ludington and Flint to aid in restoring normal service.
In the far west and various other cities in the middle west local unions voted not to join the strike, Seattle, Tacoma, Everett, and Auburn, Wash., and Cincinnati, Little Rock, Ark., Memphis, Tenn., and St. Joseph, Mo., switchmen registering that intention.

tions were improved. The company's engineers voted to remain "loyal."
The first vote on a sympathetic strike in Canada was negative, the Winnipeg branch of the International Switchmen's union deciding not to sanction any sympathetic walkout.
Thirty switching crews in the Erie Yards at Kent, Ohio, voted to resume work today.
Despite these reports, however, Grunau declared "we are going to win."

Thousands Are Idle
In the Chicago district and at neighboring steel centers thousands of men were idle today because of the strike. At the steel yards promises of a minimum delivery of 186 carloads today brought a more optimistic outlook, although hundreds of men still would remain idle.
Steel Mills at Youngstown, Ohio, were idle today because of a coal shortage, and steel mills and coke ovens at Gary, Ind., were crippled seriously. Nine thousand men were idle at the American Sheet and Tin Plate plant at Gary.

The Lake Carriers association at Toledo announced that the opening today of lake navigation had been postponed because of the rail tieup. In requesting negotiations looking toward ending the strike, President

YOUNG GIRLS MADE STRONG

Mrs. Boyd Tells How Her Daughter Benefited by Taking Lydia E. Pinkham's Vegetable Compound.

Danville, Ill.—"My daughter was very delicate and we thought we could not raise her. She was troubled with irregularity and she was not able to go to school. For a year we gave her all kinds of tonics but to no good. One day one of your little books was thrown on our porch and I saw what Lydia E. Pinkham's Vegetable Compound had done for others and what it might do for her. Now she is getting fat and goes to school every day. You can tell every mother what the Vegetable Compound has done for my daughter."
Mrs. J. H. Boyd, 1002 N. Jackson St., Danville, Ill.
If every girl who suffers as Miss Boyd did, or from irregularities, painful periods, backache, headache, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering.
For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years' experience is at your service.

The Strike of the Switchmen

"To the Public: . . .

"Strikers who have not returned to work are being replaced by men. This will be swiftly and vigorously followed until normal service is restored.

"The strike was without notice to the railroad. It is not authorized by any railroad brotherhood. It violates working agreements, violates the rules of the brotherhoods, to which the men belong, and violates the law of the United States (Section 301, transportation act of 1920).

"It is in defiance of the order of the railroad brotherhoods' executives and has neither the sympathy nor support of the overwhelming majority of railroad employes.

"New men will be given seniority rights in order of employment. Wages are sixty-four cents an hour for eight hours work a day and ninety-six cents an hour for overtime. Good board and lodging are arranged for at the job. Protection assured.
