MRS. AURORE BARRETTE, popular New Hampshire woman, who says Tanlac brought about a wonderful change in her condition and that every suffering woman ought to know about this wonderful medicine.

"Tanlac is a grand medicine, and I think every suffering woman ought to know about it," was the statement made recently by Mrs. Aurore Barrette, at her residence, 133 Second Street, Manchester, New Hampshire. Mrs. Barrette, is a well known and highly respected resident of that city.

"I have not felt at all well for the past year or more," she continued. "I haven't been sick enough to be in bed, but I was far from being a well woman. At times I thought I had kidney trouble, for I suffered almost constantly from severe pains across my back, just over the kidneys. When ever I tried to do any house-work at all that dull pain would be there, and if I attempted to stoop over it just felt as though my back would break. I would get so weak and worn out I would have to sit down and rest several times a day, and I felt tired all the time.

"This condition made me awfully nervous, so that I rarely ever slept well at night, and every now and then I would jump in my sleep, as if in a fright, and my condition was really becoming serious.

"Only two bottles of Tanlac have brought about a wonderful change in my condition. In fact, the results I have received from this medicine have really surprised me. Those terrible pains in my back which used to trouble me every day have almost disappeared, and I am going to keep on taking Tanlac until they leave me entirely. I have lots of energy now, and am not only able to do my house work, but I get through the day without feeling the least bit tired. I am no longer nervous like I was, and I sleep well at night.

"I shall always be thankful for what Tanlac has done for me."

Tanlac is sold in Medford at West Side Pharmacy and by leading druggists in every town. Adv.

COUNTY ROAD WORK IS NOW IN FULL SWING

County road building is now in full swing. A fleet of five trucks, two 120-horse power caterpillars belonging to the state, and crews aggregating 200 men, are operating in various parts of the county. One hundred miles of county road is being scarified, and put in good condition for travel, including the road from Jacksonville to Central Point, the Willow Springs road, and the Jacksonville-Phoenix road. The Medford-Jacksonville road was scarified early in the year.

A large portion of the work is being done by the county in conjunction with the road district and the state. A crew of 15 men are grading the new road from Jacksonville to Ruch, eliminating the Jacksonville hill, which will be made a permanent highway if the proposed half million bond issue carries. The present work is being done under the market road provision, $40,000 being allotted, $20,000 from the county and road district and $20,000 from the state.

Market road construction has also been started from Reese Creek to Butte Falls, which will call for $20,000 divided between the state on one hand, the road district and county on the other.

In all there will be $91,000 spent this year in the county on market roads; $4,000 is also being spent on each fork of Lake Creek with aid from the United States Forestry department and the Rogue River Canal company.

Three contractors now have road crews at work, Schell and Calvert have 100 men, in the north part of the county, Oskar Huber has 50 men on the Siskiyou grade and Guebesch has 50 men working on the Ashland-Klamath Falls road. Those people who fear the passage of the $500,000 bond issue will deplete the local labor market, fail to realize that there are 200 men at work, who will be available when the present work is completed to do the work planned under the bond issue. If the bond issue fails these men will probably be idle and forced to go where road work is being done.

YANK PAINTERS RANK HIGH IN WORLD CONTEST

PITTSBURG, Pa., April 29.—American painters ranked high in the international art exhibition, which has formally opened in the galleries of the Carnegie institute here, the first since the outbreak of the world war. Announcement of honors was made at the Founders day exercises as follows:

First—Abbott H. Thayer, Monadnock, N. J., "Young Woman in Olive Plush." Gold medal and $1500.

Second—Algernon Talmage, London, England, "By the Cornish Sea." Silver medal and $1000.

Third—Walter Ufer, Chicago, Ill., "Suzanna and Her Sisters." Bronze medal and $500.

Honorable mention—Robert Spencer, New Hope, Pa., "The White Mill"; Frederick Bosely, Boston, Mass., "Looking at Prints"; George L. Coates, London, England, "The Spanish Dancer."

The exhibition contains 373 paintings. Of this number America contributed 128 while England sent 53 and France 53. The remainder came from the studios of Sweden, Denmark, Italy, Spain, Norway, Russia, Belgium, Switzerland and a few from Canada.

Wonderful Results at 70 from Internal Baths

Mrs. L. M. Wadlia, 2643 National Ave., San Diego, Cal., writes Tyrrell's Hygienic Institute of New York as follows:

"Within the last month have had wonderful results and all inflammation has nearly subsided. I could hardly expect a woman over 70 to receive benefit from a trouble of long standing as quickly as a younger person. Money could not buy my 'J. B. L. Cascade' if I could not get another."

It is difficult to believe how many internal troubles internal bathing will relieve until you realize that physicians agree that 95 per cent of human ailments are caused by accumulate waste in the lower intestine.

The "J. B. L. Cascade," the scientific method of internal bathing, removes, in a perfectly natural way all poisonous waste, and has been so successful in promoting health that over half a million intelligent Americans are now using it regularly.

It is an invention of Chas. A. Tyrrell, M.D., of New York, who for 25 years was a specialist on Internal Bathing, and it is now being shown and explained by the West Side Pharmacy.

They will give you on request a very interesting booklet on Internal Bathing by Dr. Tyrrell, "Why Man of To-day is Only 50 per cent Efficient."

Ask for it to-day and know more about yourself and your functions than you ever have before. Adv.

REV. J. W. ANGELL TAKES PLACE OF DR. J. K. BAILLIE

Rev. Joseph W. Angell yesterday morning occupied the pulpit of the Phoenix Presbyterian church, left vacant last Sunday by Rev. J. K. Baillie, D.D., who left with Mrs. Baillie last Thursday for Los Angeles to make their future home.

Rev. Angell comes from Elsinore, Cal., and has a very fine record attached to his ministry. A man of very pleasing personality and nicety of manners, inclined to keep self in the background and draw out the personal views of the one in conversation with him until his viewpoint is clearly established, he is then in position to treat the matter adroitly and with satisfaction to all concerned. He evidently believes that "in a multitude of counsellors there is safety" for he is entering upon this method of work at the outset. His first Sunday with the people of Phoenix presented some conflictions of events which would doubtless have been trying to solve even for Dr. Baillie with his long pastorate. Mr. Angell handled the situation with unusual tact.

Mr. Angell comes to Phoenix to supply the pulpit for the five Sundays in May anyway. He is an applicant for the field at the solicitation of the members of the congregation.

JAP GUARDS IN EASTERN SIBERIA ARE ANNIHILATED

WASHINGTON, April 28.—Japanese guards in the district of Nikolaevsk, eastern Siberia, are believed to have been annihilated and several hundred Japanese residents, including the Japanese consul there, massacred, according to an official statement issued by the Japanese foreign office and made public by the state department.

The Japanese statement said the suspension of communication with the district rendered it impossible to get at the real state of affairs, but that it was evident that a serious "upheaval" had taken place.

Efforts of the Japanese to dispatch a military relief expedition into the district have failed because of the ice.

Meantime, however, the Japanese have sent an expedition to Alexandrovski, accompanied by the warships Mikasa and Mishima. The forces reached their destination April 22 and found the Japanese residents in that district safe. Most of them were taken aboard the Mikasa.

The Screen

EXTRA TONIGHT—MEDFORD'S CARUSO AT LIBERTY

Tonight, Medford's own Caruso, Harry Manning will be heard in selected numbers at the Liberty theatre. This is the first public appearance of Mr. Manning for over a year and it is only due to the many urgent requests by his many admirers that the Liberty theatre was able to secure an engagement. Mr. Manning has a way of putting over his song numbers, as only a true artist can do, he has plenty of pep, jazz and personality that keeps his audience with him from beginning to end. No doubt a record-breaking audience will be on hand tonight to greet Medford's beloved Caruso. The feature picture on the program, is an entertaining screen melodrama that will make your hair stand on end, starring the great Houdini, and he has found on the screen a more vivid medium for exhibiting his uncanny self-liberating feats than even the stage offered. All in all, this is an exceptional program, meant for entertainment purposes only.

"ANNE OF GREEN GABLES" A PLEASING COMEDY

As long as life goes on and kiddies continue to be kiddies, the old interest in the child life will continue, and so, in "Anne of Green Gables," with the little orphan Anne, imaginative and unconsciously funny, there is afforded a lot of amusement in the trials and tribulations of the little girl once her dream comes true and she finds herself in a real, honest-to-goodness home.

Miss Minter appeared much at ease as the cog-tailed Anne and her humility on her arrival at Green Gables was really funny. She carried a large wicker basket containing all her "worldly possessions"—consisting mainly of a black and white chicken.

This attraction now playing at the Rialto pleases the children as well as the grown ups and you just can't help sympathizing with little Anne.

PROF. HEMSTREET WILL ENTERTAIN MEDFORD LEGION

The entertainment committee of the American Legion have secured the services of Professor J. A. Hemstreet for the meeting of the post tomorrow night. Mr. Hemstreet is a mind reader and hypnotist of national fame.

Prior to coming to Medford, Prof. Hemstreet toured the United States for several years with a company of his own and gave exhibitions in all the principal cities of the country. The exhibition to be given for the entertainment of the legion members tomorrow night, besides being a scientific demonstration of the practical application of the art, will be amusing and entertaining. It took hours of persuasion before Mr. Hemstreet would consent to give the exhibition and then he consented reluctantly, saying "it is the feeling of comradeship that I have for the members of the American Legion, that prompts me to give this demonstration." Mr. Hemstreet is a veteran of the Spanish American war.

EXTEND TOURIST SEASON N.W. TO 10 MONTH YEAR

SEATTLE, Wash., May 3.—Co-operation of all commercial organizations, Rotary and Kiwanis clubs, real estate boards and other organizations, throughout Oregon, Washington and British Columbia is being sought by the Pacific Northwest Tourist Association in an effort to extend the tourist season of 1921 and succeeding years to ten months of the year, by giving nation-wide publicity to a series of summer and winter carnival events to attract tourists.

Decision to make this effort to extend the tourist season beyond the mid-summer months was made at the meeting of the board of directors of the association held in Seattle, April 23. It is proposed to take advantage of carnival events already held annually in Pacific Northwest cities and add others, including winter sports meets in national parks in order to present a continuous program of unique attractions to the eastern tourists during the months preceding and following the mid-summer tourist season.

The program as outlined by Executive Secretary Herbert Cuthbert and adopted by the board of directors is as follows:

May 2 to 7—Blossom week, Wenatchee and Ashland, Ore.

May 9 to 14—Blossom week, Yakima and Walla Walla, the Okanogan valley in British Columbia, Hood River and Medford, Ore.

May 16-21—Tourist Exposition week in Spokane, the same week they are holding it this year, and an event which is likely to become immensely popular in years to come.

May 23 to 28—Victoria day celebration week, Victoria, B. C., a week that has been celebrated in this way for thirty years.

May 30 to June 4—Left open for Seattle. Possibly a revival of the Potlatch or some similar festival; it might even be connected with Alaska.

June 6 to 11—The world-renowned Rose Festival week in Portland, Ore.

June 20 to 25—Winter sports, Rainier national park, automobile races at Tacoma.

June 27 to July 2—Dominion Day week, which has been honored by Vancouver ever since the city was incorporated.

A Prunarian celebration at Vancouver, Wash., September 12 to 18, is also on the program. Yellowstone national park, Jasper national park and Banff in British Columbia and Mount Hood, Oregon, are suggested as among the places where carnivals of winter sports can be put on which would attract amateur and professional followers of winter sports as well as tourists from all over the American continent.

A budget of expenditures for the year, including $30,000 for an immediate newspaper and magazine advertising campaign was approved and the issuance of a new map of the Pacific Northwest, showing as nearly as possible the main highways, cities, towns and resorts was authorized, as soon as it can be prepared by a map committee. It will feature the main gateways leading from the east, south and north to Oregon, Washington and British Columbia.

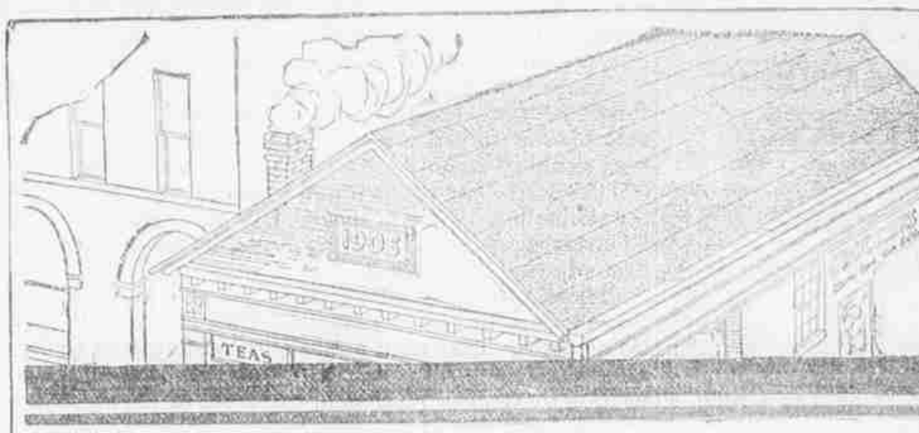
Enlargement of the board of directors was made by the addition of three more representatives from each of the three commonwealths. The board is made up of officials and business men who donate their services and travel long distances to the meetings at their own expense.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. No griping results from these pleasant little tablets. They cause the liver and bowels to act normally. They never force them to unnatural action. Dr. Edwards' Olive Tablets are a soothing, healing, vegetable compound mixed with olive oil.

If you have a bad taste, bad breath, feel dull, tired, are constipated or bilious, you'll find quick and sure results from Dr. Edwards' little Olive Tablets at bedtime. 10c and 25c a box.



Why You Should Buy Guaranteed Roofing

When you buy roofing you want durability as well as shelter. You want to know that it will last long enough to make its average cost per year a reasonable figure.

That is why Certain-teed should appeal to you. For, when properly laid, Certain-teed Roofing is guaranteed for 5, 10 or 15 years, according to weight.

The guarantee adequately protects your investment, but it does not accurately measure Certain-teed's life. In fact no one knows just how durable Certain-teed is, because in no case has it ever been known to wear out on the roof.

And Certain-teed is more than durable. It is weather-proof, fire-retarding and spark-proof. It effectively shelters your property.

With all these advantages, Certain-teed Roofing costs less to buy, less to lay and less to maintain, than any other type of good roofing.

See your dealer about Certain-teed. He either has it or can get it quickly from a nearby Certain-teed distributing center.

Ford — The Universal Car

The Ford One-Ton Truck is serving business just as faithfully and economically as does the Ford Touring Car serve all the people faithfully and economically. The Ford Truck is a necessity to the grocer both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car, because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.
