

### In the Spring Time

Any fool knows enough to carry an umbrella when it rains, but the wise man is he who carries one when it is only cloudy. Any man will send for a doctor when he gets bedfast, but the wiser one is he who adopts proper measures before his ills become serious. During a hard winter or the following spring one feels run-down, tired out, weak and nervous. Probably you have suffered from a cold, the Grip or flu, which has left you thin, weak and pale. This is the time to put your system in order. It is time for house-cleaning.

A good, old-fashioned alternative and temperance tonic is one made of wild roots and barks, without the use of alcohol, and called Dr. Pierce's Golden Medical Discovery, in tablet or liquid form. This is nature's tonic, which restores the tone of the stomach, activity of the liver and steadiness to the nerves, strengthening the whole system. First put up by Dr. Pierce over 50 years ago, now procurable at any drug store; or send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package.

### MINERS PLEASED; NEXT CONVENTION MEETS IN PORTLAND

G. E. Stowell, who is mining engineer of the Oregon Bureau of Mines and Geology, has returned from attending the international mining convention which just closed at Seattle, enthusiastic over the fact that the convention voted to hold its next meeting year at Portland. W. B. Robinson, engineer of the Blue Ledge mine, was the only other delegate present from this section.

The convention is held annually to consider questions dealing with commercial and legislative interests of miners, and delegates were present from British Columbia, Alaska, Oregon, Washington, Idaho and California. It was mainly through the efforts of Henry Pykes, director of the Oregon Bureau of Mines and Geology, that the next convention will be held at Portland, as it is deemed that Oregon and Portland need the educational benefit that the convention would bring.

It is planned to make the Portland convention one of the largest and best ever held by the organization, at which the need of capital and good organization to develop the mines of Oregon will be featured prominently.

### SAM'S VALLEY

Many of us who had thought spring established were somewhat surprised Wednesday morning to face our surrounding mountains all bedecked in snow.

Rev. Edgar of Central Point, delivered an interesting sermon Sunday afternoon. The minister promised to make an effort to be with us once a month; so with Mr. Frodenburg filling in between we may be able to enjoy services more often in the future.

Mr. Straus finished last week soliciting for the Armenian fund and believed with the other solicitors they had almost reached our quota. Also Mr. Straus found almost every farmer willing to join the Farm Bureau Exchange.

Mrs. Wilcox, son and daughter Harry and Miss Ethel, all of Table Rock, attended religious services here Sunday.

Mrs. Zimmerman was suddenly taken ill early Sunday morning. Friends hope for a speedy recovery.

Wm. Lewis of Central Point, entitled "Sheep King of Jackson county," was looking up some sheep in this precinct this week.

Misses Clawson and Duncan were two of Central Point's prominent young ladies who attended church here Sunday; also in their company was Mrs. Edgar, wife of the minister.

J. L. Nealon of Table Rock, was a business visitor in this section Tuesday.

C. E. Wilhite, our energetic young merchant lately purchased a new Reo truck.

Mr. Schulz was visited Sunday by his father and brother of Medford.

Miss Katherine Nealon was re-elected as teacher for the fall term of school.

W. W. Edington and family attended the funeral of the little Myers baby at Rogue River Sunday. Friends extend their deep sympathy to Mr. and Mrs. Myers in their recent sorrow.

**Could Not Stand Straight**  
It does not take long, when the kidneys are out of order and not doing their work properly, for poisonous acids to accumulate in the system and cause aches and pains. D. C. Diamond, 2865 W. 30 St., Cleveland, O., writes: "I caught cold and it settled in my kidneys. My back and sides were so lame and sore I could not stand straight. I used Foley Kidney Pills with good results and am glad to testify to their helping power."
