ASHLAND I. O. O. F. WILL CELEBRATE THURSDAY NIGHT

ASHLAND, April 28.—Local Odd Fellows of Ashland Lodge No. 45 will celebrate the 101st anniversary of the order in general on Thursday evening, this week, April 29. The affiliations here are the subordinate lodge No. 45, Pilot Rock Encampment No. 16, and Canton Siskiyou No. 14, collectively a big membership triple linked in fraternal spirit and substantial growth. Added to these is the membership of Hope Rebekah lodge No. 14, the women's auxiliary, a flourishing organization of approximately 200 members and rapidly growing. Ashland lodge No. 45 has about 150 members. Dr. W. E. Buchanan is noble grand, and L. E. Roberts recording secretary. Mrs. Maybel Jordan is the presiding officer of the Rebekahs. The institution of the order in Ashland was almost a matter of pioneer history, altho the year of erection of its temple was 1879, sometime after the lodge secured a firm footing in this locality, where it continues a leading exponent of fraternalism.

The E. H. Bush family have moved from the Holmes property, corner North Main and Laurel streets, to the Eggleston place on Church street. Mrs. Wm. Cordell will join the R. J. Edwards family, at Alhambra, Cal. to remain indefinitely. Reports reaching here indicate that Mr. Edwards has been offered \$25,000 for his residence property in that city, for which not long since he paid less than half that sum.

The Ashland Iron Works is in the employment field looking for a machinist or lathe operator in the skilled classification.

The budget teams, who merely nominally canvassed last week, having vacated the field in favor of the Commercial club drive will this week take up the white man's burden anew in raising the community budget in a sum way above par. The quota is \$6000, more than half of which was forthcoming last week incidentally to the membership campaign effort. A little well directed effort among the business interests will fill the budget fund to overflowing.

The local Masonic lodge has added current daily papers to its reading table in the lobby, including the Tidings, Mail Tribune and Oregonian. These together with a number of fraternal publications are forming the nucleus of a well equipped reading room in the near future.

A local music teacher who has attained remarkable proficiency in her chosen art in the face of serious handicap—she being practically blind—is Miss Verna Haight, who has lately received a state certificate testifying to her merits both as pupil and instructor.

On May 1, V. V. Mills will have desk room in the State Bank of Ashland, representing the insurance business heretofore conducted at the First National bank, the new designation as to writing all phases of fire risks to be known as the firm of Carter & Mills.

Schoolmates of Lillian Sullivan, formerly living here, will envy her the globe trotting trip upon which she is to enter May 7, sailing for the Orient that date on the Japanese liner, the Shinyo Maru, from San Francisco. She is private secretary to the president of the Gorham Engineering Co., and will be the house guest of the Gorhams in Yokohama while on business in Japan, later on visiting Shanghai, Canton, Hong Kong, Manila and other of the big ocean ports. At Singapore she will visit her sister Alice, who after graduating from the Young Ladies Finishing School of New York city in 1918, married Capt. Van Shreven, of the Royal Dutch navy, who is at present stationed at Holland's leading seaport in its East Indian possession.

Inasmuch as this tour extends more than half way around the globe, the homeward journey may be continued in the way of encircling it entirely via India and the Suez canal. Lillian is the daughter of Mr. and Mrs. W. H. Sullivan, the family home at present being at Marcola, in Lane county.

Hubert Prescott of Ashland, student at the State university as a sophomore, has been promoted in the Oregon unit reserve official training corps from sergeant to second lieutenant, as per announcement by Capt. R. C. Baird, of the regular army, commandant of the student corps.

Remember the Auxiliary club ball, at the Armory, Friday evening, May 7, the crowning social event of the opening spring season.

The clothing school began on Wednesday morning, April 28, and will continue Thursday and Friday, these manifold activities taking place at the Temple of Truth on the Boulevard. Subject matters connected with this industrial development work incorporate lectures and practical demonstrations, notably in connection with commercial patterns, alteration, problems in garment construction, finishing and decoration, dress forms, children's dresses, textiles, care and repair of clothing and household linens. Work in certain classifications to be done by women attending, and those taking specific courses should bring materials for such work. The three day sessions will be conducted by Miss Jessie Biles home demonstration agent from the State Agricultural college, who is superintending the work in a series of sewing schools being held in Jackson county during April.

A vacation bible school, to be held four or five weeks the coming summer, is another educational-recreational feature proposed to be held here this season, with two-hour work sessions each day. All churches are being urged to unite in this movement, which contemplates manual training, recreation, singing, bible story, etc. Information will be supplied by Rev. J. W. Hoyt of this city.

Hillah Temple will hold a ceremonial on Saturday, June 5, according to announcements recently mailed to its membership throughout the state. In the meantime the Arab patrol is practicing weekly not only for this event but also for appearance at the

big gathering in Portland, June 22-24. The suite of rooms No. 8 in the Ashland Improvement Co's block, over Mitchell's clothing store, are being fitted up for occupancy by Dr. George F. Kins, chiropractic practitioner, recently arrived in this vicinity.

G. P. Steele is conducting a new transfer line, with headquarters at the stand of the old Elkhorn gun store. J. J. Chambers has been elected president of the Ohio society, and Mrs. Chambers secretary. The recent reunion was a successful one in point of numbers, also interest created due to a fine program and dining event classed as superb. Ashland is in line for the reunion in 1921.

Think what Labor owes to Him!

UNTIL His thirtieth year the Master was the Carpenter of Nazareth.

Could He possibly forget those carpenter years when the years of His ministry began? Could the men who labor with their hands ever be far from His thought and prayers?

To such men, oppressed and driven, men bent by toil, with hopeless hearts, He spoke a phrase that flamed with power.

"You are sons of God," He told them.

Sons of God—brothers of their rulers and employers; with an equal right to happiness, to comfort and opportunity. All the hopes of Labor in all the centuries had their beginning in that splendid thought.

The Churches cooperating under the name of the Interchurch World Movement offer the program of the Master; and His Golden Rule.

"Whatsoever ye would that men should do to you, do ye even so to them."

By that rule the industry of the future must be directed. Its products must be not merely goods, but good; not merely wealth but happiness and character and joy.

If you believe these things, you believe in one of the fundamental purposes of the Churches and of their agent, the Interchurch World Movement.

And you have this month your chance to help. Whether you labor with hand or brain, whether you are inside the Church or out, you are a sharer in the benefits of the influence of Jesus Christ.

Help to make that influence the ruling spirit of the modern world. Help to make industry a spiritual enterprise, where men shall work together not in envy but in mutual respect—as brothers all, and "sons of God."
