## H. P. HARGRAVE RESIGNS, WILL LEAVE THE CITY

Many friends and acquaintances throughout the city and county will learn with regret that Dr. H. P. Hargrave has decided to remove permanently from Medford, to join Mrs. Hargrave and their daughter Miss Gertrude at Berkeley, Calif., where the latter has been attending the University of California since last August. As it will be three years before her course in that institution is finished Dr. and Mrs. Hargrave decided to leave the city.

Dr. Hargrave who has so long been one of the ablest and hardest working city officials has handed in his resignation as city councilman to Mayor Gates, and expects to leave for Berkeley next Monday or Tuesday, thus closing a good councilmanic record of eight years, having been elected for successive terms from the same ward. He has been a conspicuous citizen of Medford for the past 12 years, having practiced medicine and conducted the West Side drug store until he sold it out to Ralph Woodford. Prior to coming to this city Dr. Hargrave practiced his profession for several years at Phoenix, Oregon.

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box

### RED BADGE OF I. W. W. DISPLAYED BUTTE FUNERAL

BUTTE, Mont., April 28.—One thousand men, some of them wearing the red emblem of the I. W. W. marched through the streets of Butte today behind the funeral car bearing the body of Thomas Manning, one of the sixteen men shot in the clash between strikers and officers near the Neversweat mine entrance last Wednesday afternoon. Manning died Sunday morning. His funeral took place from St. Patrick's church and was made the occasion for a large gathering of strikers and their sympathizers. No banners were displayed by the marchers today and the demonstration was orderly.

More men went to work in the mines this morning, but the various companies are still short-handed. Not much more than 50 per cent of the normal force is at work. No pickets were posted by the strikers this morning. United States soldiers patrolled the avenues leading to the mines. Officers are investigating reports that shots were fired at men going back to work, but have made no arrests in this connection.

Industrial Mine Workers union No. 800, I. W. W., which called the strike against the mines, is trying to bring about a general strike in the state on May 1 as a "protest" against the shooting of strikers in the rioting of last Wednesday. None of the international unions in Butte or Anaconda has considered the proposal as far as known here.

"The National Chamber of Commerce represents a large part of the public and it seems entirely proper, indeed imperative, that an appeal should be made to this body and to all those whom you represent, to see to it that no congressman or senator is defeated because of supporting this."
