

Local Briefs

That there was 9 feet of snow at Crater Lake on April 18 is the word Superintendent Sparrow received here yesterday from Ranger Brown. This is the same depth that the snow was last year at this time and indicates that the official opening of the tourist season at the lake will be as usual, July 1st, altho people may be able to go to the lake and return long before that period.

Tablets and scratch pads made of news print, for school and office use for sale at this office.

If you have a 5 or 6 room unfurnished bungalow to rent by about May 1, and want a good renter, young couple, address H. M. Mail Tribune.

Following the frost of Sunday morning at 27 degrees which did very little damage there was a heavier frost this morning at 26 degrees in Medford and immediate vicinity and from 24 to 25 degrees in the low lying sections of the valley, which in the opinion of County Agent Cate this forenoon did not commercial damage to the fruit trees, but in some places of the lower sections thinned out cherries and peaches which could stand much thinning. It was cloudy until midnight and then the temperature began to fall until at 6 a. m. today the minimum was reached. Smudging began at midnight. Another light to heavy frost is predicted for tonight.

Let's all jazz down to the senior play Friday night.

GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat less meat if you feel Backachy or have Bladder trouble—Salts fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize those irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
